Women in War Time

ISN'T it strange what a pall the words "Closed" can cast over everything? Even though the eater parties are not numerous it is cheering to know that pretty girls are dancing and that lights are bright in the playhouses and that we may go if we please.

Life at Fort Omaha is even a bit stupid, we hear, but with charming Mrs. Jacob Wuest living at the post, the tedium is indeed relieved, for this ingenious matron gave a delightful tea at the colonel's quarters Saturday afternoon.

The trains are still on duty, we are glad to say, and very often they drop a charming visitor at our gates. Miss Pauline Hayward has come from Chicago to be the guest of Mrs. Marion Weller and the younger girls will devise some way to entertain for her in spite of the menacing "Spanish flu."

Everyone is sorry that so many girls intervene between Omaha and Mobile, Ala., for the wedding of Miss Anna Damrich and Lt. John Haignen promises to be such a pretty one. A matron of honor, three bridesmaids and four brother officers are to be the attendants, we hear. Pre-nuptial affairs will fill every day up to the wedding night and as Miss Damrich has occupied a very prominent place in social circles of the southern city, the parties will, no doubt, be very formal and beautiful in their appointments.

Girls Pull for Victory. "Every girl pulling for victory," is the slogan of the Victory Girls, an organization now being perfected among girls from 12 to 20 years of age, to help with the combined drive in November.

This is a sister organization to the Victory boys, which was organized last year and it is planned that the same speakers will address the two clubs simultaneously when the drive begins.

Members are now making plans for the raising of their pledges and active work will be begun as soon as the Fourth Liberty loan drive is over.

Uniform for War Workers. Miss Frances Range and Miss Mildred Meekel will wear natty uniforms from now on. This is one of the things that was decided at a meeting for War Camp Community Service workers from nine states of the central division which was held in Chicago and from which J. M. Parker and Miss Frances Range, of the Omaha branch, returned Saturday.

Uniforms of the women workers will be of blue tricotine, with belts and high collars. The red circle will appear on the left sleeve and the emblem will also be reproduced in bronze on the collar points. The hat is a neat blue sailor of silk velvet. Mrs. E. White, New York worker, is the only one who is yet wearing her uniform, but the other workers will have theirs as soon as they can be made.

"Look for the Red Circle," is to be the slogan adopted by the service. Sixty representatives from Michigan, Ohio, Minnesota, Wisconsin, Indiana, Illinois, Missouri, Iowa and Nebraska were present at the meeting. "A number of things were planned," said Miss Range, "which will soon be put into effect in Omaha. Of course, our activities will be checked for a short time on account of the general closing order, but as soon as we may meet again we have several new plans that will be put into operation."

Church Federation Annual Meeting to Be at First Presbyterian

The Omaha Church Federation will hold its annual meeting October 14, at the First Presbyterian church. The meeting will be opened with a fellowship supper, served at 6 o'clock, to which representatives of the churches are invited.

Salts Fine for Aching Kidneys

We eat too much meat which clogs Kidneys, then the Back hurts. Most people forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder and disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.

YOU'RE LOOKING YOUNGER EVERY DAY, MOTHER. Gray, faded hair turned beautifully dark and lustrous almost overnight, is a reality, if you'll take the trouble to mix sage tea and sulphur but what's the use, you get a tonic bottle of the ready-to-use tonic, called "Wyeth's Sage and Sulphur Compound" at drug stores here. Millions of bottles of "Wyeth's" are sold annually, says a well-known druggist, because it darkens the hair so naturally and evenly that no one can tell it has happened. You just dampen a sponge or soft brush with Wyeth's Sage and Sulphur and draw it through your hair, taking one small strand at a time. Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after just one application the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth, gray-haired, unattractive folks aren't wanted around, so get busy with the Sage and Sulphur tonight and you'll be amazed at your youthful appearance and the real beauty and healthy condition of your hair within a few days. Inquiry at drug stores here shows that they all set lots of "Wyeth's Sage and Sulphur" and the folks using it are enthusiastic. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

Be Mother of Light and Never had a Doctor Reared Her Family WITH SIMPLE HOME REMEDY An American Mother Beats Them All. There are few families in which the record of Mrs. Gustave Koch, Box 24, Kewick, Keokuk County, Iowa, has been surpassed. Not in the fact that she raised a family of eight in her story remarkable. Thousands of families are larger. The history of the Koch family is unique in that the mother, with all her loving care, planned her child to a simple home remedy and never had a doctor for her children. Here is what she says: "Ferna has done my children good. I have a family of eight and never had a doctor, only your medicine. We all think Ferna a splendid tonic." So far as we have learned, Ferna is the only known remedy for which such a wonderful claim can be made. Like Mrs. Koch, there are thousands upon thousands of mothers who place their entire dependence upon Ferna. Ferna has merited this honor in selected by the world's
