

## ARMOURS BEAT LONGWAYS FOR SECOND PLACE

Packers Win Second Place in  
Greater Omaha League in  
Freakish Game by Score  
of 14 to 4.

In a game abounding in freak plays and incidents and heavy hitting by both teams, the Armours easily won second place in the Greater Omaha League in the Council Bluffs Longways. This ends all games between Omaha amateur league teams for this season.

The fine weather which greeted the teams yesterday started considerable argument among players as to the class of the Armour team. A game was arranged for next Sunday by Pat Ragan, former Rourke and now with the Brooklyn Nationals. He will appear on the mound in person and will be backed by a team composed of league players and the pick of the Longway and Murphy teams.

Heavy hitting and odd breaks in the game were responsible for the big score. The odd breaks were greatly enjoyed by the fans, who were kept entertained by first class base ball from the top of the gong.

**Manske Plays Leap Frog.**  
The Longways scored one run when a base runner stole home while Williams was peacefully visiting with the batsmen. Another baserunner, apparently becoming tired, fell down running from third to home and was tagged out. Manske losing a high fly in the sun spiked himself after playing leap frog with the third baseman, who was also after the ball.

Francis, who started for the Council Bluffs team, was knocked out of the box in the third inning and replaced by Manske. Ford and Christiansen finished the game after Manske was hurt. League pitched the entire game for the Armours and no time was in serious danger. He had good control and refused to issue a pass.

**West Point Beats Lyons**  
by Lopsided Score Friday  
West Point, Neb., Oct. 6.—(Special Telegram.)—West Point played Lyons off its feet early in the game at Lyons yesterday and won by a score of 52 to 0. The Lyons high school boys put up a stubborn resistance but were outclassed in all departments of the game except gameness. Radler, halfback for West Point, was the big point winner and proved a tower of strength on defense. Stone starred for the losers. Budwig, Kerkow, Capt. Cejda and Kase also played star games. West Point plays Blair at West Point next Friday.

**Match for Hun Strategy**  
With the American Armies in France, Oct. 6.—There is a battle of wits as well as a battle of guns along the American front in the mountainous Lorraine country near the southeastern end of the western front. Germans try to deceive the American intelligent officers by their machine-gun and batteries to a new position every night.

The Americans solved this problem by using a series of tracing machines which may be made daily and superimposed upon one another. When these are compared, the various points to which the guns have been moved are indicated. Then comes the opportunity for the American artillery to do this work upon them.

**All Stars Win.**  
In a sort of one-sided game, Sunday afternoon, the All-Stars defeated the Florence Merchants, 6 to 3.

## JACK W. HUGHES RETAINS TITLE OF GOLF CHAMP

Present Title Holder Defeats  
W. J. Foye in City Cham-  
pionship Tournament by  
Three Strokes.

Jack W. Hughes, city golf champion and member of the Omaha Field Club, earned the right to title for another year, when he finished low man in the city golf tournament yesterday on the Country Club links. Hughes completed the required 72 holes, the first 36 of which were played a week ago at the Field Club, with a total of 32 strokes. His card for the final 18 holes, which he played Sunday, showed a tally of 79. W. J. Foye, whose total for the tournament is 326, was second and within three strokes of the winner.

Interest in the tourney faded somewhat Sunday with the result that few golfers finished and fewer still turned in their cards. The interest centered around Hughes, Foye, W. N. Chambers and M. H. LaDouceur. Although Hughes led Foye Saturday night by four strokes with 18 holes yet to be played, many members of the Country Club expected Foye to finish in the lead. His score for the final 18 bettered Hughes' by one, but the 18 of the final 36 played Saturday evened the advantage.

DaDouceur, who Saturday night was third, was outclassed Sunday in the last 18 holes by the other contest leaders yet maintained by a two-point margin his place in the tourney. His total was 334 and Chambers, who finished fourth, was 336. Hughes' game Sunday bettered his Saturday playing by three strokes and equalled the bogey for the course. His totals in and out were also just bogey.

Following is a summary of the totals last week, Saturday, Sunday and the grand total:  
Hughes 162 82 244  
Foye 165 83 248  
LaDouceur 164 87 251  
Chambers 174 84 258  
The score by holes for the quartet yesterday was:  
Hughes—Out 5 4 4 4 4 4 6 3—41  
In 4 4 5 5 4 5 3 6—38—79  
Foye—Out 5 4 4 4 4 4 4 4—39

## Yankee Private Baker Prisoner in Germany; Back in Eighteen Hours

With the American Forces in France, Oct. 5.—Private Edward F. Baker, of Pittsburgh, Pa., is one of the few Americans who claims to have been a prisoner in Germany and then escaped back to the line of his comrades. Here is an outline of the story told by Baker when he came into Fismes late one night soon after the Americans took possession of that town. Early one morning there had been street fighting in Fismes and in an encounter several Germans got the drop on Baker and marched him back to their lines.

Before noon the Germans had Baker working in trenches, and they kept him digging in one place or another most of the afternoon without as much as even suggesting that he might want something to eat. Late in the afternoon the Americans started an attack, preceding it with a heavy barrage from the artillery. Naturally this caused quite a commotion among the Germans on the hills north of Fismes.

When the German guarding Baker turned his head to look in the direction of the whiz of an American shell Baker seized a stick of wood and struck the guard a blow on the head, and then ran into a nearby wood, toward the Americans. None of the Germans followed him, although several soldiers fired with their rifles as he disappeared in the brush.

**Arnold Martin Food Company**  
Organized at Lincoln

Table Rock, Neb., Oct. 6.—The Arnold Martin Food Growing company has just been organized and incorporated, with a capital of \$200,000, with offices in Lincoln. The incorporators are Arnold Martin, F. E. Schaaf of Lincoln and F. A. Stech of Table Rock, the officers being J. E. Liebenroder, Pawnee City, president; F. E. Schaaf, Lincoln, vice-president; O. P. Foal, Table Rock, treasurer; Mabel Foale, secretary. At its first meeting just held, \$86,000 of stock was subscribed. They have purchased 22 sections of Rosebud county, Montana land, and will farm on a large scale with Arnold Martin, the noted farm expert, in charge.

The annual meeting of the Table Rock Rock Cross chapter was held at the opera house last evening and the following officers were elected: Mrs. Anna Kovandak, president; Elmer D. Wood, vice-president; Rev. S. E. Taft, secretary; Mrs. Eva A. Pierson, treasurer. Five members were elected as an executive committee, consisting of Mesdames C. W. Chambers, R. C. Zink, E. D. Wood, C. H. Lane, Lydia K. Andrews.

The Pawnee Lumber company has disposed of the business in Pawnee City, the purchaser being M. H. Lamm of Verdun, who will take charge at the completion of the invoice.

**Houses of Grand Island**  
Farmers Painted Yellow

Grand Island, Neb., Oct. 6.—The homes of Robert McLaughlin and H. J. McLaughlin, near this place, have been painted yellow, as a protest against the classification of Robert McLaughlin by the local draft board. Mr. McLaughlin has 21 and one son, who was married before the beginning of the war and the other was married to a Hastings girl this week. It was while the family were absent from home to attend the wedding that the houses of both men were painted yellow.

**Sugar Beet Factory Now Working at Bayard, Neb.**

Bayard, Neb., Oct. 6.—(Special Telegram.)—The sugar campaign opened here yesterday, the factory beginning the grinding of beets. It is estimated that this factory has about 12,000 acres of beets to care for which will probably take close to four months to make the sugar. The beet crop is much better than last year and will probably average 12 tons to the acre.

On account of the scarcity of help the factory is using a good many women this year.
