Nesino stops itching instantly Don't let that itching skin-trouble

forment you an hour longer! Just spread a little Resinol Ointment over the sick skin and see if the itching does not disappear as if you simply wiped it away 1

And-even more important-this soothing, healing ointment rarely fails to clear away promptly every trace of the unsightly, tormenting eruption, unless it is due to come serious internal disorder.

Resinol Ointment usually gives even prompter results if the sore places are first bathed thoroughly with Resinol Soap and hot water. Resinol Ointment and Resinol Soap contain

nothing that could injure or irritate the tenderest skin. They clear away pimples, redness and roughness, stop dandruff. Sold by all druggists.

" heels put on in 5 minutes

> You notice that your heels are worn out. You want new ones and you want them now.

> If you have five minutes to spare, step into a repair shop and say, "I want a pair of 'Usco' rubber heels."

That's all it takes-five minutes (the old kinds require nearer thirty minutes)-and almost like magic, the repair man with a few taps of his hammer will reheel your shoes with these staunch, long wearing, never-pull-loose rubber heels.

"But," you say, "it takes longer than that for the cement to dry."

"Usco" heels require no cement. This heel of springy rubber is moulded in a saucer like shape. The hollow under-side is fitted over the heel seat. A hammer blow flattens it out. A few nails complete the job-and you have what you never had before-rubber heels that scarcely show the joint-a permanent, practically invisible joint that will last as long as the heel.

There is a sure footed satisfaction in the broad, flat, tread of "Usco" heels. You will like their yielding comfort and their tough resistance to wear.

Your repair man has them in black, tan and white. Look for the U. S. seal.
