## Women's Work in War Time

#### Change in State Officers.

Important changes in the personnel of State Red Cross are an-nounced by Frank W. Judson, director. Mrs. Z. T. Lindsey, state director for woman's service, has resigned, owing to her sister's ill health, which necessitates Mrs. Lindsey's spending the winter in the south.

Mrs. Clement Chase, field secretary, will succeed Mrs. Lindsey. Mrs. Chase is recognized as a competent choice for this department. She passed the last few months in New York, Washington and Central division offices in Chicago.

Another resignation is that of Mrs. J. O. Goodwin, who has been superintendent of surgical dressings. Mrs. Goodwin will join the inspection warehouse as superintendent of the shipping department. Her former department will be under Mrs. Chase's supervision.

## New First Aid Classes.

As soon as the influenze epidemic abates, new classes in first aid and home nursing will be started by Mrs. Charles S. Elgutter. Registrations may be made through the Y. W. C. A. Those who have already had the instruction are given first calls in the student nurse's reserve, according to Mrs. Elgutter.

**Try This If You** 

Have Dandruff There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and hree or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been cnown to fail.-Adv.
