

PHONE COMPANY, LOSING MONEY ASKS INCREASE

Officials Call on State Railway Commission and Declare That Telephone Rates Must Be Raised.

From a Staff Correspondent. Lincoln, Oct. 10.—(Special).—Officials of the Nebraska Telephone Company, E. M. Morsman, attorney, and Guy H. Pratt, general commercial superintendent, called on the State Railway commission today, taking up the matter of raising revenues.

The officials told the commission that revenues are inadequate at the present time to meet the expenses and that the latter is running behind at the rate of approximately \$350,000 per month on wages alone, which would make a yearly deficit of more than \$400,000.

The officials told the commission that revenues are inadequate at the present time to meet the expenses and that the latter is running behind at the rate of approximately \$350,000 per month on wages alone.

The company is operating under government supervision through the Postoffice Commission and it is insufficient to meet the expenses it will be up to the government to make up the deficiency.

Three Columbus Soldiers Given Military Funerals Columbus, Neb., Oct. 10.—(Special).—Three Columbus young men who were inducted in war service died in three successive days at their respective camps.

British Say Teuton Towns Must Suffer for Hun Vandalism

London, Oct. 10.—The demand for something more than unconditional surrender from Germany is becoming intensified in the newspapers here. Viscount Middleton, former secretary of state for India, asks that the allies make a declaration that peace shall not be made until retribution is exacted from German towns for vandalism in France.

Movement for Division of the Dual Monarchy Gains Headway; Czech State Is Being Formed. London, Oct. 10.—It is reported from Vienna that the Austro-Hungarian ministerial council has decided to introduce national autonomy "in order to make President Wilson's stipulation an accomplished fact," says an Exchange Telegraph dispatch from Copenhagen today.

Czech party did not take part in the deliberations, the advices add. It is holding an important meeting today.

Telegram from Warsaw announce that a proclamation is about to be issued for the union of all Polish territories into a Polish state.

Czech newspapers declare that preparations are under way for the regular working of a future Czech state and identical statements are being published regarding the Jugoslavians.

Amsterdam, Oct. 10.—The future of Austria-Hungary is summed up by a large note of interrogation, says the Frankfort Zeitung in an article directing attention to the critical situation in the dual monarchy, which it says stands at the crossroads.

The newspaper declared that the entire existence of Austria-Hungary is at stake and that it is not only a question of what shape the Hapsburg dynasty will assume, but whether it will continue to exist.

Go to Bed and Stay Quiet—Take a Laxative—Eat Plenty of Nourishing Food—Keep Your Strength Up—Nature Is the "Cure." ALWAYS CALL A DOCTOR. NO OCCASION FOR PANIC.

Spanish influenza, which appeared in Spain in May, has all the appearance of grip or la grippe, which has swept over the world in numerous epidemics as far back as history runs.

There is no occasion for panic—Influenza itself has a very low percentage of fatalities—Not over one death out of every four hundred cases, according to the N. C. Board of Health.

Go to bed at the first symptoms, not only for your own sake, but to avoid spreading the disease to others—take a purgative, eat plenty of nourishing food, remain perfectly quiet and don't worry.
