## YELLOW PERILS AFTER THE WAR. **ASSERTS BISHOP**

**Democratic Church Necessary** Says Speaker on Behalf of Centenary Fund in Omaha.

A war compared with which the present war will be a mere skirmish will take place in the near future unless the western peoples prepare to avoid it, Bishop Wilson S. Lewis of China told a gathering of Methodist clergymen and laymen of Omaha and Council Bluffs at the Chamber of Commerce Friday noon. The meeting was to organize for the centenary fund of \$80,000,000 to be raised by the Methodists of the United States in the next five years for material, spiritual and moral reconstruction after the war.

"The struggle," said the bishop, "would be between the orient and the occident. Some people don't believe the occident amounts to much.
