MOSLEMS HELD IN CHECK BY **HUNS' THREAT**

Government Told Black Sea Fleet Will Fire Upon Constantinople at First Sign of Defection.

Washington, Oct. 16 .- With the Berlin-Constantinople railroad cut by the allied occupation of Nish, Germany is relying upon its Black sea fleet to hold Turkey in line. Information has been received at the State department that the Turkish government has been told by Berlin that the fleet will open fire on the Ottoman capital at the first sign of

This German fleet consists largely of warships captured from the Russians, but is believed here to be strong enough to control, for the present at least, the Turkish government. It was pointed out today that with the British forces rapidly clearing Palestine and Mesopotamia of Turkish control, Turkey must hold to Constantinople as its only hope of maintaining any power as a govern-

News from Copenhagen that Izzet ish army staff and his association with German officers, Izzet is looked upon as friendly to Germany.

The accuracy of reports that the Union and Progress club, the most powerful organization in Turkey. had been closed at the demand of the Turkish army staff, was doubted by officials here, who said such action would be tantamount to a mili tary revolution. If the report is true anything might happen in Con-

Yankee Aviators Do Wonderful Work on Verdun Battle Front

With the American Army Northwest of Verdun, Oct. 16 .- (By As sociated Press)-Despite the rain which streamed down all day from low hanging clouds, the American aviation corps again performed wonderful work in assisting the infantry, flying constantly at an altitude below 600 meters. The aviaefficiently directed battery work, made reconnaisances, kep the infantry in liaison with headquarters and brought in valuable information.

The artillery of both sides was Austrian Minister Declares etive throughout the day. American guns predominating in intensity of fire. Several positions stubbornly held by the German were reduced before the close of the day and countless wire hin drances were cut or otherwise destroyed by shells of all caliber.

Fremont Elevator Burns.

Fremont, Neb., Oct. 16 .- (Spe cial Telegram.)-The Nye-Schneider-Fowler elevator, the oldest structure of its kind in the county and one of the first erected in the state, was destroyed by fire at noon today. The loss, including 16,000 bushels of grain, is estimated at \$25,000, fully covered by insurance. The company will rebuild.

Former Fremont Man Dead.

Fremont, Neb., Oct. 16 .- (Special Telegram.)-Frank O. Hawley, former Fremont resident, died at Superior following an attack of influenza. Mr. Hawley had ben running out of Superior as an engineer for the Santa Fe for 12 years.

SATISFYING RELIEF

Sloan's Liniment has the punch that relieves rheumatic twinges.

This warmth-giving, congestionscattering circulation-stimulating remedy penetrates without rubbing right to the aching spot and brings quick relief, surely, cleanly. A wonderful help for external pains, sprains, strains, stiffness, headache, lumbago, bruises.

Ruinous Curling Iron No Longer Necessary

The woman whose hair has been burnt dreads the hot curing iron. She knows only too well how destructive to the life and beauty of the hair this instrument and beauty of the hair this instrument of torture is. She will therefore welcome the information that a simple product to be found at any drug store will not only give her tresses the desired wavy effect, but without burning, discoloring, streaking or injuring hair or scalp in any way. It is nothing more than plain silmerine in liquid form. It should be applied to the hair with a clean tooth brush, preferably at night.

hair with a clean tooth brush, preferably at night.

A convenient way is to divide the hair into strands and moisten these one at a time from root to tip. In the morning the hair will be found beautifully wavy and curly, having the appearance of perfect naturalness, no matter how the hair is done up. The effect lasts a considerable time and one need get only a few ounces of the liquid silmerine. This, by the way, is neither greasy nor sticky.—
