

LINCOLN SPEECH ANNIVERSARY TO BE OBSERVED

G. A. R. Camps Asked to Plan Patriotic Ceremonies to Be Held in United States on November 19.

November 19, fifty-fifth anniversary of Lincoln's address at Gettysburg will be observed with appropriate ceremonies by the G. A. R. throughout the nation.

C. E. Adams, commander in chief, has sent a call to all camps in the country asking them to observe the day as one appropriate on which to kindle anew the fires of patriotism and celebrate with fitting speeches and ceremonies.

Relief Corps To Aid.
The Woman's Relief Corps also is asked to assist in making the anniversary of Lincoln's great speech a distinctly patriotic event. Meetings are expected to be held in Omaha on this date and in all the principal cities of the United States.

The call sent out by Commander Adams is as follows:
"A wonderful and marvelous history comes into view when we contemplate the life and public services of Abraham Lincoln.
"His character was so American and lovable that it has entered all our hearts and all our homes. His life was so great and his principles were so just, that they are the beacon light of the liberties of the world and the point to the true principles of humanity and justice by which the peace of the world must be sustained.
"Abraham Lincoln proved himself equal to every emergency. He was the child of nature; he was strong of body and sound of mind. So supremely great was he, that the multitudes loved and trusted him for what he was, an honest man, he proved the type he looked to be, the savior of our country.
"Lincoln Greatest Man.
"In all ages great men have risen to bless mankind, but Abraham Lincoln was the greatest of them all; he lived to save his country, and he died to consecrate it with his life's blood; his name is unparalleled among the world's elect and is immutably fixed; he was purely American; he acted as Americans act and talked as Americans talk. His Gettysburg speech had its abiding place away down in his soul's deep cell and came forth in the pure breathings of undying life to bless mankind.
"My comrades: The 19th day of November is the anniversary of Lincoln's Gettysburg speech, that halloved Gettysburg battle field, consecrated by the blood of our comrades of the civil war.
"This year will be the fifty-fifth anniversary of that great day and I beseech you, to call upon your auxiliary, the Woman's Relief Corps, and all other patriotic societies to meet with you in public places and kindle anew the fires of patriotism and celebrate this great speech and day with ceremonies, patriotic and appropriate."

U. P. AWARDS BIG CONTRACT TO OMAHA BUILDERS

Machine and Erection Shops to Be Built Here to Cost Hundred Thousand Dollars.

Contracts have been awarded to the Home Builders, Inc., general contractors of Omaha, for the erection of two 100-foot extension machines and erection shops for the Union Pacific railroad.
The cost will be more than \$100,000. It is contracted under the direction of William G. McAdoo, director general of railroads, and is, therefore practically a government contract.

The building is to be the same in every respect as the present shops, and will be constructed of heavy concrete foundations and steel frames. It will have crane runways and mastic floors and will be 150 to 200 feet inside measurements. The construction of this work is to begin at once.

The Home Builders are now constructing the large seven-story building at the corner of Eighteenth and Dodge streets, which will cost about \$400,000, and also have considerable work under way for the Swift Packing company at South Omaha. They recently completed a building for the government at Twenty-fourth and Hickory streets.

WOBBLIE HEAD PLEADS GUILTY TO ESPIONAGE

Walter Pasewalk, Minneapolis Industrial Worker, Admits Violation of Seditious Law.

Walter Pasewalk, one of the leaders of the I. W. W. organization, formerly official head of the I. W. W. lodge No. 373, Minneapolis, Minn., and for the past year held in the Douglas county jail along with many other members awaiting trial under the espionage act, concluded to quit the lodge, and asked for an immediate arraignment in the federal court.

Pasewalk was in Omaha in an official capacity when federal officers raided a meeting on lower Douglas street nearly a year ago. Later the grand jury returned indictments against a large number of them, charging conspiracy to obstruct the draft and other war activities.

A few days ago Pasewalk informed the office of the United States district attorney that he was ready to plead guilty to all the counts in the grand jury indictment, and he was brought before Federal Judge Woodrough Saturday morning. Judge Woodrough ordered Pasewalk placed in the Dodge county jail pending sentence which will probably not occur until after the other members of the organization have been tried before the petit jury. Pasewalk asked that he be not returned to the Douglas county jail, fearing the consequences his plea of guilty might bring forth from his former comrades.

Ex-Paddle Wheel Man, Disgruntled, He Starts Move on Cigaretts

The citizen who recently demanded that Police Commissioner Ringer enforce the state law which prohibits the sale of cigarets, is said to be a man who, in former years, conducted extensive "paddle wheel" operations at the Ak-Sar-Ben carnival and who lost out on the deal this year owing to the order of Mayor Smith and Ringer against these gambling devices.
"We are catching more automobile thieves today than ever before," said Commissioner Ringer. "We are getting more bootleggers and confiscating more 'booze,' large quantities of it, than ever before, and we are dealing with the prostitution evil more successfully than ever before. Naturally we can't do everything at once."
"I have referred the cigaret suggestion to Chief Eberstein. If there is an honest demand on the part of disinterested citizens to make a drive on cigaret smoking it will certainly be done, just as all other laws are being enforced."
