# DAVID CASIDY HAS GAINED 26 POUNDS BY TAKING TANLAC

Omaha Contractor Invite: Those in Doubt to Call Him Over the Phone.

"My suffering has not only been relieved by Tanlac, but it has put me in shape to where I have actually gained twenty-six pounds," said David Casiday of 1301 Gust street, Omaha, while in the Sherman & Mc-Connell drug store recently. Mr. Casiday has been a contracting brick mason in Omaha for the past eighteen years and is one of the

most widely known men in the city. "My appetite has been poor for a year," he continued, "and I have suffered dreadfully with something like pleurisy in my side and a hurting in my back like lumbago. My liver and kidneys were also in bad shape and the pains in my back were almost unbearable. I had terrible headaches and was so dizzy that I could hardly bend over to tie my shoes. I was often in so much misery that I could not lift my arms. Many a hight I sat up, dreading to lay down for fear of those awful pains, which were so much worse at night. I managed somehow to keep going and superintend my work, but was unable for several weeks to do any work myself. It was difficult for me to get around

"While in Sherman & McConnell's one day I inquired about Tanlac. had already lost fifteen pounds n weight and my condition seemed to be gradually getting worse. So got me some Tanlac with the result that my troubles are all gone and as I said I have gained twentysix pounds, making me eleven pounds heavier than I was before my health began to fail. After taking Tanlac a few days my appetite picked up, then it wasn't long until I began to feel better and re-gain my lost weight and strength. My liver and kidneys are working as well as they ever did now, my stomach is also in good shape and I just feel fine all the time. I eat hearty every meal, sleep like a log every night and work hard every day and never have an ache or a pain. Tanlac is the one medicine I can recommend to everybody be-

cause I believe it will help them. My phone is Colfax 3177 and I will be glad to tell anyone personally how Tanlac has helped me."
