HEALTH BOARD **GIVES WARNING OF** INFLUENZA DANGER

Ask People to Be Careful and Take Proper Treatment Promptly. Many Pneumonia Cases Follow Knights of Zion, 26 to 0 Influenza. What to Do.

To be prepared for the serious outbreaks of Influenza and Pneumonia that are now sweeping over the entire country and that have seized on this community. Public Health Boards, everywhere are issuing cautions and instructions to the public not to neglect treatment at the first symptoms of a cold and to co-operate with the board and physicians in stamping out the spread of the disease.
