Contends That the Strict Observance of Provisions Are Prerequisites of the Charter.

City Attorney Weaver figuratively threw up his hands when he appeared in Judge Troup's court to defend an action brought by J. P. Breen, in the name of Marion O. Cunningham, to stop the submission Neb. of the proposed new home rule charter to the voters on November 5.

In his argument Breen contended that strict observance of constitutional provisions are prerequisites to the validity of the charter. He insisted that not less than 30 days must intervene between the date of the last official publication of the charter and the date of the election. In this instance he maintained that only 23 days would elapse, and he William H. Gettys, next of kin, William H. Gettys, Big Springs, further argued that the charter com- Neb. mittee did not file 25 copies of the charter with the city clerk at the time the official copy was filed.

Attorney Weaver admitted to the court that probably the charter committee overlooked the mandatory features of some of these provisions and he announced that the city would like to have a ruling from the court for further guidance. County Attorney Magney appear-

ed for Election Commissioner Moorhead, but made no argument. Judge Troup will announce his decision on Thursday morning.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have

aken the tablets a few nights. Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's o sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effeclively, but their action is gentle and

safe instead of severe and irritating.
No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.
Dr. Edwards' Olive Tablets are a

purely vegetable compound mixed with olive oil; you will know them by their Dr. Edwards spent years among pa-

complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week See how much better you feel and look. 10c and 25c per box. All druggists.

tients afflicted with liver and bowel

SPANISH INFLUENZA STRIKES VICTIMS WITHOUT WARNING

Pneumonia Often Results; Victims Seized Without Warning, Making Precaution Doubly Necessary.

Much of the difficulty expeby health authorities in hecking the spread of the Spanish Influenza lies in the fact that it strikes its victim without warning. Although State and Federal authorties are taking every possi-

ble precaution in their effort to stop the spread of the epidemic, the dis-ease in many sections of the country has gotten entirely beyond control and is claiming its victims by the thousands. It is universally agreed by all

well informed persons that the surest preventative is to get the system in the best possible physical condition in order to be able to throw off the infection. As has been previously stated it is possible to perfect the powers of resistance of the human system so that it can throw off almost any infection, not excepting Spanish Influenza, which is one of the most contagious dis-

Medical authorities agree that people who are weak and run-down are the earliest victims of the Influenza epidemic. If you find yourself weak or losing flesh, or if you are in a generally run-down condi-tion, you are really in great danger if you should come in contact with the Influenza germ.

As a powerful reconstructive tonic and system builder, Tanlac is without equal. This is a statement of facts and is fully supported by recognized authorities. According to all accepted reference works, including the United States Dispensatory, Encyclopedia Britannica and leading text books used in the school of medicine, the principal ingredients of Tanlac possess the most valuable tonic properties known to science. This statement is further proven by the fact that millions of persons who have actually taken Tanlac have testified to its extraordinary merit as a medicine.

Tanlac restores health and strength to the weak and run-down system by enabling every organ of the body to perform its proper function in nature's own way. It creates a healthy appetite for good nourishing food, and is an ideal strengthening tonic for persons who are in a run-down condition and who are suffering from the aftereffects of Influenza, Grippe or

Bronchial troubles. Tanlac is sold in Omaha by all Sherman & McConnell Drug Company's stores. Harvard Pharmacy and West End Pharmacy under the personal direction of a special Tan-lac representative. Also Forrest

mbezzlement. It is alleged that Polke charged \$2.85 for a trip from Omaha to Council Bluffs, which should have been about \$2.00, and then set his fare meter to show \$1.80, which amount he reported to his company, "pocketing" the difference.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

Look, Mother! Is tongue coated, breath feverish and stomach sour?

'California Syrup of Figs" can't harm tender stomach, liver, bowels.

A laxative today saves a sick child omorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftimes all that is necessary. It should be the first treatment given

in any sickness.

Beware of counterfeit fig syrups.

Ask your druggist for a bottle of
