

WOMAN'S SECTION OF THE BEE

Conducted by Ella Fleishman

Women's Work in War Time

Omaha Wellesley girls met last week at the home of Mrs. J. C. McClure and in one day completed 2,000 handkerchiefs for use by influenza patients at the Fort Omaha hospital.

The college girls have made garments for 4-year-old refugee girls at each meeting during the last year. Wellesley college is financing a reconstruction unit similar to that of Smith college, in France.

Mrs. Charles Turner and her sister, Mrs. Clara Schneider, of Fremont, both in France, are Wellesley girls.

Soup Kitchen for "Flu" Victims.

Remarkable work has been done by Omaha women in the Red Cross soup kitchen at All Saint's church. Mrs. Victor Caldwell, who has been in charge, has been assisted by Mesdames Mark Leving, G. W. Wattles, W. I. Walker, Harold Gifford, Misses Carrie Millard, Helen Millard and Grace Thomas.

Aside from the food, \$5 a day has been given to the Visiting Nurse association to buy any necessities needed for the invalids. Many donations of custards, jellies and soups have been sent.

Praise for Men in Khaki.

"Americans will have contributed in writing one of the most beautiful pages of the history of the world," Gen. Arthur Boucher, distinguished Frenchman, wrote in praise of American soldiers in a recent letter to Madame A. M. Borglum of Omaha.

"The time day has arrived when my faith in the triumph of our cause sees its realization. After our success of July and August, the American army, which causes here the admiration of all, gives the final blow to the boche. We are seeing the dawn of the time when, thanks to its powerful help, they will have forever been chased away from our dear France."

General Boucher is one of the lecturers for the Alliance Francaise and spoke in Omaha last year.

Postpone Food Drive.

Mrs. Josiah Evans Cowles, General Federation of Women's Clubs president, writes Mrs. M. D. Cameron, General Federation Director of Nebraska, that the food drive, scheduled by Herbert Hoover, for the first week in November, has been postponed until the week beginning December 2.

Japanese Women in Red Cross Work

Japanese women are not lagging behind those of other nations in work for the comfort of the soldiers. The Japanese women in New York have done a tremendous amount of work for the Red Cross, which they have supplied with nearly 2,000 compresses, pads, and other much needed articles.

To prepare themselves for some essential service, a group of University of Chicago women is organizing the Women Student Training corps in order to secure for its members definite training for some particular work needed by the nation.

"Pals" Off for France Together

Cassie E. Bierman

Two very good "pals," Miss Lois Nesbit and Miss Cassie Bierman, have made application and have been recommended from Omaha for Red Cross canteen service overseas.

Last summer the girls enjoyed a unique experience in "roughing it." They drove a Ford car through Colorado and Estes Park, all un-

Lois H. Nesbit

accompanied, and camped out a great portion of the trip.

ARMY AND NAVY NOTES

Lt. B. B. Wood, who has been stationed at Camp Morrison, Virginia, spent a few days in New York at the Wolcott with Mrs. Wood. Lieutenant Wood has recovered from the Spanish influenza. Mrs. Wood will remain in the east until November 1.

Lt. Donald McRae is now stationed at an artillery school in California.

Lt. George Thummel, who had a slight attack of influenza, is much improved now.

Mrs. H. J. Paul, wife of Col. H. J. Paul of the 134th Infantry, has received word of his safe arrival overseas.

Mrs. Paul returned recently from New York and, with her small son, James Richard, will be with her sister, Mrs. Rae C. Williams in Dundee during Colonel Paul's absence.

Lt. Arthur H. Scribner passed Sunday with his parents, Mr. and Mrs. A. W. Scribner. Lieutenant Scribner was formerly stationed at Fort Sill, Oklahoma, but has been transferred to Camp Jackson, South Carolina.

Dr. C. H. Newell has left for the base hospital at Camp Jackson, Columbia, S. C., where he will be stationed.

Lt. Robert Wilbur, son of Mr. and Mrs. E. C. Wilbur, who was severely wounded in action, August 20, has fully recovered and has left

the American Red Cross hospital at London. He is now on special duty at Winchester, England.

Capt. LeRoy Wilbur of the 127th field artillery, has arrived safely in France.

Frank Drummy and Wallace Drummy have received commissions as lieutenants. The former will be stationed at Rock Island, Ill., and the latter at Camp Funston.

David Caldwell is now awaiting his call to Berkeley, Cal., or Champagne, Ill., where he will take the ground course.

James W. Reynolds is training for coast artillery work at Fortness Monroe.

Dr. W. R. McGrew has been commissioned captain in the medical corps and has been assigned to Camp Funston.

Turkish women are to be counted among the most industrious on earth. They do a vast amount of work. They make carpets, screens for doors, work-bags, horse clothing, and blankets. A Turkish girl makes all the kibitka or tent carpets and other household requisites before she is married. If she gets married without completing the task, it is expected that she will, by her own labor, refund the money which her parents have given her as a dowry.

At the age of 87, and after 54 years of service, during which time she has never been late, Miss Eliza R. Hyde has resigned her position in the Treasury department at Washington.

Club Notes

Omaha Woman's Club.

On account of the influenza epidemic, the political and social science department has called off its first meeting of Monday until a later date.

"While our boys at the front are fighting to make the world safe for democracy," it is expedient that our American ideals of democracy be kept safe," said Mrs. H. J. Bailey, leader. "Realizing our responsibility, as women of the greatest of the allied nations engaged in this war for righteousness, and in order to better meet our responsibility, the department will study during the year the following outlined topics and their relation to the new world democracy: 'The Home,' by Mrs. W. P. Harford; 'The Church,' Mrs. J. W. Gill; 'Public School,' Mrs. W. A. Baldwin; 'The Press,' Mrs. William Burton; 'Woman as a Voter,' Mrs. H. B. Sumney; 'Americanization,' Mrs. Draper Smith; 'Social Service,' Mrs. J. R. Dumont; 'Recreation,' Mrs. C. W. Hayes; 'The Drama,' Mrs. B. S. Baker; 'Municipal Ideals,' Mrs. R. B. Towle, and 'Legislation,' with Mrs. D. C. Craighead as leader.

Chorus rehearsal and program for the music department of the Omaha Woman's club will be held November 16, instead of October 16, as originally planned.

Collegiate Alumnae. Drama section of the Association of Collegiate Alumnae, will present the play, 'The Worst Man,' by John Kendrick Bangs Saturday, at 12:30 at the Young Women's Christian association.

Uncle Sam Calls for Hospital Assistants

An urgent call for hospital assistants is made by the dean of the Army School of Nursing. This is in addition to the call for student nurses. He has asked the woman's committee, Council of National Defense, to transmit to the women of the country, information in regard to the surgeon general's call for hospital assistants.

This work is open to single women between 35 and 45 years of age, or married women between 21 and 40, whose husbands are in overseas service. Applications of candidates who are eligible for enrollment in the United States Student Nurse Reserve will not be considered.

Services of hospital assistants are to be given in this country only. They will receive such training as is necessary to make them useful assistants to graduate nurses in military hospitals to which are sent wounded and convalescent soldiers. Their training will not lead to a degree of graduate nurse. Candidates must be women of good health and character, and they must be graduates of a high school or present a

certificate of equivalent education. Mrs. A. L. Fernald, Douglas county Defense Council chairman, and Mrs. C. S. Elgutter, chairman of the nursing bureau, will conduct the drive when it is put on in this district.

Heads Division of Women Examiners

Miss Marie Obenauer, of Washington, who has had wide experience in labor affairs, has been appointed head of the division of women examiners by the National War Labor board, the object of which is to guard the rights and provide for the needs of employed women.

Where differences arise between employers and employees, impartial investigations will be conducted in the effort to bring about a settlement.

Miss Obenauer was formerly with the bureau of statistics of the Department of Labor, and later with the woman's branch of the industrial service section of the Aviation Department, U. S. army.

Of the 2,141,000 persons employed in the metal trades in the United States, nearly 100,000 are women over 16 years of age.

Misery From Catarrh, Sore Throat and Asthma Ends

Breathe HYOMEL. Kill catarrh germs. Get rid of catarrh. Looks easy? It's just as easy as it looks. Then why not start today to get rid of soreness and crusting in the nose; to banish forever that hawking, snuffing, spitting and offensive breath that loses you friends?

Get a HYOMEL outfit today. It only costs \$1.16. Open the box, take out the little hard rubber pocket inhaler, unscrew both ends. Inside the inhaler you will find some antiseptic gauze. Then take the bottle of HYOMEL from the box and pour a few drops into the inhaler, saturating the gauze. Now you are ready to breathe HYOMEL, the most penetrating, pleasant

and antiseptic germ destroyer for all diseases of the breathing organs. Breathe it five minutes and stuffed up head will vanish. Breathe it four or five times a day for a few days, and soreness, crusts in the nose and that offensive discharge of mucus will disappear. Breathe it regularly for two weeks, kill the germs and restore the inflamed membrane to its natural condition.

Remember that the inhaler you get with an outfit will last a lifetime, and if you need a bottle of HYOMEL after the one that comes with the outfit is gone, you can get it for 60 cents. For catarrh, coughs, colds, asthma, croup and catarrhal deafness, HYOMEL is sold on money back plan by Sherman & McConnell Drug Co. and druggists everywhere.—Adv.

FURS ADVANCING IN PRICE Fur-bearing animals live in the wilderness of the world. As civilization moves its outposts these animals are exterminated. National conditions govern the fur market and every season sees an advance in price. No fur dealer can approximate the future price of furs. Every dealer knows that the price tendency is upward.

NATIONAL FUR & TANNING COMPANY furs for the season of 1918 and 1919 are now ready. The prices are as low as is consistent with the prices at which the skins were bought months ago.

By the time the actual fur wearing season has come around skins will have advanced materially in price and the manufactured article will advance in price accordingly.

IF YOU WANT THE BEST— fur or fur-lined coats, muffs or neckwear that money can buy anywhere, buy National furs now. They will be kept subject to your orders or delivered immediately and you will have the advantage of making your selection from a more complete stock at a great saving.

One Profit From Trapper to Wearer. NATIONAL FUR & TANNING COMPANY OMAHA, NEBRASKA 1921-29 South 13th St. Phone Tyler 180.

TELLS OTHERS OF VALUE OF MENTHO-LAXENE QUICK RELIEF FROM CONSTIPATION Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth"—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

"WHEN YOUR KIDNEYS FEEL LIKE LUMPS OF LEAD"

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and lousy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels of ten get sore, water seals and you are obliged to seek relief two or three times during the night. Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to cleanse and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure, and makes a delightful, effervescent lithia-water drink.—Advertisement.

Skip Stop Will be in effect on All Lines in Omaha on and after SUNDAY, OCTOBER 27TH. All stops will be designated by a sign painted on the street poles reading CAR STOP in black letters on yellow ground. Omaha & Council Bluffs Street Railway Co.
