

# WOMAN'S SECTION OF THE BEE

Conducted by Ella Fleishman

## SOCIETY

**D**INNER parties of six and eight guests are the silver linings to the dull gray clouds of "flu" which have settled down over us all. A number of prominent hostesses have given these informal affairs during the past week. Mr. and Mrs. Samuel Burns had as their guests Monday evening Mr. and Mrs. Charles T. Kountze, Mr. and Mrs. J. De Forest Richards, Miss Lynn Curtis and Mr. E. M. Fairfield. A cozy little party of six was entertained by Mr. and Mrs. C. T. Kountze Wednesday evening, the dinner table most attractive with its low mound of roses.

Miss Pauline Hayward quite captivated us all. All the guests this fall season have been such attractive girls, and the younger set have quite outdone themselves in entertaining for them. Miss Hayward was honored at several motor picnics, Miss Hazel Peterson giving one just on the eve of her departure. Out on Elkhorn ridge a huge fire was built and juicy steaks and potatoes roasted. The gay little party included Miss Marian Weller, Miss Hayward, Lt. William Carter, Lt. Edward Connolly and Major Van Nostrand.

We expect the social calendar to resume its old-time cheerful look for there are sure to be guests from the east and west for the Thanksgiving season. The huge basket of gorgeous yellow chrysanthemums in the florists' windows remind us of this fall festival, for it will soon be here with the family dinner parties and general jollity. Even though a world war is being waged life is not altogether sad.

### Try-Outs for Patriotic Show

Try-outs for the big vaudeville show to be given by the Girls' Patriotic League will be held at Jacob Hall, the first one at 8 o'clock Wednesday evening. Miss Jeanette White will judge the acts, assisted by people chosen by her as specially competent. Prominent musicians will pass on musical acts and dramatic critics on sketches.

Girls who are especially talented in any way are requested to enter the try-outs. Clubs or groups of friends, some of whom are not members of the league, may enter by making special arrangements.

Call Miss Frances Range at the office of the War Camp Community Service for appointments. Several acts are already entered and it is hoped that every bit of talent among Omaha girls may be available. Two performances will be given on dates to be set as soon as the Brandeis theater can rearrange its schedule. The first evening is to be for soldiers only, at which every man in uniform will be admitted free, and the second a paid affair for the general public.

### Motor Corps Episodes

Driving for the Red Cross motor corps has its delights. Miss Ruth Fitzgerald, who is one of the attractive corps, had as passengers one Italian, two English and two French officers for a drive about the city. All had been serving in this country and were returning overseas. Miss Emily Keller also met the troop train and took two English officers and one French officer for a drive. Mrs. Harold Keller was also in the party and, as she speaks French fluently, the warriors were delightfully entertained.

### Letter from France

"Perhaps, was here and gave a corking good talk to the men. Met him with rest of officers and state that he is and looks the part," Captain Friedrichs of the 36th engineers wrote in a recent letter to his brother, H. O. Friedrichs, auditor of Omaha Red Cross chapter.

### Gossip About People You Know

Ben Warren has returned from Rochester, Minn., where he has spent several days with Mr. W. H. McCord, who is convalescing after a severe operation.

Mrs. B. B. Wood and her daughter, Mrs. W. H. Cramer and small sons, who passed the summer at Quogue, L. I., have taken an apartment at Yonkers, N. Y. for the winter.

Captain Edwin Banister has returned to Washington and will probably return to France soon.

Mr. and Mrs. L. J. Nelson and Miss Sybil Nelson are at Pasadena now, but they will soon move to Denver, where they will make their future home.

Mrs. T. J. Hayes and children will remain in Ohio with Major Hayes' parents during his service overseas. Mrs. Hayes' sister, Miss Dorothy Ringwalt, has received her overseas orders.

Louis Nash has returned from New York, where he was with his mother, Mrs. E. W. Nash, and his sister, Miss Frances Nash. Mrs. L. F. Crowfoot, who is east now, is expected home about the first of November.

Mrs. George Voss, who has had a slight attack of the grippe, is much improved.

Miss Mary Furay will leave Monday for Indianapolis and other eastern points where she will spend the winter.

Mr. and Mrs. E. E. Muffitt have taken an apartment at Benbow court, having recently sold their home in Kountze Place.

Mr. Kremer Bain has been very ill with Spanish influenza in the Walter Reed military hospital in Washington. Mrs. Bain, who has been with her parents, Mr. and Mrs. J. F. Woodard, and her sister, Miss Claire Helen Woodard, left for Washington the first of the week.

Mrs. Sol Bergman will arrive Sunday from Milwaukee, bringing the body of her father, Mr. Leopold Hiller, for burial.

## Liberty Loan Women Out, United War Workers In

Mrs. F. W. Judson, Mrs. W. J. Hynes, Mrs. W. A. C. Johnson and Mrs. M. H. Harris, outgoing Liberty Loan workers. Mrs. Luther Drake, Miss Edith Tobitt, Mrs. Charles Offutt, Mrs. Milton T. Barlow and Mrs. Louis C. Nash, incoming United War Workers.

Omaha women in their war work are allied with the words Efficiency and System. So well have the big patriotic drives been organized and handled that a complete office system has been perfected by them.

The Omaha committee, united war work campaign, will occupy the same rooms which were used by the women's committee of the Liberty loan. The new workers will use the same files, maps and other office fixtures which has made the success of the out-going committee a splendid example for the new-coming members of the united war workers. The office will not be closed for even half a day. Friday

when the members of the Liberty loan committee were ready to leave their desks, the new committee stepped into the places just vacated. There was no cause for disconnection of the telephone or turning off the heat. The women have taken up the thread of patriotic work where others have dropped it.

Mrs. Luther Drake is chairman of the local united war work campaign committee. Assisting her are Mrs. Louis Nash, vice chairman; Mrs. Milton T. Barlow, treasurer; and Miss Edith Tobitt, secretary and in charge of the house-to-house canvass. Mrs. Chas. Offutt is directing the work for Nebraska.

The campaign, which is open November 11 to 19, for funds to maintain the splendid work which is being done by the Young Men's Christian association, the Young Woman's Christian association, The National Catholic War council, Jewish Welfare board, War Camp Community service, American Library association and Salvation army. These organizations are united in raising \$170,500,000 for the continuation of their work for soldiers and sailors of the United States. Nebraska's quota is \$2,000,000 and the women are planning to do their share of the work as well as assuming their share of the gift.

### France Speaks in This

By GERTRUDE BERESFORD. La Belle France clearly speaks in every line of this striking model of blue gabardine and white broadcloth. The Eton, of gabardine, is cut in the straight military way, almost like a Zouave jacket. A row of tiny—oh, so tiny!—silver buttons outline the fronts, with just a touch of color on the binding of black silk braid. The same finish is found on the loose sleeve. The straight vest and higher collar of white cloth is embroidered with silver and military red soutache. The skirt is quite narrow at the ankles. The hat with the flare of the "Little Corporal" is in keeping with the military spirit of a stunning costume.

Farewell Party. Mr. and Mrs. E. V. Coit entertained Friday evening in honor of their son, Mr. Harlan Ray Coit, who leaves Saturday for Chicago to enter the Red Cross ambulance corps. Twenty guests attended the affair.

Two American Red Cross workers, Miss Sarah Fleming of Boston and Miss Sylvia Coney of New York, have been made honorary members of the Bersaglieri as a reward for their services to this most famous of Italian fighting organizations.

### Martha Washington to House Red Crosses

In order to provide comfortable quarters for its workers while waiting in New York for the sailing of their ships, the Red Cross has secured permanent accommodation at the Martha Washington hotel, 29 East Twenty-ninth street, consisting of fifty bed-rooms, sitting room, assembly room and a special entrance.

Meals at fixed prices will be served, and representatives of the Red Cross will be constantly present to give information and instructions to the overseas candidates and to make their stay as pleasant and profitable as possible. Intensive instruction in French, in various branches of Red Cross work, helpful lectures on foreign conditions, traveling, money, etc., will be given.

This provision will take the place of the regular allowance made for the stay in New York, which will be discontinued. Provision will still be made for maintenance on the journey in this country.

In case, owing to delayed sailings, the number of persons waiting in New York should exceed the provision at the Martha Washington, other quarters will be arranged for. The Martha Washington gained prominence as the only hotel in the world catering exclusively to women's patronage.

The United States Ordnance department, the American Foundrymen's association and the National Foundrymen's association have adopted a ruling that a woman engaged in industrial work shall not lift weights in excess of twenty-five pounds.

**BEAUTY SPECIALIST TELLS SECRET**  
A Beauty Specialist Gives Simple Home Made Recipe to Darken Gray Hair.

Mrs. M. D. Gillespie, a well known beauty specialist of Kansas City, recently gave out the following statement regarding gray hair: "Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, and make it soft and glossy. To a half pint of water add 1 ounce of bay rum, a small box of Barbo Compound and 1/4 ounce of glycerine. These ingredients can be bought at any drug store at very little cost, or the druggists will put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make a gray haired person look twenty years younger. This is not a dye, it does not color the most delicate scalp, is not sticky or greasy and does not rub off."—Adv.

## Read What PERUNA Has Done for Me

**If My Friends Complain I Recommend PERUNA**

pounds to 120, which is enormous from the condition I was in. It is a year since then, but words of praise for Peruna were on my lips daily to friends, who have taken my advice and are also benefited.

I wish you could understand my feeling toward your life saver, Peruna. If I need a little cleansing, my Peruna. If my friends complain, I present Peruna, like a good old doctor's safe medicine. Do not forget to publish my name in full for others' benefit. I have taken Peruna and also Manalin, and today I can say, thank God for a good stomach and appetite. Thanks to Peruna once more. I work in a mill and at home, and work also at night, and still I get stronger all the time."

Mrs. Albert Huet, 264 Hackmeack St., South Manchester, Conn., writes: "I had catarrh of the stomach, bowels, and liver. I had all the doctors of South Manchester and also a specialist from Hartford, Conn., but said to say in the end I was taken to my bed entirely. Today I am almost ashamed to go around to my friends, I gained so much in weight, from 96

## Positions That Women Can Fill

War Labor Policies Board Lists Many Lines of Work That Offer Good Opportunities.

Among the jobs for which women are particularly adapted the following are listed by the War Labor Policies board:

Clerical and cashier service, accounting in manufacturing, mercantile and financial establishments and in the offices of transportation companies and other public utilities, sales clerks and floor walkers in mercantile establishments, including department stores, specialty stores, shoe stores, men's furnishing stores, florists' shops, jewelry stores, drug stores and soda fountains.

On the other hand, the board takes a strong position against the employment of women in places where they are likely to suffer physically or morally, as for example, barrooms, poolrooms, in or about mines, smelters and quarries, or on furnace work in glass works. Girls under 21 years of age should not be employed for messenger service, as bell boys in hotels or clubs, as elevator operators, or in street car and elevated transportation service. The recruiting of mothers of young children for war industries is to be discouraged.

The management of the Ontario Agricultural college has decided to admit women to all of the regular college courses, largely in recognition of the excellent assistance they gave on the farms during the past summer.

### NEW GRAY HAIR RESTORER

To restore the original, natural color to white, gray or faded hair, the new, sure way is to moisten the hair with Ovelo dye, dissolved in water, then rinse the hair in alum water, then in plain water. It acts like magic. You can have your hair always youthful in color and life, clean and odorless, with a clean scalp. Ovelo powder is inert, and so harmless a child could drink the solution. Ovelo powder is sold by druggists in original bottles with full, easy directions.—Adv.

## YOUR DUTY TO BE ATTRACTIVE

Have Pretty Dark Hair

"La Creole" Hair Dressing is the original hair color restorer, and not a dye. Applying it to your hair and scalp restores the color glands of nature, and restores your hair to a beautiful dark shade or to its natural color. It is the only hair color restorer that will gradually darken all your gray or faded hair in this way. No matter how gray, prematurely gray, faded or lusterless your hair might be, "La Creole" Hair Dressing will make it beautifully dark, soft and lustrous. "La Creole" Hair Dressing will not stain the scalp, wash or rub off, and is easily applied by simply combing or brushing through the hair. Don't be misled into buying some cheap preparation.

### USE "LA CREOLE" HAIR DRESSING

for gray or faded hair and retain the appearance of youth. Also used by gentlemen to impart an even dark color to their gray hair, beard or mustache. For sale by Sherman & McConnell Drug Stores and all good drug stores everywhere. Mail orders from out-of-town customers filled promptly upon receipt of regular price, \$1.20. "La Creole" Hair Dressing is sold on money-back guarantee.—Adv.

## JEFFERIS FOR CONGRESS

## Take Your Lighting Out of the Slacker Class

Every old-style Carbon lamp that remains in your Electric Light sockets in home, office or factory is a slacker lamp—retarding in place of aiding the nation in its war endeavors. The United States Fuel Administration urges citizens to

## Burn Mazda Lamps to Help Conserve Coal

High efficiency Mazda lamps give the maximum amount of light on the smallest possible consumption of current. This means saving coal for war's industries and reducing current consumption.

High efficiency Mazda lamps not only provide more light, but light of better quality. They are easier on the eyes—increase production—lessen the accident hazard—improve workmanship.

See that a Mazda Lamp is in every socket.

**TODAY'S BEAUTY HELP**

We find you can bring out the beauty of your hair to its very best advantage by washing it with Canthrox. It makes a very simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff, dirt and excess oil, leaving a wonderfully clean, wholesome feeling. After its use, you will find that the hair dries quickly and evenly, is never streaked in appearance and is always bright, soft and fluffy; so fluffy, in fact, that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. Just use a teaspoonful of Canthrox, which you can get from any good druggist, dissolve it in a cup of hot water; this makes a full cup of shampoo liquid, enough so it is easy to apply to all the hair instead of just the top of the head.—Adv.

Her Grandma Used Sage Tea To Darken Her Hair.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By using at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

## Physicians Explain Why Women Need More Iron in their Blood Today than 30 Years Ago

Say Anaemia—Lack of Iron Is Greatest Curse to the Health, Strength, Vitality and Beauty of the Modern American Woman.

Less than a quarter of a century ago, little or no effort was expected of the average woman and her quiet pursuits demanded far less strength, energy and endurance than now.

Today there is not a woman but who stands ready to serve her country and do a man's work if needed. But to meet the strain she must be full of the life, vim and vitality that come from having plenty of iron in the blood.

**DR. FERDINAND KING, New York Physician and Medical Author,** says physicians should prescribe more organic iron—Nuxated Iron—to supply the iron deficiency. Opinions of Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Police; Dr. A. J. Newman, former Police Surgeon of Chicago, and other physicians who have thoroughly tested the value of Nuxated Iron.

"Any woman who tires easily, is nervous or irritable, or looks pale, haggard, and worn should at once have her blood examined for iron deficiency—administration of simple Nuxated Iron will often increase the strength and endurance of weak, nervous women in two weeks' time."

"There can be no strong, healthy, beautiful, rosy-cheeked woman, without iron," says Dr. Ferdinand King, a New York physician and Medical Author. "I have strongly emphasized the fact that doctors should prescribe more organic iron—Nuxated Iron—for their nervous, run-down, weak, haggard-looking women patients. Pallor means anaemia. The skin of an anaemic woman is pale, the flesh flabby, the muscles lack tone, the brain fails, and the memory fades, and often they become weak, nervous, irritable, and dependent and melancholy. When the iron goes from the blood of women the roses go from their cheeks."

"In the most common foods of America, the starches, sugars, table syrups, candies, polished rice, white bread, soda crackers, cereals, macaroni, spaghetti, tapioca, sago, farina, Heggenberg's cornmeal no longer is iron to be found. Refining processes have removed the iron of Mother Earth from these iron-rich foods, and silly methods of home cooking, by throwing down the waste pipe the water in which our vegetables are cooked, are responsible for another grave iron loss. Therefore, you should supply the iron deficiency in your food by using some form of organic iron, just as you would use cod liver oil when your food has not enough salt."

Dr. Newman, former Police Surgeon of Chicago, and Dr. Schuyler C. Jacques, formerly Visiting Physician of Bellevue Hospital (Outdoor Dept.), New York and Westchester County Hospital, Chicago, say: "I have used the past six years to assist in keeping Chicago's five thousand blue coats in good health and perfect fighting trim, so that they would be physically equipped to withstand all manner of storms and ravages of nature's elements. Recently I was prompted to give Nuxated Iron a trial. This remedy has proven through my own tests of it to excel any preparation I have ever used for creating red blood, building up the nerves, strengthening the muscles and correcting digestive disorders."

Dr. Schuyler C. Jacques, formerly Visiting Physician of St. Elizabeth's Hospital (Outdoor Dept.), New York, says: "I have never before given out any medical information or advice for publication, as I ordinarily do not write. But in the case of Nuxated Iron I feel I would be doing my duty not to mention it. I have taken it myself and given it to my patients with most surprising and satisfactory results. And those who wish to quickly increase their strength, power and endurance will find it a most remarkable and wonderfully effective remedy."

Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Outdoor Dept.), New York and Westchester County Hospital, says: "Thousands of persons go to bed at night with a headache, and wake up three times per day after meals for two weeks. This is a lack of sufficient iron in the red blood corpuscles to enable Nature to transform the food they eat into brain, muscle, tissue and brain. But beware of the old forms of metallic iron which frequently do more harm than good."

"Notwithstanding all that has been said and written on this subject by well-known physicians, thousands of people still insist in dosing themselves with metallic iron."

MANUFACTURERS' NOTE—Nuxated Iron is a trademark and recommended above all other iron tonics. It is not a secret remedy, but one which is well known to druggists. Unlike the older iron tonics it is easily assimilated, does not irritate the stomach, makes black stools, and is entirely satisfactory. It is sold in 25-cent and 50-cent bottles. It is dispensed in this city by Sherman & McConnell Drug Store and other druggists.
