

### GERMAN TINGE STAMPS DEMOS WHO ASK OFFICE

#### Patriotism Flaunted to Turn Attention from Ancestry and Connections of Candidates.

Democrats hereabouts, and also thereabouts, are raising considerable dust by their claims of a monopoly on patriotism. In vaudeville there is a stock expression which goes, "The American flag has saved many a rotten act." So it goes with the democrats, who try to cash in by associating pictures of their candidates with pictures of the president, and by otherwise parading patriotism for partisan purposes.

#### German Connections.

The records in the election commissioner's office show that Michael L. Endres, county treasurer seeking re-election, was born in Germany. He was naturalized in Omaha only 14 years ago. He has always banked on German support.

#### Pot Shot at Mullen.

The democrats have added their own political eggs, wherefore they are beside themselves these days. If they do not get it from one side, they get it from the other, and so it goes all through the livelong day. A democratic publication takes pot shot at "King" Arthur Mullen, democratic national committeeman for Nebraska, and prints regent of local democratic politics.

#### Jefferis Sentiment Grows.

An unprejudiced canvass of the Second congressional district situation in Omaha reveals a growing sentiment in favor of Jefferis, who has been making an aggressive personal campaign. Having been thoroughly informed of the congressional record of Mr. Lobeck, people of all classes know why they would prefer to have Jefferis represent them in the national legislative halls.

#### McKelvie Here.

Samuel R. McKelvie, republican candidate for governor, came into Omaha Tuesday morning to spend a few days in this vicinity.

#### Minotto Loyal to U. S., Says Attorney Becker

New York, Oct. 29.—Alfred L. Becker, deputy attorney general of New York, issued a statement today, intended, as he said, to clear Count James Minotto of any previous suspicion that his association with the principals in the Caillaux-Luxburg conspiracy to bring about a separate peace between France and Germany in 1915, pointed to his guilty participation in the plot.

#### Montenegrin King Rejoices In Independence of Slavs

Paris, Monday, Oct. 28.—King Nicholas of Montenegro has sent a declaration to the Jugoslavians in which, after expressing his joy over President Wilson's reply to Austria and affirming the independence of the union of Jugoslavians, he said: "I declare solemnly that Montenegro must become a constituent part of Jugoslavians."

#### 229 Miles in 105 Minutes Is New U. S. Air Record

Pittsburgh, Pa., Oct. 29.—Flying at an average speed of more than two miles a minute, James M. Schoonmaker jr., son of the vice president of the Pittsburgh and Lake Erie railroad, covered the distance of 229 miles from Dayton, O., to Pittsburgh in one hour and 45 minutes. Schoonmaker was piloted by Howard Rinehart. The flight, which was made in a DeHaviland four battle plane, is believed to be a record.

### IOWA PROTESTS WILSON'S SLUR ON LOYAL G.O.P

#### Lodge's Two-Word Platform, "Unconditional Surrender," Endorsed by Earnest Patriots.

Shenandoah, Ia., Oct. 29.—(Special Telegram.)—The following message was sent to Will H. Hays, New York; Senators Lodge and Kenyon and Congressman Horace Towner, Washington, D. C.; and Governor Harding, Des Moines, by the republican committeemen of Shenandoah, Ia.:

"Republicans of Shenandoah and southwest Iowa unanimously resent the insinuation of President Wilson that a democratic congress is necessary to winning the war. We stand aghast at Wilson's appeal for the power of a Caesar. We believe that republicans in congress who have led legislation for national preparedness and for vigorous prosecution of the war can more safely be trusted as hundred-per-cent Americans to make peace terms with Germany than democrats of the Kitchen-Dent-Clark type, who have obstructed that legislation.

"We endorse Senator Lodge's two-word platform of 'unconditional surrender' and oppose any peace by negotiation. We deplore the partisanship of the president, who seeks to condemn and defeat loyal republican congressmen who have led in putting through great war

measures and who give a blanket endorsement to democratic congressmen who have opposed those measures and who now hold positions of power as chairmen of the principal committees in congress. "Keep this thought before the American people and our allies in the world war: 'And let it be known that loyal Iowa, which is sacrificing so many of its sons on the battlefield of France and which has gone over the top on every war activity will do it again next Tuesday by sending a solid republican delegation to congress.'"

Signed by: Frank Mullison, W. W. Benedict, C. N. Marvin, republican committeemen for Shenandoah.

They will not be permitted to use domestic sizes of the anthracite coal for cooking or heating.

#### Excess Profit Tax Will Apply to Individuals

#### Warrior Dollars

At whatever cost of time and men and money, Germany must and shall be beaten. Our brothers are already in the field—eager, determined, confident. It were best done quickly. We must back up our millions of warrior boys with billions of warrior dollars. Push the Fourth Liberty Loan. Buy your country's bonds. The quicker this money is raised, the sooner the war will be won.
