

Nebraska QUERIES DEMO CANDIDATES ON WAR PROBLEMS

Republican Candidate for Congress in Fourth District Asks Questions of Democratic Nominees.

From a Staff Correspondent.
Lincoln, Oct. 29.—(Special.)—M. O. McLaughlin of York, republican candidate for congress in the fourth district, believes there are some vital issues in which the people of the state and of all six congressional districts should be interested and has therefore issued the following letter, which he would like the democratic candidates for congress in the several districts to answer:
"The responsible position our nation is in at this time makes the coming election of the very greatest importance. The next congress will have to settle grave and far-reaching problems that affect the future welfare of all the American people.
"From the multitude of war phrases and patriotic expressions that candidates are urging in their campaigns, I assume that any of the congressional nominees, whether democratic or republican, will support necessary war legislation in the event of their election. However, the present organization of congress is such that I believe the Nebraska voters should have an expression from each of the democratic congressional nominees in the several districts of the state in answer to the following questions:
McLaughlin's Questions.
"First—Will these gentlemen, if elected, favor the re-election of Dent as chairman of the military affairs committee; Kitchen as chairman of the ways and means committee, and Clark as speaker of the house, all of whom voted and worked against the major war measures?
"Second—Will they, if elected, go into democratic caucus and vote for the present system of chairman-

SHE USED TO BE GRAY

Society Ladies Everywhere Use "La Creole" Hair Dressing

The well known society leader's hair was prematurely gray, perhaps just like yours, but Mrs. J—heard of "La Creole" Hair Dressing—how thousands of people everywhere had used it with perfect satisfaction. It is not a dye, but a preparation designed especially for the purpose of gradually restoring color to gray or faded hair, and which is easily applied by simply combing or brushing through the hair. "La Creole" Hair Dressing positively eradicates dandruff, keeps the scalp in a healthy condition and promotes the growth of new hair; brings back a natural, soft, even, dark shade to gray or faded hair, and makes it lustrous, full of life and beautiful.

USE "LA CREOLE" HAIR DRESSING to prevent your hair from growing gray and to restore a beautiful dark color to gray or faded hair. For sale by Sherman & McConnell Drug Stores and all good drug stores everywhere. Mail orders from out-of-town customers filled promptly upon receipt of regular price, \$1.20. "La Creole" Hair Dressing is sold on money-back guarantee.—Adv.

Try Making Your Own Cough Remedy

You can save about \$2, and have a better remedy than the ready-made kind. Easily done.
If you combined the curative properties of every known ready-made cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.
Get from any drugist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.
This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty, irritated tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.
A day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better.
Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs.
To avoid disappointment, ask your drugist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

George W. Berge For Attorney General Vote for Him

PERRY WHEELER LAWYER for Municipal Judge

Number Riding on Passes Rivals 'Crowds' of 'Pop' Days

From a Staff Correspondent.
Lincoln, Oct. 29.—(Special.)—While Mr. McAdoo, director general of the railroads of the United States, is writing advertising posters telling the people what "I" want them to do, the public in general is having a lot of fun riding on Mr. McAdoo's trains for nothing and reading his advertising while they ride.
C. A. Robbins, a well known attorney of Lincoln, has just returned from a trip to the west. He says never in his experience, not even in populist days, has he seen so many people riding on passes.
"On our Pullman there were just 16 people," said Mr. Robbins, "and I know from my own observation that four of these, all young men, who from their conversation had been on a vacation, were riding on passes and had Pullman passes also. The porter was doing considerable

kick because so many people riding on Pullman passes, who were using upper berths, did not pay something extra and use the lower berths which were not so hard to make up."
According to other people this matter of free passes has been commented on quite freely and they are wondering if the raise in railroad fare was for the purpose of discouraging traveling so that so many and large trains would not have to be used, why the administration encourages more traveling than ever before by the issuance of passes.
Railroad men say that never in their recollection has the pass travel been so heavy as in the past few weeks.
A gentleman from Boston in conversation with Mr. Robbins, told him it seemed to him half the people on the trains were riding free.

Potash Industry Due for Body Blow Under Wilson Plan

Lincoln, Oct. 29.—(Special.)—If the president's idea is carried out regarding free trade with other countries, as shown in his peace program, it will mean that the potash industry of Nebraska will receive a body blow greater than that given it by the wrangling over leases by the state board of public lands for two years.
People in this neck 'o woods, who have studied the president's program for peace, are of the opinion that it will simply mean that Germany will be able to send her potash into this country under the president's program for about \$25 to \$30 per ton, while today potash of Nebraska is commanding \$100 per ton or more.

Institute for Feeble Has 230 "Flu" Cases

Beatrice, Neb., Oct. 29.—(Special.)—Miss Beulah Bell of Diller, Neb., who went to Hiawatha, Kan., a few weeks ago to visit her sister, committed suicide by drinking a large quantity of carbolic acid. Dependence over ill health is assigned as the cause. She was 22 years of age.
Ursel Purdy, son of Mr. and Mrs. Charles Purdy, died in Camp Dodge Ia., Sunday, aged 27 years. He left last summer with a contingent of draft men from this county. The remains were brought here yesterday for burial.

The number of influenza cases in the feeble minded institute here, where there are 600 inmates, has reached 230. Of this number only 8 deaths have occurred. Eight employees have been ill of the disease, and Dr. Burford, assistant superintendent, who has been in a critical condition, is reported better. Over one hundred cases at the institution have already made complete recoveries.
Mrs. Minnie King died Sunday at the home of her parents, Mr. and Mrs. A. M. Miller, three miles west of Pickrell, of influenza, aged 22 years. She leaves her husband who is stationed at Camp Grant, Ill.

Bar of His Home County Endorses Judge Letton

Fairbury, Neb., Oct. 29.—(Special.)—The Jefferson County Bar association has adopted resolutions enclosing Charles B. Letton, now a judge of the supreme court, for reelection, reciting further:
"Whereas, the members of the Jefferson County Bar association desire unanimously to express our gratitude to Judge Letton for his kindness to all of us when we were struggling young lawyers; our appreciation of his fairness and honor as a practitioner; his uprightiness and ability as a district judge; his learning and acumen as a judge of the supreme court and above all to express to him our regard and love as neighbors, citizens and friends.
"Resolved, That we urge every voter of Jefferson county, inasmuch as the office of supreme judge is non-partisan, to cast a vote for Charles B. Letton for supreme judge. Let this county, which knew him in the days of his struggle upward, give him 100 per cent of its vote."

Shumways Called to Wyoming By Illness of Son-in-Law

Lincoln, Oct. 29.—(Special.)—Land Commissioner Shumway and Mrs. Shumway left last night for Denver in response to a telegram that their son-in-law, John Rider of Lingie, Wyo., was not expected to live. Mr. and Mrs. Rider were on an automobile trip and word was received that he was ill with influenza. Mrs. Shumway was preparing to leave yesterday evening when another message came that he was not expected to live, and Mr. Shumway accompanied her on the trip.

Fire Destroys Garage In West Point, Neb.

West Point, Neb., Oct. 29.—(Special.)—About midnight Sunday, fire broke out in the brick garage of the Fieser Motor Co., at West Point. In spite of the unfavorable weather and the great scarcity of water at the municipal reservoir, the fire department succeeded in checking the fire and saving adjacent property. A number of new automobiles, some car bodies, large number of tires, casings, inner tubes and other accessories, were destroyed. The loss will aggregate about \$8,000.

Rain and Sleet Damage Telephone Lines in Geneva

Geneva, Neb., Oct. 29.—(Special.)—Rain started falling here last Friday morning and kept up until Saturday night, when it turned to snow and sleet and continued up to noon Sunday. It was the worst ice storm in years, and caused considerable damage to telephone lines and trees. Two and one-quarter inches of rain fell here last week, making four inches for the month.

Thomas Feigh, Founder of Lincoln, Dies in Chicago

Word has been received of the death of Thomas Feigh, who died Tuesday morning in Chicago, Ill. Mr. Feigh was one of the oldest pioneers of the state and was the man who first homesteaded the site where Lincoln now stands.

PHONE RATES IN OMAHA RAISED BY NEW DECREE

State Railway Commission Gives Order Increasing Charge for Service in North Platte Territory.

From a Staff Correspondent.
Lincoln, Oct. 29.—(Special.)—The Nebraska Telephone company has been granted an increase in rates by the Nebraska State Railway commission while it will give the company an increase in revenue of \$425,000 per annum. The increase is on an emergency and for a period of six months.
The fact that Postmaster General Burlew and a committee appointed by that purpose is agitating and will probably put into effect a system of telephone rates all over the United States is one reason for the raise.
The other reason is that because of the high wages paid employees of the railroads, the roads have been drawing employees from the telephone companies until the matter, it is said has simply become a proposition of raising rates to procure sufficient funds to pay employees to keep them from going to the railroads.
Under the raise \$350,000 of the amount will go for increases in wages, \$60,000 for increase in taxes and \$20,000 for increase in materials. Beginning November 1, there will be a 25 per cent increase in tolls and on December 1 a 10 per cent increase in exchange rates. The order affects companies operating in Omaha and north of the Platte river.

Serbian Prelate, Who Founded Colony and Churches, Dies

Kearney, Neb., Oct. 29.—(Special Telegram.)—Rev. Nicola E. Yancy, Serbian prelate, died here today of influenza at the age of 44 years. Rev. Mr. Yancy was the founder of the Serbian colony in this city and since building up the Syrian churches in this section was appointed a missionary to cover a district from Canada to the gulf and from the Mississippi to the Rocky mountains. Archbishop Germanos is expected from Brooklyn to officiate at the funeral.

Pioneer Resident of Rising City Dies Monday

Rising City, Neb., Oct. 29.—(Special.)—Mr. William Stephens, Sr., who has been a resident of Butler county for 18 years, died this morning. He had been ailing for several months, but was confined to his bed only a few days. The funeral will be conducted from the home Wednesday afternoon at 2:30.
There has been but few cases of "flu" in Rising City, if we have had any cases at all, and not a single death has occurred from it.

Former County Clerk Dies in Gothenburg

Gothenburg, Neb., Oct. 29.—(Special.)—Former County Clerk Charles A. Morell died October 26 from influenza and complications which followed the disease. Mr. Morell was one of the oldest citizens in the county, having lived here for 34 years. He is survived by a wife and one daughter who live here, and one sister in Vancouver, Wash.

Holy Land Stricken Sorely; People of Lebanon Starve

Washington, Oct. 29.—Relief work on a far greater scale than now is being administered by the American Red Cross among the civilian populations of the Holy Land. It is immediately necessary if thousands of men, women and children are to be saved, said a cablegram received at Red Cross headquarters today from Dr. John H. Finley, Red Cross commissioner for Palestine.
One-third of the population of Lebanon has died of starvation and disease due to lack of nourishment, many villages are depopulated and in ruins and thousands of persons are in dire need as the result of epidemics, prohibitive prices of food and inability to get work, Dr. Finley said.
Conditions in many of the hospitals are deplorable because of the shortage of physicians. More than 10,000 sick civilians have been cared for by the Red Cross in a single month.
There are 10,000 Armenian refugees in and about Damascus and 3,000 more in the Hanuran district, the cablegram stated.

WOMAN'S FITNESS FOR WAR WORK

There's no question of women's right to enter war activities—to take the place of the men now at the front. Indeed they would seem to have many points of superiority over men in some of the industrial fields which they are now entering. But to take men's burdens the women must be strong—must have iron nerves and good blood. So many women these days are frail, nervous, borne down by the pains and aches peculiar to their sex. A sex tonic and nerve builder is needed, such as Dr. Pierce's Favorite Prescription.
An affection confined to women must have its cause in the womanly nature. There is no doubt that a diseased condition of the delicate womanly organs, is in general responsible for feminine nervousness and an undermined constitution. The use of Dr. Pierce's Favorite Prescription makes women happy by making them healthy. "Favorite Prescription" is an herbal tonic for female weakness. It makes weak women strong.
Dr. Pierce's Favorite Prescription has been for nearly 60 years the most favorably known herbal tonic for women. Ask your neighbors! The "Prescription" is sold in tablet or liquid form. Send ten cents to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for large trial package. Drugists sell the tablets in 60-cent packages.
Men and women are many times tempted to ask their family physician questions on delicate matters. Such questions of sex are answered by the "Medical Adviser." The nursing of the sick, first aid to the injured, accidents and emergencies, anatomy, physiology, hygiene, the human temperaments, the origin and transmission of life, the brain and mind, are treated of in an original and comprehensive manner, in harmony with the latest scientific discoveries. This book formerly sold for \$1.50. For a limited time—while they last, this book can be obtained for 50 cents at the prominent drug stores in town, or write Dr. Pierce, the publisher, Invalids' Hotel, Buffalo, N. Y.

Lander Woman Gives Fourteen Children To Serve in France

Lander, Wyo., Oct. 29.—(Special.)—Ten sons serving in France as officers in the U. S. army, three daughters serving in France as Red Cross nurses, and another daughter in New York ready to sail as a Red Cross nurse, is the record of Mrs. Mary Brown of Lander, who has been presented with a service flag bearing 13 stars and a vacant place for another soon to be added.
Mrs. Brown is a half-breed Shoshone Indian, who married a white man, from which union 20 children were born, of which number 16 are still living. The 10 sons in France are all graduates of the Carlisle school. Mrs. Brown has received a letter from President Wilson in which he commends her unusual sacrifice on the altar of war.

Fremont "Flu" Epidemic On Wane Says Physician

Fremont, Neb., Oct. 29.—(Special Telegram.)—City Physician H. N. Morrow announced today that the influenza epidemic is on the wane in Fremont. Out of a total of 400 cases reported to date less than 100 cases are now under treatment. The number of pneumonia cases, resulting from influenza is on the increase, however. Clyde E. Scott, a real estate dealer, 34 years of age, died following an illness of a few days from influenza. Mr. Scott is survived by his wife and a small daughter. He came to Fremont from Neligh last spring.
The second death as a result of the epidemic in the Union Pacific yards last Friday, when a switch engine crashed into a box car from which section men were unloading ties, occurred at an Omaha hospital when Alvah H. Rischel, 53 years of age, succumbed to injuries. The body was taken to Gretna for burial.

Dodge County Pioneer Dies in Los Angeles

Fremont, Neb., Oct. 29.—(Special Telegram.)—Mrs. Emma L. Barnard, widow of E. H. Barnard, surveyor and plater of the townsites of Fremont, died in Los Angeles, Cal. Mrs. Barnard was a native of New York and was 84 years of age. Her marriage to Mr. Barnard in New York took place in 1858 and they came to Fremont to make their home. The Barnard's home was a social center in early days. Eight years ago they removed to Los Angeles to make their home with their sons, Wallace and Ned. Mr. Barnard died eight years ago. The body will be brought to Fremont for burial.

Prominent Fremont Man Dies of Spanish "Flu"

Fremont, Neb., Oct. 29.—(Special Telegram.)—The funeral of Otto Pohl, Fremont druggist, who died Saturday night, following an attack of influenza, was held this afternoon. The Rev. W. H. Buss, former pastor of the First Congregational church, preached the sermon. All drug stores of the city were closed during the funeral. Masonic burial ritual was carried out at the residence and the grave. Mr. Pohl was a Knights Templar and thirty-second degree Mason.

RAILROAD MAN RESENTS GRACE ELECTION PLEA

Praises Senator Norris for Stand in Congress on Legislation Affecting Railroad Men.

From a Staff Correspondent.
Lincoln, Oct. 29.—(Special.)—A Lincoln railroad man, who of course does not desire his name published for the very good reason that he does not want to lose his job, after reading the letter sent out by S. H. Grace, secretary-treasurer of the division of railway employees asking that railway men support the democratic nominees in this state, had this to say in answer:
"The letter of Samuel Grace to all members of the railroad brotherhood, asking them to vote for Morehead for senator and Neville for governor has been read by me. If railroad employees are thus to be secretly induced to vote against Senator Norris, this organization will be used to defeat one of the most faithful champions we ever had in the halls of congress."
"Senator Norris has always been one of the best friends the workingmen have had in public life and the head officers of the various railroad brotherhoods, who have been in Washington in the interests of railroad men know this to be a fact. One notable instance is

HUNGARY SET FREE BY EDICT OF CHARLES

Will Seek Peace at Once and Join League of Nations, Announces Archduke Joseph.

Copenhagen, Oct. 29.—Archduke Joseph has issued a proclamation stating that Emperor Charles has charged him with the task of securing the complete independence of Hungary, a dispatch from Budapest says.
The proclamation adds that peace will be aspired to at once and Hungary will join a league of nations, her integrity and unity being the first aim.
Want Troops Removed.
Paris, Oct. 29.—(Havas.)—Czechoslovak deputies, in the course of an audience with Emperor Charles of Austria asked that Austro-German troops be removed from their portions of the empire and that Czechoslovak regiments be returned, according to a dispatch from Vienna. It is said that they made it clear to the emperor that an internal investigation might ensue if the request was not granted.
Abolish Censorship.
Berne, Switzerland, Oct. 29.—The new Austrian government has abolished censorship of the press, a report from Berlin says.

"Flu" Force is Spent at Fort, Patients in the Hospital Near Normal

The influenza situation at Fort Omaha is greatly improved, according to Maj. P. C. Van Nostrand, executive officer, who reported Tuesday that there were no deaths Monday and that there have been very few new cases during the last week.
"The number of patients in the hospital is now almost normal," declared the major, who stated that scores of former flu patients have recovered and have now returned to their companies.

An Announcement

All of Our Brands of COFFEE ADVANCED Last Monday 5c Per Pound

Coffee drinkers of this part of the country have been buying coffee for several months without an advance because the roasters themselves assumed numerous advances until they aggregated 5 cents.

Butter-Nut, "The Coffee Delicious," is now 40c per lb., 3 lb. can, \$1.15 each

We have never changed the high value of our brands, nor will we, and never change the grades in a brand to overcome an advance in cost, for you know our trade would rather pay the necessary price and get the same quality.

Omaha

Pay Your Money and Take Your Choice:

Oct. 26th, Dr. Manning, Health Commissioner, is quoted: "The damp weather of Saturday is extremely favorable to propagation of the disease. A 'flu' germ outside of the human body can only live about 15 minutes in dry, sunny weather. But in damp weather its lease on life is much longer."
Oct. 26th, dispatch to the Bee: "St. Paul, Minn.—Eminent physicians here today said snow and wet weather will help prevent spread of influenza."

WHEN DOCTORS DISAGREE—But then, who ever heard of two doctors agreeing? They tell us the "flu" germ is so small it cannot be seen by the most powerful microscope—so one guess is as safe as the other. The various medical opinions on the "flu" are full of such amusing contradictions, yet Dr. Manning, Health Commissioner, is **vaccinating against influenza.**

I am opposed to all kinds of serums and vaccines, because it is against common sense to inject a foreign poison into the body. REMEMBER the 200 children at the Madison School who were poisoned last year. But I do not ask you to accept my opinion. Read what the Journal of the American Medical Association says editorially concerning "Vaccines in Influenza."

Issue of Oct. 19: Report of special investigating board, DR. ROSENAU, chairman. "The evidence at hand affords no trustworthy basis for regarding prophylactic vaccination against influenza as of value in preventing the spread of the disease, or of reducing its severity. * * * further experimental evidence should be collected."
Issue of Oct. 26th: "How slender the basis for this anti-influenzal vaccination when it is considered that the real nature of influenza is unknown!"

DO YOU WANT TO BE EXPERIMENED ON?

When "modern medical science" after years of experience with gripple and influenza has to fall back on whiskey and aspirin—two drugs heretofore in disrepute with the profession—isn't it time to stop swallowing conflicting medical theories and turn to a sane, logical method? Chiropactic adjustments will make your body 100% efficient, and then you can laugh at germs—invisible or otherwise. Others have found health, why not YOU?
