# YANKEES STORM ONWARD; TERMS FIXED FOR AUSTRIA

**CITY QUARANTINED FOR KEEPING SALOONS OPEN**  
Harrisburg, Pa., Nov. 1.—As a result of the controversy between authorities at Lancaster and the acting state health commissioner over the refusal of the city to obey an order keeping the saloons closed because of the influenza epidemic, the commissioner tonight declared that city to be under quarantine. All railroad and street railway companies and other common carriers were directed to discontinue carrying passengers to or from the city except federal and state officials on official business.

**SOLDIER WHO DESERTED GIVEN PARDON BY WILSON.**  
Washington, Nov. 1.—Private Clarence E. Sperry, Three hundred and forty-third field artillery, sentenced to death by court-martial because he twice deserted to join his partially paralyzed wife and their three children, has been set free by order of President Wilson. The president set the sentence aside because the offense was due to the soldier's "very proper solicitude for his family," and directed that a copy of his endorsement be handed to Private Sperry. As a stimulus to him to remember the fidelity and diligence which he required of soldiers called to defend their country.

**CONVICTED OF CRIME FOR CALLING A STRIKE**  
Chicago, Nov. 1.—James Lynch, John Haley and Michael Norris, former business agents for teamsters' unions, were found guilty by a federal jury tonight of interfering with interstate commerce in violation of the Sherman act by calling a strike five years ago. The strike lasted three days and resulted in one murder. The jury's verdict was based on testimony that the strike delayed unloading of cars and made necessary rerouting of some cars. Penalty for the offense is fixed at not more than one year of imprisonment, a fine of \$5,000 or both. Counsel for the defendants made a motion for a new trial.

**McADOO LIFTS VOICE ON BEHALF OF SMOKERS**  
Chicago, Nov. 1.—W. G. McAdoo, director general of the railroads, today in Chicago, where smoking cars and compartments have been removed from street railway equipment at the direction of health authorities during the influenza epidemic, expressed himself as "a friend of the smoking car where a man may enjoy his ride in comfort."  
"Personally," said Mr. McAdoo, "I believe one can get influenza as easily in a parlor car as in a smoking car. It seems to me smokers should not be taken off trains unless it is shown they contribute to the spread of the influenza epidemic. In no case is it made to abolish the smoker, I will be guided largely by the recommendations of the public health experts in my department."

**WIDOW KILLS 7 SONS AND LEAPS INTO FIRE.**  
Havana, Cuba, Nov. 1.—Grieving over the death of her husband, who had died of influenza, Mrs. Carmen Lavera, aged 34, of Camaguiy, yesterday killed her seven young sons. She then placed the live stock of the farm in a line and after setting it afire, leaped into the flames. She was rescued in a serious condition by soldiers.

**RED CROSS MEMBERS MAY ACT AS SANTA CLAUS.**  
Washington, Nov. 1.—Members of the American Red Cross may act as "Santa Claus" to members of the American expeditionary forces in France who might not otherwise be remembered at Christmas under a plan announced today by the war council.  
Each of the more than 2,000,000 soldiers in France has received a Christmas parcel label with instructions to send it to the relative or friend from whom he prefers to receive a gift. In a number of cases it has been found that soldiers have no one to whom their label may be sent, and they have been instructed to send them to Red Cross headquarters in Washington.

**FLU LID IS OFF; GAYETY STARTS WITH S. R. O. SIGN**  
First Show at Midnight to Capacity House at Gayety Marks Resumption of Old Order.

The lid is off. Old man Johnson and his Gayety burlesquers were the first in Omaha to heave the lid. The cover came off at midnight and just a minute or two later, Fred Irwin's Majesties, one and all, seized the offending obstacle to show-joy and sent it sailing so far that it will never come back. It was a happy, frolicsome company, amusement hungry, that watched the Gayety at 12:01 a. m. to celebrate the flu freedom.

The town had begun to awaken from its lethargy of the last month earlier in the evening and the streets were more like normal. Restaurants and cafes were well filled and there were numerous other evidences that life in the old town was coming back to normal.

The burlesque show was just a "little more burlesque" than usual, and the pleasure of the large audience was not at all dampened by the late hour at which the show was held.

The star of Fred Irwin's show, Florence Bennett, never failed to get applause especially on her "Night of Love."  
Roscoe Ails, The Nut, literally brought the house down with his peculiar slide.

## FLEET AT POLA SURRENDERS TO SLAV COUNCIL

**Croatians Holding Naval Base at Fiume Proclaim Their Union With Italy; Battle Continuing and Expanding While Negotiations for Armistice Proceed Between Military Commanders.**

**BULLETINS.**  
London, Nov. 1.—General Diaz, the Italian commander-in-chief, handed the armistice terms to the Austrian commander today, according to the Evening Star. The terms of the armistice, the newspaper adds, will be published tomorrow.

Paris, Nov. 1.—The Austro-Hungarian commander on the Italian front, in asking General Diaz for an immediate armistice, argued that under such an arrangement Venetia would be evacuated without damage to the cultivated areas, according to a Budapest dispatch to L'Information.

**AUSTRIAN FLEET SURRENDERS.**  
London, Nov. 1.—The Austrian fleet at Pola, the naval base on the Adriatic sea, has surrendered to the southern Slav council, according to a dispatch received by the Central News agency.

A German wireless dispatch picked up by the British admiralty tonight says that according to an imperial proclamation the Austro-Hungarian navy has been handed over to the south Slav national council sitting in Agram.

Copenhagen, Nov. 1.—According to Hungarian reports sailors at Pola, the great Austrian base on the Adriatic, have mutinied, and seized the warships there.

Croatians, who completely occupy the naval base of Fiume, on the Adriatic, have proclaimed their union with Italy, according to a dispatch from Berlin to the Berlingske Tidende.

A dispatch from Rome to the Paris Temps, under date of October 27, said that the Austrian fleet had been hastily concentrated at Fiume. A few vessels remained at Pola, the dispatch added, but all the ships that were at Mattaro had left that port.

**BATTLE EXPANDING.**  
Rome, Nov. 1.—The statement issued by the Italian war office says the battle is continuing and is expanding. The Austro-Hungarians are maintaining resistance from Stelvio pass to the Astico.

Italian cavalry divisions have destroyed the enemy resistance on the Livenza river. They have re-established crossings over the stream and are marching towards the River Tagliamento.

Feltre, a town in the Italian mountain region about 10 miles north of the old battle line, was entered last night by the Bologna brigade.

The statement follows:  
"The battle continues to expand. The enemy maintains intact his resistance from Stelvio to the Astico, but he is vacillating on the Asiago plateau and in full retreat along the remainder of the front. He is protected more by interruptions in the roads than by his rearguards, who are irresistibly overwhelmed by our troops, enthusiastically occupied in the pursuit."

**Resistance Overcome at Livenza.**  
"Our batteries, brought forward quickly with captured enemy artillery, are intensely shelling the roads than by his rearguards, who are irresistibly overwhelmed by our troops, enthusiastically occupied in the pursuit."

## Armistice Accepted by Turkey Amounts to Complete Surrender And Opens Black Sea to the Allies

**Great Britain Denies Having Made Bargain Involving Armenia**

London, Nov. 1.—With reference to rumors circulating here that the armistice with Turkey includes clauses by which Turkey would retain sovereignty over Armenia and other provinces, the foreign office authorizes the statement that there is no truth in the suggestion that any secret political agreement is annexed to the armistice with Turkey.

London, Nov. 1.—The armistice accepted by Turkey amounts to "complete and unconditional surrender."  
This statement was made by Lord Robert Cecil, assistant secretary of state for foreign affairs, to the Associated Press tonight.

The terms of the armistice, granted by the allied powers to Turkey, are as follows:  
First—The opening of the Dardanelles and the Bosphorus and access to the Black sea. Allied occupation of the Dardanelles and Bosphorus forts.

Second—The positions of all mine fields, torpedo tubes and other obstructions in Turkish waters are to be indicated, and assistance given to sweep or remove them, as may be required.  
Third—All available information concerning mines in the Black sea is to be communicated.

Fourth—All allied prisoners of war and Armenian interned persons and prisoners are to be collected in Constantinople and handed over unconditionally to the allies.  
Fifth—Immediate demobilization of the Turkish army, except such troops as are required for surveillance on the frontiers and for maintenance of internal order. The number of effectives and their disposition to be determined later by the allies after consultation with the Turkish government.

Sixth—The surrender of all war vessels in Turkish waters or waters occupied by Turkey. These ships will be interned in such Turkish port or ports as may be directed, except such small vessels as are required for police and similar purposes in Turkish territorial waters.  
Seventh—The allies to have the right to occupy any strategic points in the event of any situation which threatens the security of the allies.

Eighth—Free use by allied ships of all ports and anchorages now in Turkish occupation and denial of their use by the enemy. Similar conditions are to apply to Turkish mercantile shipping in Turkish waters for the purpose of trade and the demobilization of the army.

Ninth—Allied occupation of the Taurus tunnel system.  
Tenth—Immediate withdrawal of Turkish troops from northern Persia to behind the pre-war frontier already has been ordered and will be carried out.

Eleventh—A part of trans-Caucasia already has been ordered to be evacuated by Turkish troops. The remainder to be evacuated if required by the allies, after they have studied the situation.  
Twelfth—Wireless telegraph and cable stations to be controlled by (Continued on Page Two, Column Seven.)

**TWO MEETINGS AT SAME PLACE MAY BRING CLASH**  
Something Not on Program May Be Staged Tonight at Downtown Corner.

Will there be fun a-popping tonight at Fifteenth and Farnam? Perhaps there will be. It all depends.  
Be it known that, as soon as the "fun" ban on public meetings was lifted, application was made to Mayor Smith by Secretary Hollister for the Republican county committee for a permit for a series of Saturday night street-corner assemblies to be addressed by the republican candidates, headed by McKelvie for governor and Jefferis for congress.

**WAR COUNCIL PROCEEDINGS HELD SECRET**  
President Wilson in Close Touch With Conference at Versailles, Through Colonel House.

**BULLETIN**  
London, Nov. 1.—The Versailles conference finally agreed late yesterday on the armistice terms governing the maritime powers of the Central empires. The proposals contain six points which are believed to throw every safeguard around the German fleet.

Washington, Nov. 1.—President Wilson today continued exchanges of communications with Col. E. M. House. Late in the day President Wilson went to the state, war and navy building for a conference with Secretary Baker.

Thus far no inkling has been given here as to the proceedings of the supreme war council, which convened today to arrange an armistice for Germany and Austria or of exchanges at Paris between representatives of the entente nations and Colonel House, before the council's sessions, began. Colonel House has been keeping the president in close touch with events.

Such official information as the State department had today from what had once been the vast dual empire indicated that very little remained of that structure, owing to separation of Hungarians, Bohemians and Jugo-Slavs, from the parent state. Even in that remnant of a once mighty empire grave disorders are reported and its total collapse was believed imminent.

## PERSHING'S BOYS RESUME ADVANCE ON VERDUN FRONT

**Line Now Extends Through Bois des Loges Eastward, Then Well North of Aincreville and Clerly-le-Grand; Ground Gained in New Smashes by Allies in Other Sectors.**

**By Associated Press.**  
With the American Forces Northwest of Verdun, Nov. 1.—General Pershing's forces attacked the German positions on this front today. At least a dozen villages were captured. More than 3,000 prisoners were taken.

Soon after noon the American troops had passed Icourt and Bayonville. The Americans stormed Andevanne and cleared the Bois Des Loges, where they encountered the most serious opposition of the day.

The line at 6 o'clock this evening extended through the northern part of the Bois Des Loges to the eastward and then well north of Aincreville and Clerly-le-Grand. Most of the villages captured had been fortified by the Germans.

**OPPOSITION OVERCOME QUICKLY.**  
Preceded by the heaviest artillery preparation yet used by the Americans, the infantry went over the top at 5:30 a. m., all along the line. By 8 o'clock the troops had taken Champigneulle, St. George, Landres-St. Georges and the Lan D'Huy farm and 2,500 prisoners.

There was opposition only at the outset. This was carried out by brisk machine gun fire for from 20 to 30 minutes, when it ceased off and enabled the troops to advance without serious fighting.

Later stiff opposition developed in the Bois Des Loges and continued for some time, but before noon all the objectives along the entire front had been gained.

**ARTILLERY SMOTHERS ENEMY.**  
The advance of the Americans increased materially the feasibility of firing at the Mezieres, Sedan, Montmedy and Longuyon railroad communication, and now that they are so much nearer, direct hits can be expected with regularity.

**War Council Meets In Calm Environs of Quiet Old Rose Room**

Paris, Nov. 1.—(By Associated Press)—The prime ministers of the allied countries for several days have been doing the principal part of their work in the small back parlor of the apartment occupied by Colonel House. The large windows of the parlor overlook a little garden. The rugs and upholstery are old rose in color. All in all, the parlor is tranquil and peaceful looking, similarly inexpressive of the magnitude of the world interests being decided there.

A small American telephone exchange has been put into the apartment by the army signal corps and an American telephone girl manipulates the plugs, reading between times a novel of western American life. The telephone wires run from the various army headquarters and also from the foreign offices in London and Rome. The whole impression is a blend of the old world and the new.

**Soldier Takes Bride In First Wedding In Y. W. C. A.**

Though the Y. W. C. A. building has been in use for 10 years it was, for the first time, the scene of a wedding Friday evening.

Friday afternoon Miss Alma Hillemier of Tulare, S. D., entered the building and asked for Miss Etta Pickering, general secretary.

"I have come all the way from South Dakota to marry my soldier," she confided, "and I can't bear a wedding in a judge's office. My mother can not be present, but I wondered if you wouldn't let me be married here tonight."

Consent was at once given and preparations made for quite an elaborate affair at 8 p. m. Charles Rice of Hartford, S. D., the bridegroom, is a guard in the quartermaster's department. He has been in Omaha but a few days and has no friends here. A telephone call to Fort Omaha secured Elton B. Christian as best man. Miss Galena Stowell, one of the Y. W. C. A. secretaries, acted as bridesmaid, and the Rev. Denton E. Cleveland performed the simple ceremony.

The bride wore white crepe-de-chine and a beautiful lace veil and carried a bouquet of white and pink roses. Miss Minnie Nelson sang "O, Promise Me," and Miss Pauline Trout played the wedding march. Guests invited by Miss Pickering included representatives from each of the seven organizations in the United War campaign.

After the ceremony a delicious lunch was served by Ethel Niermeier, Louise Stegner, Blanche Eads and Dorothy Gray, who were dressed as maids and wore coquettish little lace caps.

The young couple will make their home in Omaha as long as Mr. Rice is stationed here. "I feel that I have some real friends here now," declared the bride.

Both the young people were much pleased with the impromptu wedding arrangements. When last seen the bridegroom was hunting for the kitchen to help wipe dishes. He said he wanted to start practicing his domestic duties at once.
