The first 10 states to subscribe their full quotas in the united war work campaign, which starts November 11, will be awarded the honor of having a hut in France named after them, according to announcement from national headquarters received in Omaha Friday morning.

Nebraska has already started its work to become one of the lucky 10. There will be five Y. M. C. A. huts, three Knights of Columbus and two Salvation Army huts upon which the names of these patriotic states will be emblazoned. The huts will be movable, and will follow the Hun to his back door.

Among those most prominently mentioned as "prospects" are: Governor Arthur Capper of Kansas, Governor Walter Edge of New Jersey, Mrs. August Belmont, Irvin S. Cobb, Dr. John Grier Hibben, president of Prince-ton; Burton Holmes, Judge Alton B. Parker, Commander Evangeline Booth of Salvation Army, William Jay Schieffelin, Oscar Strauss, Rabbi Stephen S. MOMENTOUS PROBLEMS. No man is wise enough to forecast the economic consequences of this war. Railroad rates and service, due to the war, are in a state of chaos. Constructive action by those experienced in railroad operation and regulation is imperative if the rights of the public are to be protected. Mr. Taylor's experience is, therefore, invaluable at this particular time. He is in the prime of life, has demonstrated natural ability for the work of regulation, has been courageous and honest in the performance of the trying duties of his office, and is deserving of re-election.

HE SOLICITS YOUR SUPPORT.

TO THE VOTERS OF NEBRASKA:

Political considerations should not affect your vote on Railway Commissioner. Experience, ability, industry, courage and integrity should be the controlling factors. Four years service with Mr. H. G. Taylor, Republican Candidate for re-election on the State Railway Commission, convinced me of his ability to measure up to the highest standard in every respect.

Men of his standards and experience are needed to help solve the difficult questions of reconstruction which will follow the war. I recommend him unreservedly and without qualification.

> HENRY T. CLARKE, Former Chairman State Railway Commission.
