A New Method for Removing Wrinkles Which Never Fails .- It Is Now Possible to "Wipe Off" Superfluous Hairs-How to Force Hair Growth. By Valeska Suratt.

D ID you ever notice how a coarse skin, or one with large pores, will always show the most wrinkles? This discovery points to the secret of removing on wrinkles. The pores "brace up," and the skin becomes much finer in texture. This could be illustrated by mentioning the difference in texture between cheese and "muddiness" in quiek time. Get from your druggist an onnee package of intentione. By making the pores smaller, the skin ceases to be cheeseloth in texture; it becames fine and plump as that of a baby. Making the pores smaller, and thereby eliminating wrinkles is almost of this wonderful blemish-remover. Apply this gentle, and thereby eliminating wrinkles is almost of this wonderful blemish will disappear almost as by magic. You can get the zintone at any drug store.
