The Murphy woman refused and Keegan assaulted her and wrecked the furniture in her apartment. Keegan gave bond to appear in court on the latest charge.

DOCTOR GIVES RECIPE FOR GRAY HAIR

Well Known New York Physician Gives Recipe for a Home-Made Gray Hair Remedy.

A. L. Paulson, M. D., who has practiced medicine in New York City for many years, gave out the following recipe for a home-made gray hair remedy: "Gray, streaked or faded hair can be immediately turned black, brown or light brown, whichever shade you desire, by the following simple remedy that you can make at home:

"Merely get a small box of Orlex powder at any drug store. It costs very little and no extras to buy. Dissolve it in water and comb it through the hair. Full directions for mixing and use come in each box.

"You need not hesitate to use Orlex as a \$100.00 gold bond comes in each box guaranteeing the user that orlex does not contain silver, lead, zinc, sulphur, mercury, antine, coal-tar products or their derivatives.

"It does not rub off, is not sticky or greasy and leaves the hair fluffy. It will make a gray haired person look twenty years younger."—Adv.

WOMAN'S CLUB PLANS WAR WORK FOR NEXT YEAR

Women Pledge Support to the United War Fund and Will Continue to Help Patriotic Enterprises.

Miss Ritza Freeman gave the opening speech for the meeting of the Omaha Woman's club, which was held Monday afternoon at the Y. W. C. A. Miss Freeman gave a stirring talk on the needs of the great war program, asking the support of every member of the club in making the United War Fund drive, which will be held November 11 to 18, a success. Owing to the many calls which have been made upon the club, the treasury is somewhat depleted at this time and the club will make no contribution as a whole. Mrs. A. L. Fernald, president of the club, urged every member to give, individually, following Miss Freeman's plea.

Mrs. Fernald, who attended the biennial recently held at Hot Springs, Ark., gave a detailed report of the proceedings and outlined the work of the club for the coming year. War work will be held in conjunction with the regular club activities. Mrs. Fernald urged the interest of the women in the art department, and of music, emphasizing the need of these branches during war times.

The program of the afternoon was under the direction of Mrs. W. S. Knight, chairman of educational department. Rev. W. O. Anderson of the Cavalry Baptist church was speaker of the afternoon, talking on the immigration question and the serious problem which will confront America after the war.

MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid. If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.

D. D. D. BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

The pleasant little tablets do good that calomel does, but have no bad after effects. They do not injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "biliousness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

DEMOS FRANTIC; RUSH RESERVES IN LOSING RACE

Everything Sacrificed in Effort to Save Neville-Morehead Section of the Slate.

In their eleventh-hour desperation the scared democrats are rushing reserves up in an effort to save the Morehead-Neville sector of their disorganized lines. Their tactics during the last few days indicate that they intend to ditch all others and stake everything on their senatorial and gubernatorial candidates.

In evidence of this the democratic state committee is making specious appeals on the basis of religion and race sympathies. For instance, they are still harping about a circular which they charge upon Mr. McKelvie, relating to the State Council of Defense and the Lutherans. Notwithstanding that McKelvie denied that he had anything to do with this circular and challenged the democrats to prove their assertions, the democrats persist in their mendacious charges.

Letters Proved Fakes. McKelvie has stated repeatedly that he has in his possession indubitable evidence that letters which appeared in newspapers of the democratic machine were absolute fakes.

The democrats have inveigled a Bohemian who is on the state payroll to write an appeal to Bohemians in behalf of the democratic candidates. Members of the Douglas county democratic committee know that the Bohemians are naturally in sympathy with the republican cause at this election, and they are fully cognizant of the reasons which prompt the Bohemians to support republican candidates.

The democrats find themselves in the most desperate situation they have encountered in many years, which explains why they are fighting at this time with their backs to the wall.
