

CAPPER CHOSEN U. S. SENATOR BY KANSAS VOTERS

Returns Point to Success of Entire Republican Ticket; Democrats Claim Five Congressmen.

By Associated Press. Topeka, Nov. 5.—Reports from all over the state indicate that the republican candidates, state, senatorial and congressional, have been elected.

Later returns indicate a close race in the Eighth district between Ayres and Mack.

In this city Governor Cappe is running ahead three to one, or fully as strong as he did two years ago when he carried the state by 140,000.

Meager reports received at the republican state headquarters show a heavy republican plurality in the Sixth, Eighth and Third congressional districts.

The Topeka State Journal late this afternoon predicted the election of Governor Capper to the United States senate over Senator W. H. Thompson by 100,000; Henry Allen, for governor, by 150,000; and republican congressmen in six out of eight districts.

Serbs Tell Tales Of Awful Cruelty In Bulgar Camps

Washington, Nov. 5.—An official dispatch today to the Serbian legation from Saloniki said Serbian prisoners were returning home from Bulgaria in deplorable condition after three years of suffering, and that many had died enroute, almost in reach of their native land.

The number of prisoners had not been determined, it was stated, because of the great haste of the Bulgarian government to get them home as rapidly as possible, so that Serbian military and government officials would not see the camps in which they had been living.

Nabobs and Rabble of Germany Unite in a Demand for Abdication

A variety of trades and occupations are mentioned in the call and 46 states are asked to furnish the necessary number.

State Elections

Cheyenne, Wyo., Nov. 5.—Twelve precincts out of 596 give: For senator, Warren, republican, 810; Osborne, democrat, 120. For congressman, Mondell, republican, 731; White, democrat, 390.

MICHIGAN.

Detroit, Nov. 5.—Returns from 58 precincts, scattered throughout the state, give:

For United States senator: Newberry (republican), 5,719; Ford (democrat), 3,737. For governor 45 precincts give: Sleeper (republican), 5,502; Bailey (democrat), 2,846.

For prohibition, 49 precincts: Yes, 2,882; no, 2,112.

Detroit, Nov. 5.—According to returns from 182 out of 2,282 precincts, Truman H. Newberry, republican candidate for United States senator is leading Henry Ford, democrat, by a vote of 15,614 to 10,025.

Commander Newberry is receiving the normal republican vote in the agricultural counties, although he is running slightly behind Gov. Albert E. Sleeper. Soldiers at Camp Custer, who voted by mail, favored Newberry two to one, according to Wayne county returns.

For governor the vote from 142 precincts gave Sleeper, republican, 13,645; Bailey, democrat, 6,350. Early returns indicate the re-election of all the republican congressmen. Returns from 100 precincts show a slight majority in favor of the suffrage amendment.

COLORADO.

Denver, Nov. 5.—Returns from 221 of the 1,532 precincts in Colorado give:

For senator: Phipps (republican), 21,519; Shafroth (democrat), 17,819. For governor: Shoup (republican), 22,864; Tynan (democrat), 16,876.

Denver, Nov. 5.—Based on returns from about one-seventh of the state indications at 10 o'clock were that the republicans had carried Colorado. Lawrence Phipps was leading Senator John F. Shafroth (dem.) by nearly 3,000 votes, while Oliver H. Shoup (rep.) had a lead of 4,000 over Thomas Tynan (dem.) in the race for governor. Returns from the congressional contests were meager, but in the first district the republican candidate apparently had been elected by a large majority.

Denver, Nov. 5.—Returns from 287 precincts out of 1,532 in Colorado give:

For United States senator: Phipps, republican, 27,878; Shafroth, democrat, 23,050. For governor: Shoup, republican, 29,407; Tynan, democrat, 22,221.

WISCONSIN.

Milwaukee, Wis., Nov. 5.—Gov. Emanuel L. Philipp, republican, apparently has been re-elected by a plurality which may run anywhere from 15,000 to 40,000, according to various estimates from scattering returns received up to 10 o'clock tonight.

Returns from congressional districts indicate that the republicans are holding their own, having carried the Third, Sixth, Seventh, Eighth, Tenth and Eleventh.

Milwaukee, Wis., Nov. 5.—Gov. Emanuel L. Philipp, republican, today was re-elected and carried with him the state ticket. Philipp's plurality is variously estimated from 15,000 to 40,000.

The congressional returns show the election of nine republicans, one socialist and one democrat. The Second district is in doubt with

Voight, republican, leading Clifford, democrat, running a close race.

Superior, Wis., Nov. 5.—Twenty-four out of 32 precincts of Douglas county give:

For governor: Philipp, 1,485; Moehlempf, 1,010. For congressman: Nelson, republican, 1,597; Jensen, socialist, 552.

UTAH.

Salt Lake City, Nov. 5.—Indications at 10 o'clock tonight were that the democrats had carried the congressional and judicial contest in Utah. Scattering returns showed Mays and Welling, democratic incumbent congressmen, leading their republican opponents nearly 3 to 2.

Salt Lake City, Utah, Nov. 5.—Richard B. Thurman, secretary of the democratic state central committee tonight claimed the election of the democratic state ticket by a vote approximately three to two. In 81 scattered precincts there were 6,600 straight republican ballots and 9,600 straight democratic ballots. The democrats, Mr. Thurman said, carried every district with the exception of a few in this city.

NEW HAMPSHIRE.

Concord, N. H., Nov. 5.—The late closing of the polls in New Hampshire made early returns from today's election meager. An increased democratic vote was noted in some of the towns in the southeastern part of the state. Bartlett (republican), for governor, carried the city of Portsmouth by slightly less than 400 votes over Martin (democrat).

Concord, Nov. 5.—Returns from 100 towns and wards out of 294 in New Hampshire give:

For United States senator (short term): Moses (republican), 8,527; Jameson (democrat), 7,574. Returns from 125 towns give for governor: Bartlett (republican), 12,894; Martin (democrat), 10,259.

ARIZONA.

Phoenix, Nov. 5.—The slow count in this, Maricopa county, and fragmentary returns from over the state leave the governorship in doubt. Republican managers claim a majority of 3,000 for Campbell for governor in this county. They claim a majority of 750 in Pima county. The Colter vote in the large mining towns is less than had been expected. On such returns as have been received both sides are claiming the governorship. The rest of the democratic ticket, including representatives in congress, apparently is elected.

KENTUCKY.

Louisville, Ky., Nov. 5.—John P. Haswell, chairman of the republican state campaign committee, tonight issued a statement saying that on the "basis of returns received up to the present" B. L. Bruner would have a majority of 4,565 over A. O. Stanley, democrat, for the United States senate. A short time previously Governor Stanley said that 81 counties out of 120 gave him a lead of more than 30,000 and asserted that if the same ratio was maintained in districts not heard from he would win by not less than 20,000.

OKLAHOMA.

Oklahoma City, Nov. 5.—Meager unofficial returns from scattering counties throughout Oklahoma tonight show United States Senator Owen leading his republican opponent, W. B. Johnson.

Contests in the First and Eighth congressional districts are close with each candidate claiming victory. The democratic incumbents in the six other congressional districts are expected to be returned by large pluralities.

PENNSYLVANIA.

Philadelphia, Nov. 5.—William C. Sproul, republican, has been elected governor of Pennsylvania by a large plurality over Eugene C. Bonniwell, democrat, some estimates placing his lead as high as 250,000.

Philadelphia, Nov. 5.—Philadelphia complete for governor: Sproul (rep.), 151,716; Bonniwell (dem.), 58,979. Sproul's plurality in the state will exceed 200,000, and may reach 300,000.

RHODE ISLAND.

Providence, R. I., Nov. 5.—Early returns indicate the election of the whole republican ticket, both national and state, in Rhode Island.

Seventy districts in the vote for United States senator give: Colt (republican), 12,446; O'Shaunessy (democrat), 10,074. For governor 65 voting districts give: Beekman (republican), 11,599; Archambault (democrat), 8,949, a net gain of 1,744 in these districts for the democrats.

Governor: Boyle (dem.), 349; Odle (rep.), 319. Drys are leading by a small majority.

WEST VIRGINIA.

Pittsburgh, Nov. 5.—With more than half the state heard from at midnight the returns indicate the

election of former Senator Davis Elkins (rep.) to the United States senate from West Virginia to succeed Senator Nathan Goff. Out of the 1,803 precincts in the state, 1,091 had been heard from, and these gave Elkins a lead of almost 10,000 over his democratic opponent, former Senator Clarence W. Watson.

IOWA.

Des Moines, Nov. 5.—(Special Telegram.)—At midnight tonight, both republicans and democrats were claiming victory for their candidates for governor, 316 precincts out of 2,300 in state giving Hardin, republican, 25,740 and Porter, democrat, 25,043. These precincts are scattered well over the state and include democratic strongholds. The race for congressman is close in the Second district, democratic headquarters here claiming defeat of Congressman Hull, republican, by Major Ely, democrat. The Sixth district congressional result is in doubt.

INDIANA.

Indianapolis, Nov. 5.—Based on early returns the republicans have a safe lead on the state ticket in Indiana and most of the returns on the congressional contests indicate there probably will be no changes in the state's representation in the lower house, with one possible exception. Returns from 348 precincts out of 3,142 in Indiana give for secretary of state:

Center (dem.), 36,500; Roach (rep.), 45,996; Grisso (pro.), 35; Kelly (soc.), 35.

OREGON.

Portland, Ore., Nov. 5.—Partial returns from 10 of 36 counties outside of Portland give for governor: Withycombe (rep.), 310; Pierce (dem.), 560.

For senate, long term: McNary (rep.), 452; West (dem.), 326. McNary also leads West in Multnomah county (Portland) on the scanty returns thus far counted.

Withycombe's Multnomah county lead is thus far sufficient to offset the out-state lead of Pierce.

SOUTH DAKOTA.

Sioux Falls, S. D., Nov. 5.—According to early incomplete returns the entire republican state ticket in South Dakota has been elected by a majority of from 5,000 to 10,000 votes. Many missing rural districts are expected to cut down the present lead, which is about 2 to 1.

Republican National Committeeman W. C. Cook at 10 o'clock tonight estimated Governor Norbeck has been re-elected by a majority of between 10,000 and 15,000.

ILLINOIS.

Chicago, Nov. 5.—Congressman Medill McCormick defeated Senator James Hamilton Lewis, the democratic whip, in the contest for the United States senatorship from Illinois today by an estimated plurality of 40,000. These figures included 80 per cent of the Chicago vote, where Lewis' chief reliance for victory was placed.

OHIO.

Columbus, O., Nov. 5.—With a little less than one-fifth of the state having reported at 10:30 o'clock, James M. Cox, democrat, was leading Frank M. Willis, republican, in the race for the governorship of Ohio, by a majority of approximately 2,500.

No conclusive figures on the contest for house has been received.

CALIFORNIA.

San Francisco, Nov. 5.—Governor William D. Stephens, republican, on the face of early and incomplete returns in California has been elected governor defeating Theodore A. Bell, democrat, who ran as an independent. Three democrats and five republican representatives virtually were assured of election at the primary. In the remaining three districts the result was in doubt.

MARYLAND.

Baltimore, Nov. 5.—The democrats swept the city in today's congressional election returns. Representatives Charles P. Coady and J. Charles Linthicum, whose districts lie entirely in Baltimore, win by largely increased pluralities.

CONNECTICUT.

New Haven, Conn., Nov. 5.—Gov. Marcus H. Holcomb and the republican state ticket have been elected. Both branches of the general assembly will be strongly republican.

DELAWARE.

NEW MEXICO.

The officer commanding the detachment made official mention of the matter in his report to his superiors.
