AIR STUNTS TO BE FEATURE ON ARMY FIELD DAY

Jiu Jitsu and Bayonet Drill Also Will Entertain at the Foot Ball Game on November 16.

E. Buckingham, chairman of the civilian committee in charge of the Army day foot ball game Saturday November 16, between Fort Omaha and Camp Grant, called a meeting of the committee to complete arrangements for the big game.

It was decided to erect 4,000 additional seats at Rourke Park, increasing the seating capacity to 15,000. There also will be standing room for 3,000.

The price of reserved seats will be \$2.00. They will be on sale at Beaton Drug company store, Saturday or Monday. Mail orders will be taken care of in order of receipt.

Airplanes to Advertise. Major Van Nostrand has made arrangements with the military police to act as ushers and handle the crowds.

Airplanes will fly over towns within 50 miles of Omaha, dropping literature advertising Army day, and distributing a few free tickets.

Before the game the Fort Omaha and Camp Grant bands will give concerts. The ball will be dropped from an airplane. Between halves there will be army maneuvers and airplane and balloon exhibitions, including a parachute jump from a balloon anchored upon the field.

Bayonet Drill Feature. Besides these features there will be a bayonet drill which is one of the very latest things in military tactics. This drill reduces the number of movements to the minimum, and enables the work of cleaning out machine gun nests and trenches to be carried out in a much shorter time than formerly.

Another feature of the game will be a demonstration by the latest jiu jitsu class. This work has been tried out successfully under battle conditions.

No Drug Store Open After Midnight and Little Girl Is Dead

Wanda Jeanette Wells, the 8-year-old daughter of Mr. and Mrs. N. B. Wells, 1914 Ames avenue, died Tuesday noon of Spanish influenza.

The little one took sick on Saturday last and a doctor was called, but the child did not appear to be in a serious condition until about 10 o'clock Monday night when another doctor was called in. The first doctor had treated for tonsillitis.

The disease had taken that sudden turn to pneumonia which characterizes such cases. The doctor gave a prescription which he believed might have saved the child's life could the medicine have been gotten in time; but, notwithstanding the persistent efforts of the parents, not a drug store in the city could be found open after 12 o'clock.

The parents hired a taxi and tried in all ways to get into a drug store but none was open.

400 Omahans Will Be Guests at United War Work Dinner Thursday

A dinner will be given by the executive committee of the United War Work campaign for 400 Omaha citizens at the Chamber of Commerce Thursday evening.

The purpose of this dinner is to explain to guests that they may further disseminate this information, the scope and purpose of the United War Work campaign and what these seven war organizations, under government direction, are accomplishing for the soldiers in camp and on the battle lines.

Two speakers of national reputation will deliver addresses and both speak with authority of the conditions on the western front, and how these war organizations, are handling the situation.

Walter W. Head, chairman of the Omaha committee, will preside. Rabbi Frederick Cohn will deliver the invocation. Father William J. Robinson, S. J., is one of the speakers who will bring home to the diners the great message that the United War Work campaign has to deliver. There will be music.

Y. M. C. A. Starts Campaign to Recruit 600 Members

"A new member for every member in the service," is the slogan of the Y. M. C. A. campaign for new members. A large board, 8x12 feet, has been erected in the lobby of the Y. M. C. A. On this are printed the names of 600 members who are in the service. These names are printed in blue. The new members will choose a name on the board and their names will be placed in red opposite the names of the members in the service whose places they are taking.

NOT A PARTICLE OF DANDRUFF OR A FALLING HAIR

Save your hair! Double its beauty in just a few moments. "Danderine" makes your hair thick, glossy, wavy and beautiful.

Within ten minutes after an application of Danderine you can find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little of Danderine—Adv.

A Sure Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better—Adv.

Madame Irene Corsets Featured for Wednesday

YOU will find in our corset section all the new models Irene has designed especially to meet the needs of the woman engaged in various kinds of strenuous war work.

Madame Irene corsets are fitted by a French corsetier, who has studied and personally learned the principles upon which the Irene corsets are modeled and made.

Model A, at \$5.00. A corset designed for wear under the military uniform of the ambulance driver. Made of coutil, low top, medium skirt with elastic inserts that permit freedom of movement. Price, \$5.00.

Model B, at \$7.50. For the canteen work or the Red Cross worker who sits all day long making dressings, or who bends over the packing case will avoid fatigue if she wears this model of French, Troc, low top, no boning over hip, short front boning and yet long enough to take care of the hips and give the straight slender lines. Price, \$7.50.

Model C, at \$10.00. A corset designed for the Red Cross Nurse; a comfortable corset which will permit a nurse to sit or bend with ease and still give beautiful lines.

Skip-Stop Plan Success; To Be Made Permanent

Street railway officials are well satisfied with the manner in which the skip stop plan is working out and there is little probability that the cars will go back to the old plan of stopping at every intersection, at least out in the residential sections of the city.

According to General Manager Smith, at the skip stop plan caused a little confusion, as people could not get away from the idea of catching a car at any intersection wherever they happened to be. Now they are rapidly falling in line with the new plan and gather at the intersections where the poles are marked, indicating car stops.

Nephew of Omaha Woman is Prisoner in Germany

Mrs. F. G. Bittinger of New York City has received official notice from Washington that her son, Lt. Howard Bittinger, of the aviation section, who was reported missing August 25, is a prisoner in Germany.

Mrs. Bittinger has also received word from her son of his imprisonment in a Hun camp.

The young officer, who is a former Omaha man, has been in France since May and was flying over the enemy's trenches from the first of June until his capture. Lt. Bittinger is a nephew of Mrs. Charles Gyger of Omaha. Mr. Gyger is also in France in the quartermaster's department.

Mother! Look at his Tongue!

Give Him a Cascaret—Quick! Won't eat? Don't scold! See if tongue is white, breath feverish, stomach sour.

TO MOTHERS! Nothing else "works" the nasty bile, the sour fermentations and constipation poison so gently but so thoroughly from the little stomach, liver and bowels like harmless Cascarets.

While children usually fight against laxatives and cathartics, they gladly eat a candy Cascaret. Cascarets never gripe the bowels, never sicken. Each ten cent box of Cascarets contains directions for dose for children aged one year old and upwards.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up. Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly. It's just fine. Don't stay stuffed up with a cold or nasty catarrh—Adv.
