UNION SUITS

Warmth of Wool—Comfort of Cotton

THE two great undergarment essentials—warmth and comfort—are perfectly combined in Vassar Union Suits. Vassar undergarments are made of cotton and wool—scientifically knit in a way that prevents irritating the most sensitive skin. That's why on chilly mornings the warm, soft, elastic *comfort* of Vassar Underwear is so inviting.

That also explains why Vassar feels so good every hour of the day, *indoors and out*. It is smooth to the skin—always keep it dry and *healthfully* ventilated. Vassar undergarments are also made of finest Sea Island Cotton for those who prefer *all-Cotton* garments.

Vassar is shaped *in the knitting* to perfectly fit the outlines of the human form at *every point*. The cuffs and anklets are knitted on as a *continuation* of the garment, to eliminate irritating seams.

Vassar Union Suits appeal to the man whose sole consideration in selecting so intimate and personal a garment is the *comfort* and *satisfaction* it will give.

Vassar will be found in all the better stores. Prices range from Twenty Dollars to Three Dollars.

For your *health's* and *comfort's* sake wear Vassar.
