

DOUGHBOYS' HUMBLE FT. OMAHA BALLOON MEN BY 21 TO 7 SCORE

Camp Grant Easily Defeats Balloon School in a Sea of Mud and a Drizzling Rain; Large Crowd of Fans Brave Elements to Cheer Team from Omaha.

By H. O. PARSONS

In spite of the downpour of rain Saturday morning and the continued drizzle a crowd of nearly 5,000 people swarmed into the grandstand at Rourke park to witness the Fort Omaha-Camp Grant football game Saturday afternoon.

The ground was in miserable condition, especially the south end of field, where it was practically impossible for the men to gain a foothold. However, both teams played sterling football through all four periods and the spectators were well repaid for braving the weather to see the game.

Carl Lutes, an Omaha boy, captain of the Camp Grant team, was easily the star of the day, though his teammates, Snyder and Delmore, were powerful factors in the score piled up by Camp Grant. For Fort Omaha King, Anderson and Faulk are worthy of special mention.

Camp Grant won the toss and chose the south goal. Delmore, from Camp Grant kicked off to King. Fort Omaha failed to gain and King kicked to the middle of the field. After another exchange of punts, the ball remained in the middle of the field. On account of the slippery condition of the field both teams were unable to gain by bucking the line. Snyder made 20 yards around left end. Camp Grant being unable to gain through the line, Delmore kicked to Fort Omaha goal line. King punted to the center of the field. Camp Grant was unable to gain and kicked to Fort Omaha's 30-yard line.

Another exchange of punts by King and Egan left the ball in the center of the field at the close of the first quarter. Score 0-0. Score Twice in Second. King kicked to Delmore on Camp Grant's 10-yard line. Egan kicked to center of field. King kicked to Delmore on Camp Grant's 10-yard line, who returned the 20 yards. Egan kicked into the air, the ball landing in the center of the field. Camp Grant took the ball on downs, and Egan made 10 yards through the line. King kicked to the center of the field. Snyder made 10 yards through right guard, Delmore hit the line for five yards. Fort Omaha was penalized for holding. Snyder skirted Fort Omaha's left end for 35 yards. In tackling Snyder, Lieutenant Desendorf of Fort Omaha received a broken arm and was replaced by Walton. Snyder made three yards more through the line, but Egan and Lutes failed to gain through the line. Egan missed a drop kick. King kicked to Delmore, who returned 35 yards. Snyder then went around left end for 35 yards, scoring the first touchdown of the game. Lutes kicked goal. Faulk kicked to Lutes, who returned 30 yards. A forward pass. Egan to Delmore, netted 12 yards. Another forward pass, Delmore to Egan, for 30 yards, resulted in another touchdown for Camp Grant. Lutes kicked goal. King kicked to Egan, who returned 10 yards. Egan made 10 yards around end. Camp Grant was penalized 10 yards. The balance of the third quarter ended with the ball in Camp Grant's possession on their own 30-yard line. Score, Camp Grant 14, Fort Omaha 0.

Balloon Men Score. Beginning the second half, Fort Omaha kicked to Egan, who turned back to the center of the field. Fort Omaha failed to gain and Camp Grant got the ball on downs. Snyder made 20 yards around left end. Forward pass, Egan to Mansfield, netted five yards. Forward pass, Egan to Snyder, five yards more. Another forward pass, Delmore to Egan, was good for 30 yards and another touchdown for Camp Grant. Lutes kicked goal. Faulk kicked to Lutes, who returned 15 yards. Egan kicked to King, who slipped and was nailed in his tracks. King kicked to Johnson, who returned 20 yards. After a series of line plays by Snyder and Johnson, Walton intercepted a forward pass by Johnson and carried the ball to Camp Grant's 25-yard line. Fort Omaha was penalized and lost the ball on downs. Anderson then intercepted an attempted forward pass and went through the Camp Grant field for Fort Omaha's only touchdown. Egan kicked goal. The balance of the third quarter the ball was in the center of the field, with both teams unable to get within striking distance of the other's goal. End of third quarter, score Camp Grant 21, Fort Omaha 7.

Rain Slows Up Game. The fourth quarter was played in a downpour of rain, and neither team was able to execute plays that resulted in endangering the other's goal line. The Fort Omaha team made several efforts to even up the score by the forward pass and end runs, but the heavy field made their efforts futile and the game ended with the ball in Fort Omaha's possession in the center of the field.

STECHEER MAKING SIMILAR MISTAKE TO FRANK GOTCH

Joe Thinks He Would Make Great Boxer Despite Failures of Other Matmen.

Joe Stecher, the wrestler, who is still anxious to attempt what other grapplers have tried but failed to become a successful boxer. The late Frank Gotch and Ivan Linow, the Russian, after several years' wrestling, decided to enter the squared circle, and neither one met with any great success.

Gotch fought several ring battles and failed to meet a man whom he could beat. Linow's ring ambitions ended abruptly when he tackled Jess Willard. Linow went under the name of Frank Lyon while he was fighting, and the pair met in 1911 at Elv City, Okla. The contest went 10 rounds and resulted in an easy victory for the present non-combatant champion, Doctor Roller was another wrestler who failed in the ring.

Many believe that the failure of the mat artists as boxers was mainly due to the fact that they were not muscle bound and could not get the free action so necessary in the ring. Wrestlers in glove contests were usually unable to judge distance correctly, for the simple reason that during mat tussles they were nearly always clinching with their opponents.

Wrestlers are as a rule stronger than boxers, but strength is not always prominent in the makeup of a successful boxer. He must know how and when to put steam behind his blows. Footwork also is an important factor in ring contests.

Stecher, however, firmly believes that he has all the qualifications of a boxer. The grappler has been watching with great interest the boxing bouts held at the Great Lakes and he has studied how each boxer handles himself.—Globe-Democrat.

CAMP DODGE IS GIVEN TRIMMING BY NAVAL TEAM

Contest Played on a Rain-Soaked Field; Proceeds to Go to the United War Work Fund.

Chicago, Nov. 16.—Playing on a slippery, rain-soaked field, the undefeated Chicago naval reserve football team triumphed over Camp Dodge, 20 to 0, in a game played for the United War Work campaign at the Chicago National league park today. The contest was played in a rain.

The sailors completely outclassed the soldiers from the start. They scored two touchdowns in the first period, Koehler, a former Northwestern star and Johnson, formerly of Morningside college, carrying the ball. Koehler went over for the second touchdown just before the close of the game. Johnson failed to kick one goal.

Coughlin, formerly of St. Thomas college, and Platz, the Camp Dodge halfbacks, played a brilliant game. Senator Hitchcock Addresses American-Slavic Conference.

New York, Nov. 16.—Appeals for American aid in the reconstruction of the liberated nations of eastern Europe, with promises by American officials and citizens that the helping hand would be extended were features tonight of speeches at a dinner at the American-Slavic conference.

Answering Dr. Masaryk, Senator Hitchcock, chairman of the senate foreign relations committee, asserted that "the American people are heart and soul with President Wilson in his demand that generations of oppression and misery must end and that the Polish people, the Czechs, the Jugos-Slavs and others capable of self-determination and self-government shall have the opportunity." Reminding his hearers that "the high sounding phrases of the declaration of independence sounded its appeal in 1776," the senator said they had proved practical as would the high purpose dictating allied determination for permanent peace, gradual disarmament and a league of nations.

Iowa City, Ia., Nov. 16.—Overcoming unexpectedly stubborn resistance in the last two periods, the University of Iowa eleven defeated Iowa State (Ames) college here today, 21 to 0.

It was not until the last minutes of play in the second period that Iowa was able to make much headway against the fighting "Aggies," and in the third period, using a varied attack, the Hawkeyes sent Kelly over for their first touchdown.

Iowa's offense showed increasing power in the final period and two touchdowns were counted, one by Lehman and the last by Kelding just before the game ended. Kelding kicked all three goal from touchdowns.

S. A. T. C. TRIMS WISCONSIN IN HARD CONTEST

Kingsley's Run of 40 Yards Is Feature of the Game; Field in Bad Shape.

Minneapolis, Nov. 16.—A long forward pass which Kingsley shot to Lampi during the heart of the final period, enabled Minnesota's S. A. T. C. football eleven to defeat Wisconsin 6 to 0, here today. This spectacular play, which netted nearly 40 yards brought the ball close to the Wisconsin goal and Ekberg plunged through the line for the touchdown. Goal was missed.

The field was soggy from a night of rain and rain fell intermittently during the contest.

Shortly after the last period started Kingsley threw a low forward pass which Lampi caught on the run and sped toward the Badger goal. After a 25 yard sprint, Lampi was downed on Wisconsin's ten yard line. Two line backs cut down the distance to the goal and then Ekberg went over.

GREAT LAKES AND RUTGERS IN LOOSE GAME

Score of 54 to 14 Piled Up by the Great Lakes Naval Training Station Team.

New York, Nov. 16.—The Great Lakes Naval Training station football team, with Driscoll, the former Northeastern university star in the leading role, easily defeated the Rutgers college eleven here today by a score of 54 to 14. The collegian combination, considered one of the best in the east this season was utterly unable to hold the sailors in check after the second period.

Driscoll proved to be one of the best western players seen on eastern gridirons in some years and easily earned a place with Olinhart, late of the army team, and Maulbetch, the Michigan plunging back, who astonished New England in the game with Harvard several years ago.

Driscoll scored six of the eight touchdowns placed to the credit of Great Lakes and kicked five of the six goals. His long distance runs through broken fields, combined with snake-like twists and dodgers, repeatedly thrilled the 12,000 spectators present.

He was aided materially in these sensational dashes by well-nigh perfect interference furnished by his teammates.

The line-up and summary follows: Rutgers (14) Position: Roberson, I. W.; Reichle, H. Feltner, L. C.; Collins, Baylor Neuschaefer, L. E.; Keefe, Notre Dame Durham, C. C.; Conrad, K. M. N. Rollins, F. Commissioner Butler Tells of Playing in Mud. City Commissioner Butler says he remembers just such a day yesterday when he played football in the mud of Creighton field. And he remembered it all the better because he gave a new twist yesterday to the knee that he sprained in that game.

"The mud was something awful, all yellow clay but went through it," he said. "I remember Capt. Van Fleet playing quarterback for the Fort Crook team. He is now a major general. The game was rougher then than it is now. They had a lot of husky privates on the Fort Crook team, but Creighton beat them."
