King George Writes Cordial Letter to U. S. Soldiers and Sailors

London, Nov. 18.—At the close of the entertainment given for American soldiers and sailors and women war workers at the Palace theater last night, Vice Admiral W. S. Sims read a message he had received from the king in answer to a letter sent to the British sovereign by himself and Major General Biddle on behalf of the American soldiers and sailors present. The king's answer read:

"It is with feelings of gratitude and sincere pleasure that I received the letter you addressed to me in the name of the American soldiers and sailors who are assembled this evening under the auspices of the British committee for entertaining American forces. In the unity of our cause and our memories, fostered by comradship in arms, I see the realization of my finest hopes, that the American and English peoples, united by ties of closest friendship, will ever advance together along the path of progress and civilization."

Thousands of Refugees Released by Germans Flee to Allied Lines

With the American Army Northeast of Verdun, Nov. 18.—Russians, Italians, French and Roumanians by thousands—all released by the Germans—streamed into the American lines Sunday. The question of feeding and housing them is taxing the facilities of the army and the various organizations which have been furnishing the Americans with luxuries.

In Spincourt, the Americans found 2,000 hungry Russians, and late on Sunday started to transfer them to Verdun by trucks, which had hauled supplies for the American advanced troops.

Owing to the shortage of food on Saturday two horses were killed at Spincourt, but this meat only half satisfied the Russians freed by Germans several days ago.

Already the Americans are starting outpost feeding stations, where they are serving coffee, bread and canned meat. In one instance, released prisoners rushed an American truck loaded with bread, cleaning it out before the crowd could be controlled.

Yanks' Sweet Tooth.

Paris, Nov. 18.—Candy has been officially included in the rations of the American expeditionary force, the Stars and Stripes announces. The men will be allowed one-half pound each every 10 days. The ration will include chocolates and hard candy.

IF THE WORLD KNEW THIS

Much Suffering Would Stop. Tells of a Home-Mixed Medicine for Colds, Coughs, Bronchitis, Etc.

The Blackburn Products Co.

Dear Sirs—As I was mixing some more of the Mentho-Laxene in syrup this morning I could not help but wonder if you really knew what a wonderful cold remedy it is, even if you do put it up.

Last fall we were really worried about my husband, as he had tried so many remedies, and the doctor did not help him at all, when one day he happened to read an ad of your Mentho-Laxene and he said: "I will give it a trial, then give up, I guess, if it doesn't help me." But, can you believe it? He began to feel easier right away, and long before the first bottle was gone he was all over his terrible cough, and by taking a little when feeling hoarse, just a little, we both have warded off every bit of colds and coughs since, until Monday of this week he got his feet so wet and by night he coughed again quite badly, but this morning he was o. k. again.

This is 3:00 p. m., so you see how quickly it worked.

We have gotten ever so many others to use it by giving them a sample of ours.

This is just a line to tell you how grateful we both are to you and your remedy.

Yours truly,
MRS. GEORGE E. GATIS,
334 N. Hickory street,
Owosso, Mich.
