If Central High is to record any

victories this season the Beatrice

team will have to be the first. Beatrice has a long string of vets

line and chalked up a final count of

38 points. This was an off day for

the Gage county team. Lincoln

Two of Central's stars returned

yesterday, Chris Crowell, guard,

and Dave Noble home on a fur-

lough. Neither will play on the

team any more this year. Campbell,

Mulligan's find for the pivot posi-tion, is on the sick list. If he is

unable to play Friday Central's chances will be greatly endangered.

New York, Nov. 13.—The stock market was in a state of suspended animation during the greater part of today's session, prices for the mest part rising and falling and falling the greater part of today's mession, prevailed at the close.
Sentiment among the professional element was strongly influenced by last week's adverse bank statment, the reduction of actual reserves giving fresh point to the need for continued restriction of credits. Labor problems also assumed greater prominence.
Reviews submitted by competent trade authorities over the week-end were again of irregular tenor, but conservative opinion inclined towards an indefinite continuance of wartime conditions in the steel industry and affiliated lines.
