# Hurrah! for Santa Claus!

Saturday Morning at 10 O'clock Santa Claus Will Open Burgess-Nash Toyland and Greet the Boys and Girls of Omaha

and he wants to meet every little boy and girl and the older folks, too.

You know Santa Claus always makes the first visit of the season to Burgess-Nash, and he will be here Saturday to help us open Greater Toy Land on the Fourth Floor.

We have just unpacked the Christmas toy wonders of the world for the inspection of grownups and children on this great day. Novelties which you never knew existed will be on display. Dolls in a wonderful assortment, mechanical toys and games of wondrous ingenuity.

Bring the children with you—you'll feel just like a child again when you see the youngsters in their childish glee—romping through this veritable Fairy Land.

And Dear Old Santa Claus will have a gift for every youngster accompanied by an adult.
