There's a feeling of knowing your household duties will be finished earlier when you have an

Electric Vacuum Cleaner

AND AN

Electric Washer and Ironer

in your home. The old way is too laborious, too slow—and it's not near so economical.

Either of these three electrical appliances would make a most

suitable Christmas gift to mother or wife

It's much more essential this year than ever before that one's Gifts be practical. A visit to our Electric Shop will be of more than ordinary interest at this time, as here you will find every electric appliance that is practical and suitable for Christmas Gifts.

American Ships Numbering 145 Sunk by Foe in War

Washington, Nov. 22.—Loss of 145 American passenger and merchant vessels of 354,449 tons and 775 lives through acts of the enemy during the period from the beginning of the world war to the cessation of hostilities November 11, is shown by figures made public today by the Department of Commerce, bureau of navigation. The report does not include several vessels, the loss of which has not been established as due to acts of the enemy.

Nine of the vessels and 67 lives were lost through use of torpedoes, mines and gunfire prior to the entrance of the United States into the war.

Wounded Soldiers Are to Be Home in Two Months

Tours, Nov. 22.—(By Associated Press.)—The American expeditionary forces will have all sick, wounded and convalescent American soldiers back in the United States within two months. The number of hospitals has been considerably reduced already by the medical corps. In the daily census of hospitals there are now 100,000 vacant beds.
