

South Side NO EMBARGO ON HOGS SHIPPED TO OMAHA MARKET

Shipments to Chicago Made Only by Special Permit; No Embargo Expected on Local Market.

There has been no embargo placed on hog shipments to Omaha or other Missouri markets...

The embargo has been put upon Chicago and points east, and all shipments there until further notice must be by permit.

Shippers to Chicago must apply to their local agents for a permit. The application is sent to Chicago, and the hogs cannot go forward until the permit is issued.

As long as the shippers to Omaha co-operate with the government in holding back the lightweight hogs, it is sure there will be no embargo put on the Omaha market.

Epidemic of Petty Thieving Breaks Out in South Side

Another epidemic of petty thieving seems to be rife on the South Side, three cases being reported in one day.

John Lawler, 3119 S. Street, was arrested at 10:15 Friday morning at the Cudahy packing plant for carrying off a boiled ham under his coat.

Joe Ely, 5115 South Twenty-sixth street, was arrested for stealing a pair of shoes from a locker at Armour's packing house and was fined \$10 and costs by Judge Fitzgerald in police court.

V. L. Peterson, foreman for the Katz construction company, reported that three pair of rubber boots were stolen from the tool house at South Twenty-seventh and J streets while the watchman was putting out the red lanterns.

Fort Omaha Band Plays at Exchange; Gets Trip to K. C.

The Fort Omaha band entertained throngs of people in the Stock Exchange with a free concert, they gave there in the lobby Friday during the lunch hour.

With the usual generosity shown at the Exchange, the audience took the hint and filled a large tray with silver and paper money which will enable the boys to go to the football game at Kansas City Saturday.

Thanksgiving Donations Taken for Old People's Home

Mrs. W. B. Myers, 3718 South Twenty-third street, will receive donations on the South Side for a Thanksgiving day celebration at the Old People's Home.

Mrs. J. W. Bedford, who is donation chairman, says that from the reports which have come in so far it will be a very successful donation party.

Truck Skids and Crashes into Plate Glass Windows

One of the large city trucks, weighing about 1100 pounds, which was driven by J. Jensen, who is in the employ of the water department, skidded on the slippery pavement at the corner of South Twenty-sixth and N streets and, when the driver went to shift gear, backed over the curb and into the plate glass windows of the Nebraska clothing store, which is owned by Richard Novak. No arrests were made as the accident was said to be unavoidable.

South Side Brevities

Stanley Troceny, 4417 South Twenty-fifth street, was arrested Friday afternoon for interfering with a police officer.

Per's Pearson, who works at the Skinner packing plant, was fined \$10 and costs in police court Friday by Judge Fitzgerald for drunkenness.

C. Johnson, South Thirty-eighth and I streets, who was arrested for drunkenness, did not appear in police court Friday, and forfeited his bond of \$15.

Walter Drelich, 4133 South Twenty-second street, was arrested and charged with the illegal possession of intoxicating liquor. The case was put back until November 29.

M. N. Flinn, cattle salesman for Melady Bros' commission firm, has been seriously ill with the influenza at the Wise Memorial hospital, but is now some better.

Mrs. Lavilla Schindler, Mrs. W. A. Berger and Mrs. J. B. Watson, attended the meeting of the State Federation of Women's Clubs at Lincoln this week, as delegate from the South Omaha Women's club.

John Whitten, cashier for Melady Bros. at the Stock exchange, has suffered a relapse of the "flu" after being at work a week since recovery from his first attack, and is now very sick at his home, 5023 South Thirty-eighth avenue.

Thaddeus L. Travis Dies Suddenly Thursday Night

Thaddeus L. Travis, 2861 Fowler avenue, died suddenly in his home Thursday of heart failure. He was in his office all day Thursday. On his way home he began feeling chilly and died a short time after reaching there.

Mr. Travis was vice president of the Western Bridge and Construction company of this city and was prominent among builders throughout the middle west.

The funeral services will probably be held some time Sunday under the auspices of the Capitol Arch lodge of which he was a member. Interment will be in Forest Lawn cemetery.

Attorneys Disagree on Amount of Fees Due Them Charles Blakely filed an answer yesterday in district court to a petition of Lambert, Shotwell and Shotwell, who claim a balance of attorneys' fees. Blakely alleges that \$6,300 claimed is excessive; that he has paid \$2,108 and is willing to pay the difference between that amount and \$3,500, which he considers reasonable compensation for services rendered.

Bringing Iron to the Battle-Front.

Our allies are holding fast—in this our country's peril. With weight of iron we will help conquer the foe and drive back the despicable Hun! What is most needed at the battle-front, as well as at home, is more iron.

It takes muscles of iron and nerves of steel—real men—men with red blood, men with the brawn to do and nerve to buck the line. Men "with a wallop," men with vim, vigor, are those who take "Ironite," a new discovery, composed of iron and herbal extracts, and recently found to be a wonderful tonic for the manufacture of red blood within the body. Doctor Pierce and a dozen physicians at the Surgical Institute in Buffalo, N. Y., have long experimented and have at last found the best blood maker and nerve tonic known to-day. This they called "Ironite." It's an iron tonic that puts new energy, life, stamina into the blood. "Ironite" is to be procured of almost all druggists, in 60-cent vials. If you want to try it, send 10 cents to Dr. Pierce's Surgical Institute, Buffalo, N. Y., for a trial package. You will find "Ironite" tablets equally as good and effective as Doctor Pierce's Pleasant Pellets, which have been known for the past fifty years as a gentle herbal laxative. Folks at home have acquired the healthiest of habits. They become "regular as clock-work," after taking these "Pleasant Pellets." Being composed of May-apple, aloes, jalap, they are perfectly harmless to any system. They are tiny sugar-coated pellets that cure biliousness.

HAS DEADLY INFLUENZA GERM BEEN CONQUERED

Scientific Investigation Proves Beyond Question That Disease Germs Can Be Destroyed by Over-Oxidization As Well As By Direct Poison—New Discovery Creates Wide-Spread Interest.

NO DISCOVERY in the field of medicine within the past year, perhaps, has created such widespread interest and discussion as the announcement that a new preventive treatment for Spanish Influenza had been found. The new treatment is called Wilson's Solution or Anti-Flu, and is the discovery of Prof. Robert C. Wilson, head of the Department of Pharmacy of one of the largest universities in the country.

Leading physicians, specialists and bacteriologists give the preparation unqualified endorsement after submitting it to the most exhaustive tests. The solution is composed of some of the most powerful antiseptics and germicides known to science and experimental tests show that one of the ingredients is ten times as powerful as carbolic acid, although the preparation is harmless when used according to directions. To many this would appear impossible, but it is a well-known fact that Dakin's Solution, which has been used so extensively in the war hospitals, is fifty times as powerful as mercury. The above statement, therefore, seems mild by comparison.

It is Prof. Wilson's theory that the germs in the nose and throat and bronchial tubes can be destroyed by the powerful vapors from his solution by merely inhaling the fumes from a few drops on the handkerchief. The fact that tens of thousands have apparently received immunity from the disease after using Wilson's Solution seems to support this theory.

Scientific investigation has shown beyond peradventure of a doubt that germs and bacteria can be destroyed by over-oxidization as well as by direct poison. It is indicated that Wilson's Solution does both; and it is Prof. Wilson's theory that the germs are killed by over-oxidization when the fumes are inhaled sufficiently from the handkerchief or otherwise, and that it destroys

the germs by direct poison when used as a spraying solution. When used as a spraying solution it covers the mucous membrane lining of the nose and throat with an oily coating saturated with this powerful antiseptic and it is indicated that when the germs are inhaled they come in contact with the solution and are thus destroyed. It is believed that spraying the nose and throat night and morning, in addition to inhaling the fumes of the solution at frequent intervals during the day, will give complete immunity. It is also indicated that bad colds, tonsillitis, sore throat and the ordinary forms of grippe and other diseases contracted by way of the nose and throat, can be prevented by using Wilson's Solution in the above manner. On account of its powerful antiseptic and disinfecting properties it can be used for practically all purposes where antiseptics are required, and is a most valuable household remedy. Although it was placed on the market only a few weeks ago, the success the preparation has achieved is truly phenomenal. It is now being manufactured at the rate of forty-three thousand bottles daily, but even this amount has not been sufficient so far to supply the rapidly increasing demand. Wilson's Solution is also known as Anti-Flu, and is sold by all druggists. A thirty-five-cent bottle is sufficient for a week's treatment. Caution: Read directions on the label carefully, as the Solution is highly concentrated and must be properly diluted—Richardson Drug Co., wholesale distributors for this section.

Crofton School Supt. Says He Was Robbed of \$20 by Negress

C. J. Doyle, superintendent of schools at Crofton, Neb., appeared in police court Friday against May Brown, negress, 2009 Paul street, testifying that she had robbed him of \$20.

According to Doyle, he was enticed into a house near Thirteenth and Capitol avenue by the Brown woman and "frisked" for his bank roll.

When Doyle came to the police station Thursday night he gave his name as C. J. Cullen, but later admitted that his name was C. J. Doyle, and that he was superintendent of public schools at Crofton. At his trial in police court he attempted to argue with Judge Britt who told him in disgust: "Get out of my presence!"

Order of Gold Star Will Hold Memorial Service
