Peace Negotiations Last Spring Blocked by Gen. Ludendorff

Copenhagen, Nov. 28. - The Hague correspondent of the Vienna Neue Freie Presse says that unofficial representatives of France and Great Britain last spring declared that their governments were prepared to initiate peace negotiations. The correspondent gives the following terms as those acceptable to the allies in return for a cessation of hostilities:

Evacuation of Belgium, Germany to pay two-thirds of the damage done in the kingdom; the question of Alsace-Lorraine to be referred to a referendum; southern Tyrol to be ceded to Italy; Triest to be made an international por: Serbia, Montenegro and Roumania to be evacuated and Germany's colonies to be returned.

Baron Burian, then Austro-Hungarian foreign minister, says the correspondent, was prepared to issue an invitation for peace nego-tiations, but General Ludendorff, the German chief quartermaster, intervened, saying: "Let us conquer." A day later, the correspondent adds, Ludendorff started an offensive,

GOVERNOR REDUCES SENTENCE IMPOSED FOR BOMB MURDERS

In Granting Commutation Requested by President Because of International Interests Involved, California Executive Declares Absurd Propaganda Making Condemned Man Appear as Martyr.

Sacramento, Nov. 28.—Gov. William D. Stephens commuted tonight to life imprisonment the sentence of death imposed on Thomas J. Mooney for murder growing out of the Preparedness day bomb explosion in San Francisco on July 2, 1916, when 10 persons were killed and 40 others injured.

In a lengthy statement given to the public, outlining his reasons for commuting the sentence, Governor Stephens said Mooney's case largely paralleled that of Warren K. Billings, another bomb case defendant, who is now serving a life sentence in the Folsom, Cal., penitentiary.
