

NEBRASKA UNI. AND NOTRE DAME PLAY TIE GAME

Cornhuskers and South Bend Team Unable to Score on Field Covered With Mud and Slush.

Lincoln, Neb., Nov. 28.—(Special Telegram.)—The smallest Turkey day crowd in the history of Cornhusker athletics saw Nebraska and Notre Dame fight to a 0 to 0 draw on Nebraska field this afternoon in a game marred by the soft field, which was covered with two inches of snow.

There were less than 4,000 people in the stands, but the holiday spirit was present and rooting spirited. The condition of the field forced both sides to resort to punting practically during the entire game, with honors divided about equal between Dobson and Gipp, the Notre Dame kicker. Nebraska failed to make a first down. Notre Dame made 12 and had all of the edge when it came to advancing the ball. Three times the visitors were halted inside of the 20-yard line for lack of the punch to put the pigskin across.

Touchdown Disallowed. The South Bend warriors scored one touchdown on a flashy 40-yard sprint around the end by Barry, but the play was disallowed and the ball called back because a Notre Dame player in the interference grabbed hold of a teammate's belt. The visitors drew a 15-yard penalty on the play. Penalties came thick and fast during the entire game, both teams suffering equally. The first quarter was all Notre Dame. The visitors rushed the ball down the field after an exchange of punts on end runs by Gipp and the speedy little Barry to the Husker 11-yard line, where Lantz intercepted a forward pass. Nebraska kicked, but the Catholics again rushed the ball to the Husker 23-yard line, where Howarth intercepted a forward pass.

Cornhuskers Pick Up. In the second period Nebraska flashed her strongest play. The Huskers drove the ball into Notre Dame territory when Dobson outkicked Gipp and twice rushed it to the Notre Dame 15-yard line, but were halted there. Dobson shot a forward pass over the goal line, which was incomplete and Notre Dame put the ball into play on its own 20-yard line. The third period was limited entirely to a kicking duel, Nebraska making no attempt to carry the ball, and Notre Dame compiling only one gain of 12 yards on a forward pass to Kirk from Gipp.

Notre Dame Near Victory. In the final quarter Notre Dame again carried the fight to the shadow of the Nebraska goal. Gipp, Barry and Lameau smashed through the Husker line and started the ends for substantial gains, carrying the ball to the Nebraska 15-yard line, where the Huskers recovered it.

The Huskers kicked to safety and time was called. Dana, the Husker right guard, had his arm broken at the start of the game while going down on the kickoff. Captain Bohan was also forced to retire because of an injured knee.

Table with 2 columns: Player Name, Score. Includes Notre Dame and Nebraska players like Kane, Hubka, Munn, etc.

Badgers Win by One Point. Madison, Wis., Nov. 28.—In the last two minutes of play today Wisconsin ploughed its way through the Michigan Aggies for a touchdown and then kicked goal, winning 7 to 6. Walter Kuehn, fast substitute right halfback, carried the ball over for the Badger score and Barr kicked goal.

BLACK simply has to have your head Saturday 11:30 Not at half past eleven—but all day. Watch his announcement tomorrow night. Lest you forget or forget where that old scout, Charley Black, now is AT—his wife is from Mo.—he is at Pease-Black Co., just across from the Nebraska Clothing Company and the Sun theater—and like the mince meat in a pie he is just between Drexel's and Berg's, and that bright light electric building is on one corner and the Paxton hotel on the other—a blind man could find the place. 1417 Farnam

BRINGING UP FATHER

CENTRAL HIGH DEFEATS ST. JOE ON SNOWY FIELD

Local High School Team Makes First Touchdown of Season, Winning from Missouri Team 8-0.

Playing in three inches of snow, Omaha Central High staged a comeback, defeating St. Joseph Central High 8 to 0, in a hard fought game yesterday at Rourke park. Shanahan, Omaha's peppy fullback, after a 25-yard sprint, carried the ball over for the touchdown after about eight minutes of play in the second quarter. Swoboda was responsible for the touchdown which netted the additional pair of counters. Omaha warriors put up a stiff game throughout, allowing the Joe-town players to approach their goal only twice. Captain Logan was the star of the game. He figured in nearly every play and was largely responsible for shutting out the Missouri team.

Every man on the Omaha team played a stellar game, while Harper and Shanahan were the most prominent, making long gains and keeping the pigskin on the St. Joseph end of the grid. Grauer, the St. Joe left tackle, starred for the boys from down the river, while Winters, who figured in several passes, was a close second.

St. Joe Use Air Route. Fumbles marked the initial period because of the cold, but despite the elements the St. Joseph players proved themselves masters of the open game. This was St. Joe's chief asset, and proved the means of holding the score down.

The two teams each excelled in separate fields. The visitors relied on the air route for their gains, while the locals gained through the line and around end. Omaha's line decided the contest in its favor. Grauer kicked off to Shanahan, who fumbled. St. Joe fumbled on the second down, but recovered. Grauer attempted a punt which sailed up almost vertically in the air. Harper broke away for a 35-yard run, and set the grandstand clattering for a touchdown. After incurring a 15-yard penalty, Omaha lost the ball on downs. A pass failing, Grauer punted. Shanahan, Ayers and Harper winning scoring distance, but lost in a fumble, giving St. Joe a chance to boot. The quarter ended with the ball on St. Joe's 20-yard line.

Shanahan Crosses Goal. Winters opened the second period with a 15-yard sprint, but was brought back on a penalty. Grauer booted the oval well out of danger. Omaha twice made yards. Logan, always on the spot, intercepted a pass and carried the ball 15 yards before tackled. Then Shanahan, fighting off the interference, trotted the remaining 25 yards for the only touchdown made by a Central player this season.

St. Joseph received the kickoff in the second half, but failed to make yards. Two long passes by Winters followed after St. Joseph regained the ball on downs. Central getting the ball a few minutes later advanced it by Harper's and Wilmarth's gains around end. A 15-yard penalty followed and Central failed to make yards. A long pass by Winters placed the ball on Omaha's five-yard line and a score was imminent. The Omaha line rallied, forced the opposing line back and received the ball on downs.

Touchback Counts. The final period was all Omaha's. It was played almost entirely within 40 yards of the St. Joe goal posts. Swoboda and two other Omaha men broke through and flopped Grauer for a touchdown after half the quarter had passed. The game ended with the ball within two feet of a second touchdown.

The Cadet Officers club staged a humorous stunt between halves. The Fort Omaha band furnished music. Lineup: St. Joseph, O. P. Nichols; Omaha, L. E. Turner; Grauer; Polard; L. G. Melnich; Harper; R. H. E. B. Shanahan; R. G. Smith; Anderson; R. T. Crowley; Ayers; R. E. E. Anderson; Swanson; Q. R. Bohan; Dobson; L. H. Gipp; Lantz; R. H. Barry; Hartley; F. B. Lambear.

Notre Dame, 0 0 0 0 0 0; Nebraska, 0 0 0 0 0 0. Referee, Reid (Michigan); umpire, Anderson (Missouri university); head line-man and time keeper, Wyatt (K. C. A. C.). Time of periods, 15 minutes each.

Des Moines Team Wins State Championship at Fort Dodge

Fort Dodge, Ia., Nov. 28.—(Special Telegram.)—The North Des Moines football team defeated the Fort Dodge High school team for the state championship here today 14 to 0, through touchdowns scored in second and third periods. The Des Moines team excelled on open field running, on long runs by Morton, the colored fullback.

Fort Dodge averted two touchdowns by strong defense on the three and four-yard line in the first and fourth periods. The field was slippery, and neither were successful in their attempts at forward passes. The Fort Dodge tackles were considerably outweighed by their opponents.

Penn State Cross Pitt's Goal Line for First Time. Pittsburgh, Nov. 28.—The University of Pittsburgh football team's goal line was crossed for the first time this year when the Penn State team scored a touchdown this afternoon, but Pittsburgh eventually won the game by a score of 28 to 6. The visitors scored after a few minutes of play, when they secured the ball on a poor kick by Laren, the ball being covered with mud. Line smashing sent Captain Unger over for the touchdown, but Brown failed in his kick at the goal.

After that play the home team played superior football throughout and scored four touchdowns, Davies kicking four goals.

Georgetown Loses Game to Fordham After Nine Wins. New York, Nov. 28.—For the first time in nine years the annual football contest between Georgetown and Fordham resulted today in a victory for Fordham, 14 to 0. All the scoring was done in the second period, Captain Frisch of Fordham figuring in two decisive forward passes and also kicking the goals.

The visitors held their own the second half, although Buckley and Hampton were disabled. For the winners Garvey, on a pass from Frisch, ran fully seventy yards for a touchdown and Corsello made the other one on a pass from Frisch.

Soldier Teams Wrangle in Slow Game on Soggy Field. Louisville, Ky., Nov. 28.—The football team from Camp Sherman was defeated by the Camp Fordham and for players here today, 40 to 0, in a game marked by much wrangling among players and many penalties. Pickrell for Camp Sherman and Briscoe, Howard and Hoffman for Camp Zachary Taylor were the stars. Many forward passes were attempted by both sides, but a soggy field and slippery ball made against the success of most of them.

Camp Grant Loses to Navy in Rain and Snow Storm. Chicago, Nov. 28.—Playing on a field ankle deep in mud, the Chicago Naval Reserves triumphed over the Camp Grant foot ball eleven today, 10 to 0. The victory was costly for the Aggies, however, as Fullback Koehler, a former Northwestern University star, suffered a broken shoulder. Rain and later snow fell during the greater part of the game.

Syracuse Wins in Mud. Syracuse, N. Y., Nov. 28.—Syracuse defeated Columbia at foot ball here this afternoon, 20 to 0, in the first contest between the two colleges in 15 years. The field was an inch deep in mud in spots.

NO CREIGHTON AND NOTRE DAME GAME SATURDAY

Indiana Team Unable to Play With All Quarterbacks Out or Injured at Lincoln.

Owing to severe injuries to its principal foot ball men, Notre Dame, which Creighton university hoped to meet Saturday, has declined to play the game.

The team was without quarterbacks entirely, according to Coach K. K. Rockne. It played the last quarter with Nebraska with no regular quarter in the game. Of the four men for this position, one is out of the game for flunking, one was not brought on the trip because of injuries and Bohan and Lockard were injured yesterday at Lincoln. Each one of these men sustained a torn ligament in the knee and to play again this week might make both permanent cripples.

Notre Dame played the big game of its season last week when it defeated Purdue, 26 to 6, and Rockne did not feel justified in adding another contest so soon.

The three Notre Dame backs are also in poor shape as they all are suffering from injuries. Coach Mills of Creighton said last night he was very sorry indeed not to be able to get a game with Notre Dame. Coach Mills had been trying to schedule a final game with some leading team in view of the many cancellations due to influenza.

Creighton has a team of big caliber this year, said Mills. "Creighton regrets exceedingly that it will be unable to prove its mettle."

Fast Foot Ball Game Carded for Iowa Capital Saturday. Des Moines, Ia., Nov. 28.—What is expected to develop into the greatest gridiron battle in Iowa this season is carded for Drake stadium here next Saturday (November 30), when the Camp Dodge division team and the University of Iowa clash.

Both teams have shown increasing strength, and their victories last Saturday—Camp Dodge over Nebraska and Iowa over Northwestern—heightened hopes for a brilliant contest.

"Dutch" Platz, one time Creighton star, will be out of the Camp Dodge lineup for the rest of the season, as he broke his arm in the first half of the game at Lincoln last week. His loss will be felt keenly.

Iowa's lineup has reached a high stage of development, showing rare and clever handling of forward passes, and a stubborn defense, once it gets going good.

The Camp Dodgers play Thanksgiving day at Kansas City, The Camp Funston eleven furnishing the opposition. A year ago, in a Thanksgiving day battle, the Dodgers downed the Funston team by the margin of a drop kick.

Camp Dodge Foot Ball Team Wins by Fine Run. Kansas City, Nov. 28.—A spectacular broken field run by Caughlin, right half on the Camp Dodge football team, gave the Iowaans a 7 to 0 victory over Camp Funston today in a game played on a sloppy field. Major General Leonard Wood and his staff from Camp Funston were honor guests. The Dodge score was made in the third period after Funston had outplayed its heavier opponents in the preceding periods. Caughlin received a punt and behind brilliant interference that bowled over all opposition took the ball for a touchdown, Smith kicking goal.

Jayhawks Triumph Over Kaw Aggies by 13 to 7. Lawrence, Kan., Nov. 28.—After battling on even terms until near the close of the final period of play, Kansas university defeated the Kansas State Agricultural college team here this afternoon 13 to 7, through gains by Quarterback Foster, who made twenty yards through left tackle and twenty yards around left end and went over for the touchdown.

The Aggies scored in the first eleven minutes of play and the university team evened in the second period by showing Ruble over the line. The field was wet and muddy.

FT. OMAHA TEAM BRAVES SNOW TO TAKE PRACTICE

Have Stiff Workout in Miller Park Thanksgiving; All Set for St. Paul Aviation Mechanics.

Four inches of snow was nothing in the young lives of the huskies of the Fort Omaha foot ball team, and for nearly four hours yesterday morning they worked out in Miller park. They were put through a fast, stiff scrimmage by Lt. John G. McKay, coach. The team is now ready for Saturday's game with St. Paul Aviation Mechanic school at Rourke park.

Lieutenant Spang, the new quarterback, is rapidly getting into excellent condition despite the fact he had been out of the game for seven years, last playing at Harvard. His specialty is drop kicking. Yesterday he dropped a few pretty ones over the posts from the 35 and 40 yard lines.

As the team lines up today there are no cripples, all men having recovered from last week's battle. The backfield has been changed. As is now stands King is at full, Spang at quarter, and Faulk and Eudaly are the halfbacks. Weirich has been shifted to end. Mandell will play a line position or may be held as a reserve back. Besides the varsity team, McKay has more than a dozen capable "subs" to put into the game.

The St. Paul team is expected on a noon train today. They will be entertained tonight by the post team.

The soldiers of Fort Omaha will parade through the principal streets tonight. Following the parade, at 8:30 o'clock, a band concert will be given by the post band at the courthouse.

Nearly 2,000 tickets were sold yesterday at the Beaton and Unitt-Dockal drug companies and at the Conant and Fontenelle hotels, where the tickets are being sold.

Rapid City School of Mines Defeats Huron Team, 16-6. Rapid City, S. D., Nov. 28.—(Special Telegram.)—Rapid City School of Mines S. A. T. C. football team today defeated Huron college S. A. T. C. eleven here, 19 to 6. Huron's one score came on a fluke in the first quarter, when Rapid City fumbled under its own goal. Harkness at full, and Swift at half, played a marvelous game for the Miners. The Rapid City men were able to walk over the visitors at any time on line smashes. They played open football and made several passes for long gains. There was very little punting in the game.

Matt Brock Barred from Boxing Bouts in Cleveland. Cleveland, Nov. 28.—The Cleveland boxing commission today decided to bar Matt Brock indefinitely from boxing bouts in Cleveland and will ask the Ohio state boxing commission to take similar action for the state. Burgess, Cheek and Bloodgood played stellar ball and were well supported by other members of the team. As an opener the Wilber team won from Beatrice by the score of 12 to 0.

FLASHES from FILMLAND PHOTO-PLAY OFFERINGS FOR TODAY

MARY PICKFORD has at last signed and the heads that wear the crowns may sleep at night at last—or not sleep for fear they did or didn't sign her. For Mary is signed to make eight pictures for the First National Exhibitors company at a price of \$1,500,000, which is more money than any motion picture star ever drew even in a press agent's story. Now whether one person can really make that much for a company remains to be seen, but the fellows who have engaged to market Mary's productions say they can do it on her popularity and make money, and for that reason she's worth the price.

Mary McLaren has another one of those interesting love plays and it is to be called "Dearie." Jack Mulhall will play opposite her and in the cast will be Herbert Prior Clarissa Selwyn and Lucretia Harris.

Joe has had the flu. The real, honest-to-goodness flu and as Joe is fourteen times stronger than a big husky man it went really hard with him. For Joe is the Universal's orang-outang actor.

Carmel Myers has received scenarios from every portion of the world and the other day one came in the mail in Yiddish. As Miss Myers' father is a rabbi, it was easily translated and was found to be of real merit.

Millard K. Wilson has been engaged to play in support of Monroe Salisbury in three new productions.

Clara Kimball Young is now busily engaged in filming what promises to be one of her most pretentious productions, "Cheating Cheaters," the Max Marcin story which was so successful as a play. Miss Young will be seen as Ruth Brockton, and has surrounded herself with a most remarkable cast, including Anna Q. Nilson, Mayme Kelso, Jack Holt, Frederick Burton, Tully Marshall, Frank Campean and Edwin Stevens. It is seldom if ever such a cast is seen on the screen. It is said that A. H. Woods, who produced "Cheating Cheaters" as a play, received one of the highest figures ever paid for the motion picture rights to the play. Allan Dwan, who so successfully directed Douglas Fairbanks, is directing Miss Young.

The Boulevard theater at Thirty-third and Leavenworth opened Omaha Coal Men Said to Fear Flood of Illinois Product

"A feeling of apprehension prevails in Omaha lest eastern operators will bring sufficient pressure to bear upon the fuel administration to cause Washington to remove the zoning restrictions," says the Coal Trade Journal of New York in its Omaha correspondence. "This coal men say, would be disastrous to the coal interests of the section, and yet there is a feeling that if the big eastern operators are anxious for a western market for their output, they will manage to put it across."

"We are at their mercy," said one jobber. "They will influence the fuel administration to remove the zones if they want them removed badly enough, and our dealers here will be facing the flood of Illinois coal at a figure far lower than the figure they will have to have for the western coal on which they have stocked up heavily at the government's request."

"If they only give us 60 days to move our coal here, and give the retailers a chance to empty their bins of their western coal before the zone system is removed," said another jobber, "then I believe things can be adjusted, but it would certainly be a mistake to remove these restrictions now."
