On Wednesday afternoon in the New Jersey Holders Municipal Christmas committee met to begin plans for the Christmas Municipal entertainment for this year. F. W. Williams, head of the War Camp Community Service, called this meeting. Heads of the various organizations participating in war activities in the city, are the members of this, committee. Mayor Smith presided. Mrs. Moore represented Campfire.

During the absence of the/permanent-secretary at the Campfire headquarters this week, Herberta Barker and Ruth Hatteroth took charge of the office, after their school hours.

Campfire girls in Omaha spent much of their enforced vacation during the Spanish influenza quarantine in decorating their ceremonial gowns and in other Campfire work. At that time, the stock at the Campfire store was in great demand. During the past week, however, a large order from the New York Campfire store has greatly replenished the stock.

Must Pay Rail Fares is Federal Ruling

Trenton, N. J., Nov. 30 .- The ederal railroad administration has decided that the state law requiring railroads in New Jersey to furnish passes to certain officeholders is of no effect while Uncle Sam is

operating the railroads. Thus, after January 1, 1919, certain New Jersey citizens will either pay fare, walk, stay at home or board in Trenton. The governor, state senators, members of the house of assembly, judges of the higher courts, certain state officers other than the execu-

tives, have been entitled to these passes, as well as most of the legslative employes. Each year the legislature either added to or made varied. an effort to enlarge the list. Someone Must Stay at Home to do the Work of Daughter, Sister, Maid.

TO KEEP home sweet and clean wouldn't you say that "some one" needs all the time-saving heip that a carefully constructed electric washing machine will surely give? The E. B. Williams Electric Shop, 312 South Eighteenth street (just across from the court house) are showing a washer which to me is the acme of efficient household helps. Why, with the Laundry Queen you don't even need to put your hands in the water! I am afraid you won't quite believe that, but it's the truth. Put your clothes in the washer, turn on the current, and they're washed, rinsed and wrung, into the basket in the quickest space of time imaginable. Let me send you an illustrated booklet, I'd love
