

WOMEN NAMED ON RED CROSS EXECUTIVE BODY

Committee Is Increased by Directors to Fifteen Members; Reports Presented.

Twenty-three of 65 members of the board of directors of the Omaha chapter of the Red Cross attended a special meeting yesterday afternoon in the Chamber of Commerce. W. E. Reed serving as temporary chairman in the place of J. H. Beveridge.

One of the matters disposed of was the election of the following women as members of the executive committee: Mrs. L. L. Kountze, chairman of the canteen workers; Mrs. C. M. Wilhelm, chairman of the civilian relief; Mrs. A. W. Terrier, chairman of the knitting section, and Mrs. Arthur Mullen, representing the Masonic temple. The addition of these women increases the executive committee to 15 members, which is the maximum according to information received from L. W. Trester, assistant state director.

Financial Report.
Ezra Millard, treasurer, submitted a supplementary report, in which he made the following showing: Net remittance of the salvage department, \$9,079.14; instruction classes \$1,200 net; collected in Omaha during the second war drive \$421,000 out of the \$442,000 subscribed. The quota for Omaha was \$200,000.

At a meeting of the executive committee of the Omaha chapter of the American Red Cross Friday, Gould Dietz declined the chairmanship of the chapter for another year after having been unanimously elected.

Deitz Resigns.
He gave as his reasons pressure of business and home affairs and directed attention to his service throughout the war. He said the record of things accomplished by the Omaha chapter during the war would be contained in his report, to be made when he severed active connection with the organization.

Although his resignation was accepted with reluctance by the committee, Mr. Dietz agreed to assist in the management of the chapter until his successor is chosen.

Other officers elected were: J. H. Beveridge, vice chairman; Ralph Cohn, secretary, and Ezra Millard, treasurer.

Upon the motion of Mr. Millard, the thanks of the committee for splendid services rendered was extended to Mr. Dietz, chairman, and Randall Brown, vice chairman.

Randall K. Brown, is suggested to succeed Mr. Dietz.

Praises Omaha Boys for Part They Took in War

J. L. Ferguson of the Paxton, Gallagher company, Omaha, is in receipt of a letter from his cousin, T. G. Roberts of Lewes, England and therein Mr. Roberts gives an idea of whole-hearted appreciation that the English have of the help that the United States rendered in putting the Kaiser and his armies off watch.

Mr. Roberts is a former mayor of Lewes and following a recent expiration of his term of office, was elected councillor for life. He is a devoted member of the Congregational church. In his letter, bearing date, November 11, he says: "On Saturday evening we heard that the Kaiser had quit. Today the armistice is signed. Lewes is very glad. The streets are filled with people and everybody is looking pleased. We got very anxious about our boys, but today we got a post card saying they were well on the 7th, for which we are very thankful indeed. But that is not the reason I am writing you. It is to thank you and through you, all the Omaha boys who came over to help the old country. If it had not been for them, I fear we would never have had to rejoice. We were in a very tight place when they first arrived."

"Your promise has come true and the Huns who looked upon our boys as contemptible, now are thankful with us. The creed of military rule is passed forever. "Thank you, thank them, God bless them and us. "We are going to have a united Thanksgiving service tomorrow and I hope to stand side by side with Roman Catholics, Unitarians, Baptist, Church of England clergymen and the council."

Finds Cure for Rheumatism After Suffering Fifty Years!

Now 83 Years Old—Regains Strength and Laughs at 'URIC ACID'

Goes Fishing; Back to Business, Feels Fine! How Others May Do It!

"I am eighty-three years old and I doctored for rheumatism ever since I came out of the army, over fifty years ago. Like many others, I spent money freely for so-called cures, and I have had what 'Uric Acid' might call 'stomach trouble.' I could not sleep nights, walk without pain; my hands were so sore and stiff I could not hold a pen. But now I am again in active business and can walk with ease or write all day with comfort. Friends are surprised at the change."

HOW IT HAPPENED.

Mr. Ashelman is only one of thousands who suffered for years, owing to the general belief in the old, false theory that "Uric Acid" causes rheumatism. This erroneous belief induced him and legions of unfortunate men and women to take wrong treatments. You might just as well attempt to put out a fire with oil as to try and get rid of your rheumatism, neuritis and like complaints, by taking treatment supposed to drive Uric Acid out of your blood and body. Many physicians and scientists now know that Uric Acid never did, never can and never will cause rheumatism; that it is a natural and necessary constituent of the blood; that it is found in every new-born babe, and that without it we could not live!

HOW OTHERS MAY BENEFIT FROM A GENEROUS GIFT.

These statements may seem strange to some folks, because nearly all sufferers have all along been led to believe in the old "Uric Acid" humbug. It took Mr. Ashelman twenty years to find out this truth. He learned how to get rid of the true cause of his rheumatism, other diseases and get rid of his rheumatism, neuritis and like complaints, by taking treatment supposed to drive Uric Acid out of your blood and body. Many physicians and scientists now know that Uric Acid never did, never can and never will cause rheumatism; that it is a natural and necessary constituent of the blood; that it is found in every new-born babe, and that without it we could not live!

CITY PLANNING TO CELEBRATE TROOP RETURN

Government Expected to Aid in Great Demonstrations When Demobilizing Begins.

Omaha may have a big military review and demonstration under the auspices of the United States government before the troops here are demobilized, according to advices from Washington.

The War department is planning parades and reviews in all cities near army camps as a feature of the demobilization, and also parades and demonstrations of returned soldiers.

It is not improbable, according to many who have hinted of the War department's plans, but that Omaha will have one of the greatest celebrations in the country arranged in honor of Nebraska troops returning from service abroad.

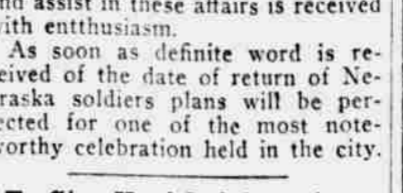

Already there has been some discussion here of a fitting welcome by the city of returning Omaha and Nebraska veterans, and word of the government's intention to condone and assist in these affairs is received with enthusiasm.

As soon as definite word is received of the date of return of Nebraska soldiers plans will be perfected for one of the most noteworthy celebration held in the city.
