DODGE SOLDIERS.

Bureau Established to Aid Men to Obtain Work of the Kind They Want.

Des Moines, Ia., Dec. 13.-Every Iowan and soldiers from other states demobilized at Camp Dodge, near here, will be assisted to obtain employment of a desirable nature and any community he may designate. Federal and state labor authorities are co-operating to this end, and a joint labor bureau has been established at Camp Dodge as the hub of an elahorate plan to enlist assistance of county defense councils, chambers of commerce and similar organizations. This bureau will endeavor to get in touch with every man as he is discharged and assist him in promptly "landing a job" of his own specifications.

Men from Many States.

Iowa, Minnesota, North Dakota, Nebraska, wester, Illinois, Missouri and several other states sent men to Camp Dodge in the mobilization period, and as a rule they will be nustered out at Dodge, labor au-

It has been stated that the Thirtyfourth division, which trained at Camp Cody, near Deming, N. M., and which is made up largely of former national/guardsmen from Iowa, Minnesota, South Dakota and Nebraska, would be demobilized at

Camp Dodge.

The Eighty-eighth division, the first organized at Camp Dodge, and the Nineteenth division, now in process of demobilization there, are other units that will be broken up at this camp, while the distinctly Iowa unit of the Rainbow division the One Hundred Sixty-eighth in-fantry—also will be sent here.

Farm Help Needed. The Camp Dodge bureau will enlist as many men as possible for farm work and encourage those recraiting from farms to return to them, as the demand for farm labor in Iowa and other agricultural states next spring is expected to be tre-

J. C. Neitzel, Davenport, Ia., in charge of the camp bureau, said that a discharged man with no definite position in view, should get in touch with the bureau. The bureau then will communicate with the co-operating agencies in the community, the soldier favors, and if possible the kind of employment asked for will be obtained.

New York Block to Be Decorated in Honor of Missouri Soldiers

St. Louis, Mo., Dec. 13 .- A section of New York is to be decorated in honor of returning Missouri seldiers. Mrs. Grace Hickman Swacker, formerly of St. Louis and now president of the Missouri Woman's club of New York City, has been appointed by Governor Gard-ner as representative of this state to welcome soldiers returning through New York City. Mrs. Swacker, formerly a school teacher in St. Louis, removed to New York where her husband, Frank M. Swacker, formerly with the Interstate Commerce commission, is an

attorney.
Mrs. Swacker heads the committee in charge of decorating a block of Fifth avenue under the Ffith Avenue association. She has already started work on an organization which Governor Gardner says will give Missouri boys a pleasant wel-come when they land in New York City. Governor Gardner appointed Mrs. Swacker in August to be sponsor for a ship launched at Shooterss Island, N. Y., August 10.

Part of Lost Battalion Was Lost Second Time and Rescued, is Report

New York, Dec. 13 .- That part of the famous "lost battalion" which was surrounded for four days in the Argonne forest, was lost a second time on the way to safety and wandered for six days without food or water, was disclosed in a letter received here today by Mrs. Eiler V. Bolvig, giving her the first news of the death of her husband, Corporal

The letter, which was from a companion of Bolvig, said that after Lieutenant Colonel Whitlesey had sent his "Go to hell!" message to the Germans and the remnants of the battalion had subsequently been re-lieved by advancing troops, Corporal Bolvig, the writer and eight other men became detached and attempted to reach the American lines by

The party wandered through the opest five days, the letter said. and n ran into a squad of British soldiers who also were lost. On the sixth day they were attacked by the Germans and one of the "Tommies" was wounded.

He ran out into the open to rescue the wounded man. Unable to move him, he lay down at his side to administer first aid. Both were killed by a German sniper.

The attacking Germans finally were driven off by bombs from an abplane and the surviving members of the party were rescued.
