

# GENTLE ART OF WAR AS PRACTICED BY THE UNSPEAKABLE TURK

(Photographs Copyrighted by Underwood & Underwood, Paul Thompson and Central News Photo Service.)

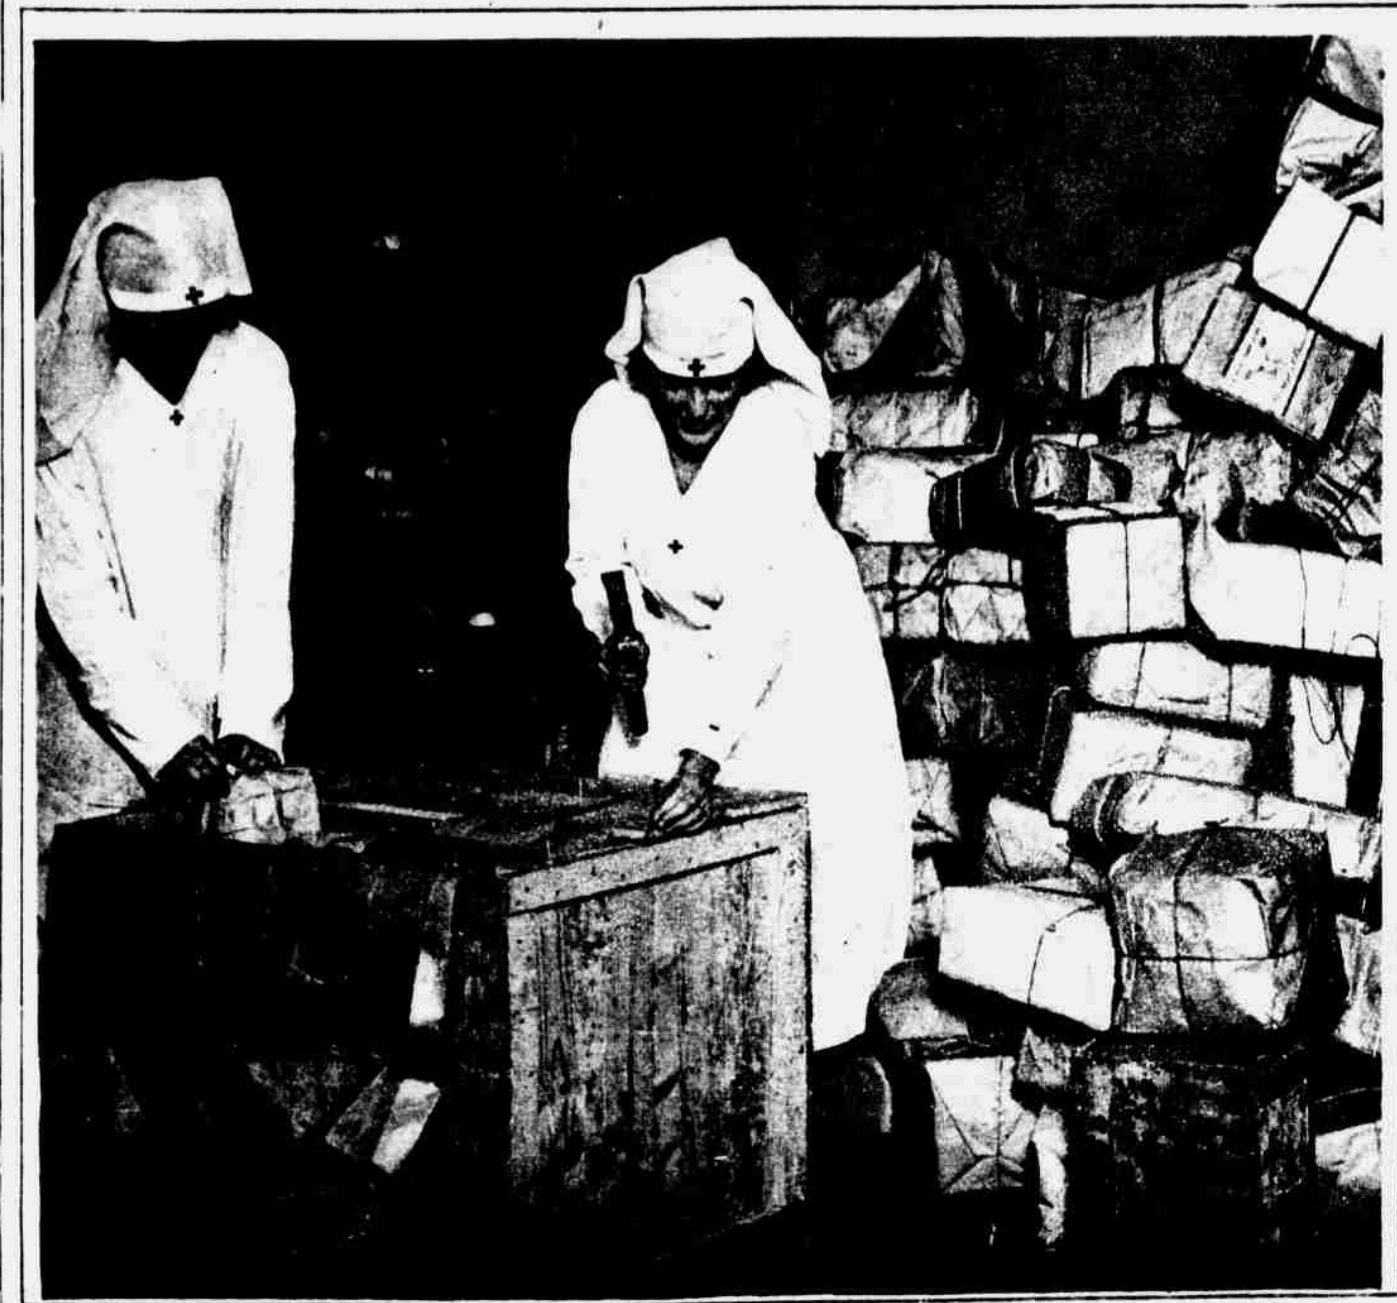

ONE OF THE MOST ATROCIOUS, BARBAROUS METHODS OF WARFARE THAT HAS BEEN WITNESSED WAS THAT EMPLOYED BY THE TURKISH FORCES IN PALESTINE WHEN THEY ATTEMPTED TO STOP THE VICTORIOUS BRITISH DRIVE. SHARPENED STAKES WERE STUCK IN THE GROUND AT A 45-DEGREE ANGLE BEHIND WHICH STEEP HOOPS WERE FASTENED UPRIGHT. BEHIND THESE, DITCHES WERE DUG. MORE STAKES WERE PLANTED AND THE WHOLE PACKED UP WITH BARBED WIRE ENTANGLEMENTS.
