

UNI OF OMAHA AND EMPLOYEES GET BEQUESTS

A. W. Carpenter Leaves Five Thousand Dollars to Be Divided Among Men in His Employ.

The will of Archie W. Carpenter, who was treasurer of the Carpenter Paper company, has been filed in probate court, together with an application by Myrtle T. Carpenter, widow, that the instrument be probated.

By provisions of the will Mrs. Carpenter and Isaac W. and George C. brothers of the deceased, are named as executors and trustees without bonds. The application for probate places the value of the real estate at \$15,000 and the personal property at \$50,000.

Remembers Employes.

Under date of February 11, 1916, Mr. Carpenter's last will and testament provides that Mrs. Carpenter shall receive the family residence and site, garage and barn contents, also one-third of the remainder of the estate. The University of Omaha is to receive \$5,000 and a similar amount is to be divided among employes of the Carpenter Paper company who have been in the service more than five years, the bequest to be divided pro rata on salary basis. The \$5,000 left to employes of the company shall include "others up to the number of 10 who have at any time been employed by the company for five consecutive years and who, in the judgment of my executors, are especially worthy."

Children Get the Rest.

The children, Ruth, Gertrude, Margaret and Archie W., jr., shall receive share for share alike after the payment and satisfaction of the other bequests.

A special provision was made in the will for distribution of any amount more than \$80,000 in the event that the estate should be of a value in excess of that amount.

A paragraph of the will provides that the reference to the employes of the Carpenter Paper company shall be enclosed and hung in the offices of the company to encourage thrift and loyalty.

Shafer Company Men Are Holding Convention Here

The M. F. Shafer company has called its salesmen in from the road this week for a three-day convention of addresses, talks and informal discussions covering matters of interest to the salesmen and the business of the company in general.

The special features of the convention is a series of talks by President Shafer, C. L. Sykes, president of the Omaha Ad-Selling league, and the heads of the various departments.

Thursday afternoon's program consisted of an exhibition of the "New Line" of goods which the company is putting on the market, by Messrs Griffin and Brown, an address on "Salesmanship" by Mr. Sykes and a banquet at the Loyal hotel, Friday morning, Miss Anderson, office manager, talked on the "Importance of Properly Written Orders." Mr. Koehler, credit manager, "How the Salesman Can Help," and a round table discussion by the salesmen led by Mr. Brown.

ELECTED HEAD OF THE ST. LOUIS Y. M. H. A.

MISS JESSIE KRUGER
NEW YORK PHOTO

Miss Jessie Kruger, president of the Omaha Young Women's Hebrew association, was elected executive secretary of the St. Louis Y. M. H. A. She leaves Tuesday to assume her new duties. Directors of the Missouri association met and were impressed with Miss Kruger's ability, when she attended the national conference of Y. M. H. A. and kindred associations there last year.

Several farewell parties are planned in her honor.

Gold Star Families to Honor Memory of Their Soldier Dead

Several of the ladies of the Omaha chapter of the Red Cross have devised a plan whereby the Gold Star families of Omaha may also be remembered at the Christmas time in honor of the soldier who has lost his life in the service.

It is requested by these ladies that friends of Gold Star families do send service to soldiers, in the name of the Gold Star family and in honor of their soldier dead.

Miss Kennedy of the Red Cross in telling of the plan said: "If there is anything you can do and would like to do, for a soldier in remembrance of soldier dead, whether it is making soup, writing a Christmas letter to a sick soldier, or helping the sick family of a soldier, or whatever you can best do, please your name, address and phone number to Red Cross headquarters in the court house, Tyler 2721, or on Sunday to Douglas 7213, Canteen headquarters at the union station."

Miss Kennedy said that in making any offering to a soldier in this way a Christmas card should be enclosed, saying "This offering is made in remembrance of (name of dead soldier) who died for his country at (name place of service when death occurred)."

Woman Who Fell from Car is in Critical Condition

Mrs. Meyer Brick, 314 South Tenth street, is in a critical condition at Wise Memorial hospital as the result of an accident last Friday evening when she fell from a moving street car on Sixteenth street, between Farnam and Harney streets.

AIRPLANE MAIL REACHES OMAHA, PARTLY BY RAIL

Aviator is Forced to Land in Pennsylvania and Letters Are Brought On by Train.

Mail carried by the government airplanes over the new air mail route from New York to Chicago and which will eventually be extended to Omaha has reached this city, a letter having been received by The Bee. The aviator left New York in an airplane Thursday morning and when an accident caused him to alight in Pennsylvania after a short flight, the mail was hastened on by train.

The airplane which made the first flight from New York to Chicago was a Curtiss R-4, specially modified. The one which flew from Chicago to New York was a DeHavilland 4, as adapted to American uses. Each machine is capable of an ordinary speed of 135 miles an hour, but as improvements are introduced it is certain that the present nine-hour schedule (as against the 21-hour record offered by the fastest mail trains) will be further lowered.

Is Novelty Now.

The departure and arrival of the mail airplanes are regarded now as somewhat of a novelty, but their efficiency has been so well demonstrated, in the opinion of the Post-office department, that definite plans are being made for extensions which shall ultimately cover continental United States with a web of aerial lines and eventually connect with Alaska, the West Indies and South America.

Omaha on the Route.

Orville Wright, Glen H. Curtiss, Glenn Martin and other internationally known aeronautical experts have recently said that the commercial future of aviation depends on the degree of safety provided. First in the list of requirements comes an adequate landing field. Here is where dependence is placed on the initiative of cities.

The Chamber of Commerce is already making preparation for placing Omaha on the air route and to eventually make it a center from which will radiate branch lines of service. A large landing place will be sought by the Chamber of Commerce and business men are already being solicited for funds for building the hangar for housing the planes.

Private Fred McConnell is Out of Hun Prison Camp

Fred R. McConnell has received word from the War department at Washington that his son, Private Fred McConnell, who has been interned in a German prison camp at Bastati, has been released and has returned to France in good health. No word had been received from him for some time.

Relatives of Famous Chief Shop in Omaha

Mrs. Theresa Milton and Mrs. Mary T. Mitchell, relatives of Logan Fontenelle, famous chief of the Omahas, came to Omaha from Decatur, Neb., Wednesday to do their Christmas shopping. Mrs. Milton is a grand-daughter of Logan Fontenelle for whom the Fontenelle hotel was named.

JOHN A. SWANSON, Pres. WM. L. HOLZMAN, Treas.
