Announce for Thursday Our Annual Clearaway of Women's, Misses' and Children's

READY-TO-WEAR AT HALF PRICE

Presenting Reductions That Are Radical to the Extreme and Affording Values Which Cannot Again Be Duplicated This Season

FIRST of all in connection with the sale announced here, it is well to remember that apparel from this store is justly celebrated for its style-individuality and superiority of quality. Then one must note that every garment which comprises these splendid groups is taken directly from our stocks, all are this season's models—the very best fashions greatly favored at this moment.

ANOTHER point to be considered, is that, although we do not quote comparative prices, the public realizes that when we say **HALF THE ORIGINAL PRICES** that's exactly what we mean—that prices have not been marked up to allow for the reductions and that there will be no disappointments. We would advise investigating these offerings before you buy.
