## **NEBRASKA MAN** HAS METEORIC CAREER TO FAME

Charles E. Gunnels of Crete is Named Assistant Chief in the Department of Agriculture.

Lincoln, Neb., Dec. 28 .- Charles E. Gunnels, who has resigned as director of the extension service of the University of Nebraska college of agriculture, to become assistant chief of the States Relation service for the northern and western states, United States Department of Agriculture, has had a meteoric career. Graduating from the university but a few years ago, he now goes to one of the highest positions in the United States Department of Agriculture. He is 30 years old.

Has Charge of 33 States.

Mr. Gunnels' new work will be administrative, dealing with all types of agricultural and home economics activities in 33 states, carried on in co-operation by the state agricultural colleges and the United States Department of Agriculture. Under this jurisdiction will be county agent work, boys' and girls' club work, farm management demonstrations, extension work with women, extension specialists and co-operative relationships and projects. These duties will require Mr. Gunnels to travel in the northern and western states about three months

Mr. Gunnels was born and reared at Crete, Neb. He graduated from the Crete High school and after attending the Doane college and the University of Nebraska, he taught one year in the High school at that place. Mr. and Mrs. Gun-nels will move to Washington about January 1, where they will make their permanent home.

Makes Several Recommendations for Coming Legislature: Wants New State Historical Building.

From a Staff Correspondent.

Lincoln, Neb., Dec. 28 .- (Special) -The annual report of Land Commissioner G. L. Shumway, which has been submitted, recommends a number of improvements among which s an independent water supply for the state capitol grounds,

Each year, according to the report, about \$3,000 is spent in furnishing water for the state house and grounds. There is a well near the engine house that would, if fitted with a pump, furnish an abundance of water for these purposes. It is also recommended that a few dol lars be spent each year to give the trees, lawns and flowers proper at The extraordinary sess on passed

resolutions directing the commis sioner of public lands and buildings to secure data relative to the cost of building a state-owned sugar factory, the cost of raising beets, man ufacturing sugar, etc.

Near the state house, are some lots and a foundation which was originally intended for the state historical home. ## Dodge County Physicians

Fremont, Neb., Dec. 28-(Special Telegram.) - Quarantine measures as means of combating influenza are worthless, in the opinion of members of the Dodge County Medical association, who met in annual session here. A resolution that effect was passed, although the physicians voted to enforce the quarantine rules. Dr. L. A Dermody of Omaha read a paper, "Perforating Duodenal Ulcers." The .ollowing officers were elected: Presidente A. F. Buchanan, Fremont vice president, A. E. Hoff, North Bend; secretary and treasurer. Charlotte P. ## Some New Year's Resolutions

Suggested by Frank E. Mayer, Executive Secretary Omaha Church Federation.

That I will keep my good resolutions. That I will pray more, and more definitely.

That I will read my Bible more, and more systematically. That I will love and revere old people and little children

That I will be an unafraid fighter for right and against wrong, That I will live more in the affirmative and less in the negative. That I will cultivate my confidences and discourage my doubts. That I will never again write-and mail-a letter when I am
