G. O. P. MEETING AT CHICAGO TO **BE 'LOVE FEAST'**

Leaders See Signs of Success in Next Election and Discuss Candidates for Presidency.

Chicago, Jan. 9 .- Party leaders from nearly every state arrived here today to attend the meeting of the republican national committee to be held tomorrow. The session will be a political "love feast" at which the republican victory at the congressional elections last November will be canvassed and plans for the 1920 presidential campaign discussed. Practically every state will be represented by the national committeeman or his proxy. Party leaders brought optimistic reports from every section indicating, they said, success in the next presidential election.

Although Chairman Will H. Hays declared any discussion of candidates for president was premature the party leaders in preliminary and informal conferences tonight dis cussed probable candidates and issues. Among the names mentioned in the gossip were:

Gen . John J. Pershing, Gen. Leenard Wood, Senator Henry Cabot Lodge of Massachusetts. Senator Albert B. Cummins of Iowa. Senator P. C. Knox of Pennsyl vania, Senator Warren G. New York, Jan. 9.-Charges that members of congress have "repeatedly ignored the advice of our naval board and of our army and navy heads, and have wasted money by log rolling and misappropriation of funds," were made by S. Stanwood Menken, former president of Growing Driving Power Shown the National Security league, here today in testimony before the congressional committee investigating the activities of the organization. The scene of the inquiry was transferred from Washington to New
