Jewish Organization Cares for Needs of Mind and Body of Soldiers Back from Overseas.

New York, Jan. 10 .- Two units of musicians and actors are touring demobilization camps in the south and east under the auspices of the Jewish welfare board, Col. Harry Cutler, chairman of the board, anmonneed today. This is part of the extensive program of entertainment undertaken by the Jewish welfare board, to fill the leisure time of men awaiting discharge. The performers who include some of the most prom-inent ou the Yiddish stage, are meet-ing tremendous success, Colonel Cutler said.

Touring Camps Upton, Dix, Devens, Meade, Humphreys, Wadsworth and the posts at Newport News and Baltimore are Rashel Rosenfeld, Harry Rosenfeld, Leon Rosenstein, Alexander Tannenholz Abraham Reizin, B. Kovner, Jean Paurel and Anna Melzer. The other unit is touring Camps Jackson, Wadsworth, Sevier, Gordon, Han-cock, McClellan, Sheridan, Beauregard and Chickamauga National park and is composed of Miss Zelda Santley, Rose Erlich, Gertrude Wolf and Rose Dreeben.

Remember Home Boys. The man from Philadelphiawhether he is in camp in Kansas, California or Georgia—is being tak-en care of by Philadelphians and is feeling the influence of his home folks, however distant he may be from them. The Jewish welfare hoard branch at Philadelphia has communicated with all representa-tives of the organization throughout the country, asking them to give to each Philadelphian who receives an honorable discharge information regarding insurance, civilian relief, vocational guidance and employment and to extend all possible aid to the men in returning to civilian

The New York City branch of the Jewish welfare board has organized a special needs committee to welcome returning soldiers and to provide them with a variety of com-forts. Fifty Jewish women's organ-izations in New York City are co-operating with Dr. William Fin-stein, chairman of the committee, and are making up backets of fruit, iellies and other delicacies for men in the hospitals about New York. Candy, cigarets and the wing gum Candy, cigarets and allowing gum are distributed among the men de-barking at Hoboken and are sent to all demobilization centers. The gift stock of the committee also includes towels, nail files, handkerchiefs. games and books, waich are handed out generously.

Outing for Wounded. Twenty-five wounded men in the base hospital at Camp Meade were given a day's outing by the Jewish's selfare board. The men were given an automobile trip about the camp, an elaborate dinner, with hoxes of bon-bons as favors, and a eater party at the Liberty theater.

Hundreds of special delivery let-ters, cards and telegrams are sent out by the Jewish weifare board at Camp Mills. L. L. every time that a transport arrives from Europe. Mills s one of the eastern debarkation samps and the men as soon as they step off the gangplank are anxious to notify their families of their safe arrival. "Before they even wash up they ask for stationery and stamps to write home," the lewish welfar-board secretary said. "They certainly are glad to get back."

Afterward, when he was lying on the ground and was still moving his lips, they first re-jused the English press, and, after that, some English ladies got per-mission to go and help him. They hot at him again and tore his St. George cross off and hung it on

There is shooting here every night, especially in the fortress, where they are quite young fellows who are put to do it, and are shot themselves if they do not carry out
