### Expenses to Be Paid Out of Special Fund Provided by Legislature; Has Made Four Arrests.

From a Staff Correspondent. Lincoln, Neb., Jan. 10.—(Special)—Gus A. Hyers of Lincoln, chief prohibition officer under the new state administration, will receive a salary of \$2,500 a year and expenses, announcement to this effect being made today at the governor's office. Hyers' headquarters will be in Lincoln in the Bankers' Life building in the rooms just vacated by the Nebraska State Council of Defense, which went out of existence last Wednesday. State prohibition agents will report to him and will receive their instructions at that place. The office rent, as well as the salaries of Mr. Hyers' assistants, is to be paid out of the special fund provided by the legislature two years ago.

### Have Money Left.

Of the \$50,000 appropriated at that time, something like \$20,000 remains on hand at the beginning of the new administration. Mr. Hyers this morning gave out the following information of arrests he had made since taking office yesterday for alleged violation of the prohibitory law by bringing booze into the state: Thomas Nelson, Union, Neb., 12 quarts of whiskey; Phillip Becker, Falls City, Neb., one quart of whiskey; David Banks, Imperial, Neb., three quarts of whiskey; Almond Stutheit, Imperial, Neb., three quarts of whiskey.

# COMMITTEES TO BE COMPLETED BY NEXT MONDAY

### E. E. Good Expected to Land Chairmanship of Finance Committee; Druessedow on Cities and Towns.

From a Staff Correspondent. Lincoln, Jan. 10.—(Special)—Both the house and senate selective committees were busy today, during the legislative recess, in order to have the list of assignments completed when both branches convene next Monday afternoon. Both committees expected to have the legislative assignments on committees completed by tomorrow afternoon at the latest. The selections of Rep. E. E. Good, as chairman of the finance committee,

and Representative Pults to head the judiciary committee in the house are practically assured. It is also reasonably certain that Rep. Max Hostetter of Shelton will be chairman of the claims committee, while agriculture will go to Behrens; roads and bridges to Williams; insurance to Axtell; cities and towns to Bob Druessedow of Douglas county; irrigation to Barbour; engrossed and enrolled bills to McLeod; live stock to Harris; labor to John Larson of Douglas and education to Gerhart or Snow.

In addition, it is reported that Representative McLaughlin will land the committee on state institutions. The chairmanship of the fish culture and game committee in the house will probably go to Representative Cole of Antelope, although Rep. Charles Allen of Gage is a candidate for the place. As Gage county carried off the speakership, the chances are considered more favorable to Cole.

## A MOTHER'S STRENGTH

Mother, whose hands rock the cradle, often needs more than ordinary food to help maintain the blood-quality and strength and to assure adequate nourishment to the child. It is as unwise for the mother, as it is dangerous to the child, to place dependence upon alcoholic stimulation, for strength is not found in alcohol.
