Anti-Saloon League Lays Plans to Create a "Bone-Dry" Nation

Chicago, Jan. 17 .- A bulletin was ssued late last night from National Anti-Saloon league headquarters which declared that the 25 prohibition and anti-saloon league organizations have agreed on a bone-dry federal act to be presented to congress. Tentatively it will include

these provisions: Appointment of federal commis sioners to enforce the act, with power to prescribe rules and regu-lations for the manufacture and dis-tribution of wine for sacramental purposes and alcohol for non-prohibitive purposes.

Fixing of adequate penalties for violation of the act. The transportation, importation, exportation and possession of intox-

icating liquors for beverage purposes be prohibited. All intoxicating liquors illegally possessed and all implements used in their illegal manufacture to be

An adequate search and seizure

The sale of alcoholic patent or proprietary mediums capable of being used as beverage to be surrounded by the same safeguards as sale of alcohol,

Such other provisions as will "de-stroy every vestige of the beverage liquor traffic throughout the United States and its possessions."

"A teaspoonful of Dr. Caldwell's Syrup Pep-sin each night at bedtime has done me a world of good, as I am 62 years old and was getting badly constipated. I had previously taken a lot of salts and pills without real relief." (From a letter to Dr. Caldwell written by Mr. A. Forester, Princess Anne, Md.)

Constipation is one of the penalties of age that should never be neglected—Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that relieves constipation in an easy, natural manner, without griping or strain, and is as positive in its effect as it is mild and gentle in its action.
