CREIGHTON SOUTH HIGH WIN: CENTRAL LOSES

Four Basket Ball Games Played in Omaha and One in Council Bluffs by Cage Artists.

LAST NIGHT'S RESULTS. Creighton university, 61; Cotter, 18. Council Bluffs High, 18; Central High, 14. Creighton High, 20; Creighton High, 3; South Omaha High, 12; Lincoln High, 18. Council Bluffs Second, 20; Deaf Inst. team, 18.

Too much Kearney caused the defeat of the Cotter basket ball quintet last night by Creighton university on Creighton floor. Again the Creighton squad demonstrated its wonderful team work and its keen basket shooting eyes, piling up score after score until the final count stood 51 to 16 in its favor.

Captain Healy was sufficiently recovered from his operation to play during the latter part of the game. He went in for Condon, who was slightly under form. McPherson was the mainstay of the visitors.

Commerce High's basket ball team added another victory to its long string by trouncing the Creighton High five 26 to 5 last night in a preliminary game to the Creighton-Cotter contest. Cameron and Micoeter starred for the bookkeepers, while Mullen and Queeter were responsible for the Creighton High points. The guarding of Bernstein and Levinson gave the losers little hope of victory at any time.

At a special meeting of the National League today the recently adopted salary limit of \$11,000 per month for each club was declared to be insufficient. According to President Heydler, the club owners agreed on a higher limit, but just what it is he declined to discuss further than to say that it was satisfactory to everybody interested. It is generally understood, however, that a similar limit has been adopted by the American league and that all the major league clubs will be bound by a gentleman's agreement to observe it.

Three-Cornered Deal Shifts Six Players in American. New York, Jan. 17.—A three-cornered deal between the Washington, Boston and Detroit clubs of the American league, completed here today, shifts six well-known ball players. Eicher, George Dumont and Catcher Ed Ainsmith of Washington go to the Red Sox in exchange for Harold Janning, a catcher, and two pitchers, one of whom is a cash consideration. Boston gives to the Tigers "Chick" Shorten, Fitcher "Slim" Love and Ainsmith for Oscar Vitt, Detroit third baseman.

FINANCIAL

New York, Jan. 17.—Consideration of industrial conditions in today's stock market served as an excuse for the extension of bearish operations. Reports of further curtailment of output in important lines of industry and pessimistic statements of labor leaders gave momentum to the setback.
