STORE NEWS FOR MONDAY

Telephone Douglas 2100.

We Will Celebrate Our Fifth Anniversary Monday With A Series of Uncommon Values Throughout the Store

We Were Five Years Old Yesterday (Saturday), January 18

We have entered upon another year's business—the sixth year of our service to YOU—the buying public, by whose LIBERAL patronage and APPRECIATION of our aggressive methods of merchandising, we have attained such splendid success.

A success that is a powerful illustration of the potency of proper principles in business. It is a magnificent, unmistakable tribute to the principles upon which this store has been built—

- Absolute Integrity
- Satisfaction
- Service

With the purpose of winning and holding the confidence of every man, woman and child who enter its doors. But these principles could not have won without the appreciation of a discriminating public. The ENORMOUS BUSINESS INCREASE AND PRESTIGE given to this store has placed it under recognized obligations.

To show our appreciation we will celebrate the event in a characteristic Burgess-Nash way—with a bargain festival to which we invite everybody.

It will be our fifth celebration—an occasion which we take to impress upon a larger public the advantages of shopping at this store—"Everybody's Store"—to test the stability of our rigid growth and the efficiency of our organization.
