"SEEK NOTHING BUT JUSTICE," IS WORD OF **POINCARE AT PARIS**

Program Outlined by French President Includes Restitution and Reparation, Punishment of Those Guilty Of War Outrages and League of Nations to Guarantee Future Security of World.

Paris, Jan. 18 .- Following is the speech made by Pres- into states, for those who wish to dent Poincare, opening the peace congress:

"Gentlemen: France greets and thanks you for having chosen as the seat of your labors the city which for more than four years the enemy has made his principal military lastly for all those whose freedom objective and which the valor of the allied armies has victoriously defended against unceasingly-renewed offensives.

"Permit me to see you in your decision the homage of all them to death immediately because the nations that you represent toward a country which more you would like your work to be than any other has endured the sufferings of war, of which entire provinces have been transformed into a vast battlefield and have been systematically laid waste by the invader and which has paid the human tribute in death.

"If after long vicissitudes, those" who wished to reign by the sword, they have perished by the sword, they have only themselves to blame have only themselves to blame. caped to come to our aid,

own blindness. "What could be more significant than the shameful bargains they at-tempted to offee to Great Part. tempted to offer to Great Britain Italy. and France at the end of July, 1914. Armenians, the Syrians and Levan- but having been organized by the when to Great Britain they suggest-cd: 'Allow us to attack France on land and we will not enter the chan-toric deeds of injustice; all the receive from them its statutes and nel, and when they instructed their martyrs of the past, all the out-fundamental rules. ambassador to say to France: 'We raged in conscience, all the stran-will only accept a declaration of gled in liberty, turned to us, their neutrality on your part if you sur-natural defenders. neutrality on your part if you sur-render to us Briey, Toul and Ver-

dun.' It is in the light of these things, gentlemen, that all the cou-"The war gradually attained the by the theft of two French provclusions you will have to draw will fullness of its first significance and became in the full take shape

sense of the "Your nations came one and all term a crusade of humanity for to the help of threatened right. Like right, and if anything can console Germany, Great Britain had guaran-teed the independence of Belgium. us, in part at least, for the losses we have suffered, it is assuredly the teed the independence of Belgium. Germany sought to crush Belgium. Great Britain and France both swore to save it. Ideas in Conflict. We have suffered, it is assuredly the victory of right. The interest of justice and peace it now rests with you to reap the full fruits

from this victory its full fruits. "Thus, from the very beginning of loostilities there came into conflict the two ideas which for 50 months were to struggle for the dominion vere to struggle for the dominion "Thus, from the very beginning of were to struggle for the dominion of the world-the idea of sovereign force, which accepts neither control are meeting today, as during the hostilities, a homogenous block which nothing will be able to disin-tegrate. Even before the armistice nor check, and the idea of justice, which depends on the sword only to prevent or repress the abuse of you reached that necessary unity under the aid of the lofty moral and political truths of which President strength

President Poincare then detailed how the various nations entred the interpreter and in the light of these struggle. He continued:

truths you intend to accomplish modeled by Jay Toney, house car-"The intervention of the United your mission. States was something more, something greater than a great political but justice; justice that has no faand military event. It was a supreme judgment based by the ioity conscience of a free people on the enormous responsibilities in-ustice is not inert; it does not sub-
