WHERE AMERICAN FOODSTUFFS MUST COME FROM

THE WORLD, FACED BY THE GREATEST FOOD SHORTAGE IN ITS HISTORY, LOOKS TO AMERICA FOR ITS NEEDED SUPPLY FOR 1919. AMERICAN PRODUCTION IS DECREASING FROM THE LACK OF FARM LABOR. THE U. S. BOYS' WORKING RESERVE IN 1918 VOLUNTARILY MOBILIZED 210,000 BOYS FROM 16 TO 21 ON AMERICAN FARMS, AND RAISED ENOUGH FOOD TO FEED A MILLION MEN FOR A YEAR. IT MUST TRIPLE THIS SPLENDID RECORD IN 1919, TO AVERT STARVATION IN EUROPE.
