

### South Side MANY SOUTH SIDE PUPILS EXEMPT IN FINAL TESTS

Twenty-Nine Per Cent Come Under Exemption Rule; Must Have Average of 90 or Better.

More than 29 per cent of the pupils at South High school are exempt from taking final examinations. This may not sound startling until one reads the "exemption rules," and learns that to be exempt from final examinations a student must not be absent or tardy from school more than five times during a semester; must be making an honor grade of 90 per cent or more in co-operation, interest and application; must be passing in all subjects to be exempt in one; and must have an average of 90 per cent in the subject in which he wishes to be exempt.

Here is a list of South High pupils who are exempt not in just one subject, but in four or over:  
Helen Laitner  
Mildred Mearns  
Anna Murphy  
Eileen Johnson  
Louise Mathews  
Clara Hennel  
Ralph Nielsen  
Blanchard Anderson  
Kyla Corenson  
Blanche McMillan  
Irene Blinn  
Irene Wall  
Blanche Altman  
Hazel Hayward

### "Night and Morning" Take Place of "Darkness and Dawn"

A librarian must have a good imagination, according to Miss Madeline Hillis, of the South Side branch public library. "Parents send their children after a book, but unless they write it down we usually have to resort to the telephone to discover its title," explained Miss Hillis. "They remain all night long." "During the last two weeks we have had calls for 'Night and Morning,' when 'Darkness and Dawn,' by Farrar, was wanted; 'The Wig on the Cabbage' for Mrs. Wiggins of the Cabbage Patch' by Alice Hegan Rice; 'The Roan Billy' for 'The Romance of Billy Goat Hill,' by Alice Hegan Rice, and 'A Spinster's Son' for 'A Spinster in the Sun,' by Alice Hegan Rice."

Thieves Get Merchandise from South Omaha Store  
Charles Nathan, 4927 South Twenty-fourth street, reports to the South Side police that last Saturday night burglars entered his store at the above address through a rear door and stole a quantity of merchandise.

## HUNDREDS SIGN PETITIONS FOR SOLDIER RELIEF

Secretary of War to Be Asked to Discharge Troops Speedily and to Give Six Months' Pay.

Nebraska and Iowa are responding seriously and by the hundreds to assist the thousands of young Americans who risked their all at the call of their country. Petitions asking that soldiers be discharged as rapidly as possible and given sufficient pay to assist them over the period between discharge and a pay day in civilian employment are coming to the Bee office by hundreds. You also can do your bit. Clip out the petition in today's Bee. Call on your neighbors and secure their signatures and mail it to The Bee. We will forward them immediately to the secretary of war in order that he may understand the wishes of the American people in regard to the

disposition of the American army.

The secretary of war would doubtless gladly pay the soldiers a reasonable amount, were it in his power, to assist them in their time of need. He does not have the authority. Congress when he requests this action would doubtless refuse his request as unnecessary were he alone in the request. With the united plea of thousands of Americans backing him in the movement the war secretary will be able to present his arguments in a forceful fashion.

In Omaha alone demands for civilian relief have increased one-sixth since the signing of the armistice according to the reports of the Red Cross. Very few Nebraskans have been granted discharges and the number of relief cases is certain to increase as the boys return home. If this is true in Nebraska, the heart of the most prosperous section of the country, consider the suffering that is certain to exist in the less fortunate sections. The American soldier sacrificed his business future, his life, his all, when his country called. Can you not give five minutes' time and a postage stamp to give him what he rightfully deserves?

Heavily loaded transports are arriving on home shores daily. With each passing day the suffering increases. Do your bit today and rush a petition to The Bee. We will do ours and rush it to Washington.

## Throwing Bombs!

Our boys are showing remarkable proficiency in hurling hand-grenades or bombs. From earliest infancy our boys learn well to "throw ball," and this stands them in good-hand in "throwing back" the Hun. The explosion takes place quickly, scattering pain and destruction—just like an uric-acid explosion within the body. One day a man's all "O. K."—next morning when he tries to get out of bed—Oh, such pain! Pain in the back (lumbago) or hips, shoulders, arms, legs or feet (rheumatism or gout). This rheumatism is the result of an uric-acid explosion within, probably following excessive use of meat—or beer—or over-exertion and over-heating. Swollen hands, ankles and feet are due to a dropsical condition, often caused by disordered kidneys. Naturally when the kidneys are deranged the blood is filled with poisonous uric acid, which settles in the tissues of the feet, ankles, wrists or back as uric acid salts; or under the eyes in bag-like formations. It is just as necessary to keep the kidneys acting properly as to keep the bowels active to rid the body of poisons. Uric-acid poisoning and rheumatic pains can be conquered and expelled by taking a little "Anuric." This is the recent discovery of Dr. Pierce, and can be had at all good drug stores. If you want a trial package, send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

## BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath at all who know them.  
Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.  
All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.  
Dr. E. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.  
Dr. Edwards' Olive Tablets are pure, free of vegetable compounds mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

## HAIR HINTS

Helpful Advice for Care of the Hair Worthy the Attention of Everyone Who Would Avoid Dandruff, Itching Scalp and Falling Hair.

If your hair is getting thin or you are troubled with dandruff and itching scalp use Parisian sage daily for a week and you will surely be surprised to see how quickly it stops your hair from falling out and removes every sign of dandruff and itching scalp.  
"Before going to bed I rub a little Parisian sage into my scalp," says a woman whose luxurious soft and fluffy hair is greatly admired. "This keeps my hair from being dry, brittle or scraggly, helps it to retain its natural color and beauty, and to make it easy to dress attractively."  
Beautiful, soft, fluffy, healthy hair, and lots of it, is a simple matter for those who use Parisian sage. This harmless, inexpensive, delicately perfumed, and non-greasy invigorator is sold by Sherman & McConnell and at all good drug and toilet counters. Be sure and get the genuine Parisian sage (Giroux's) as that has the money-back guarantee printed on every package.—Adv.

## AT THE THEATERS

GUY BATES POST in Richard Walton Tully's production, "The Masquerader," has been playing a series of return engagements in cities where the play was presented prior to the run in New York last season. The unusual feature of these engagements is that Mr. Post has attracted to the box office larger receipts than on his first visits. "The Masquerader," is en route for an engagement in Chicago after which it will be seen here.

Of all stage illusions ever displayed at the Orpheum the most effective is the final scene in "On the High Seas," the spectacular melodrama on view this week as one of the headline attractions. Another popular attraction is the most humorous story teller on the vaudeville stage, Walter C. Kelly, known as "the Virginia Judge." He is the master of many dialects. The fun of his anecdotes is largely due to the effectiveness of the different dialects in which they are told. Ed Flanagan and Neely Edwards, in the comedy sketch, "Off and On," is another featured act on the current bill.

Charles Howard, who plays the leading low comedy part in the newest version of "Hitchy Koo" which will close its engagement at the Brandeis theater with the performance tonight, was the former vaudeville partner of Leon Errol, who was a meteoric feature of last season's Hitchcock show.

Gene Tyme, the new prima donna with Raymond Hitchcock's second edition of "Hitchy Koo," is a Texas girl and this has been her first association with a big musical revue. Flo Ziegfeld, jr., was introduced to her at a social gathering in New York, and after hearing her sing immediately engaged her for the "Hitchy Koo."

"Mary's Ankle" will still be the center of a good deal of interest.

## Is Your Blood Starving For Want of Iron?

Iron is Red-Blood Food—Nuxated Iron Helps Put Roses Into the Cheeks of Women and Strengthens Energy Into the Veins of Men.  
If you were to go without eating until you became weak, thin and emaciated, you could not do a more serious harm to yourself than when you let your blood literally starve for want of iron—iron that gives it strength and power to change food into living tissue, muscle and brain. Without plenty of iron in the blood, no matter how much or what you eat, your food simply passes through you without doing you any good—you don't get the strength out of it and instead of being filled with youthful strength and energy you are weak, nervous and all run-down. If you are not strong or well you owe it to yourself to make the following test: Take three times as many Nuxated Iron tablets as you are used to taking. Next take two five-grain tablets of ordinary Nuxated Iron three times a day after meals for two weeks, then test your strength again and see how much you have gained. Nuxated Iron is the only iron people who were ailing all the while have most astonishingly increased their strength and endurance simply by taking iron from the proper form. Don't take the old kind of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like Nuxated Iron if you want it to do you any good, otherwise it may prove worse than useless. You can procure Nuxated Iron from your druggist on an absolute guarantee of satisfaction or your money will be refunded.—Adv.

## PUT STOMACH IN FINE CONDITION

Says Indigestion Results from an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.  
He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.  
Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.—Adv.

To Go to Belvidere Center—The Midwest Gospel mission has designated Tuesday as Belvidere night and will send a delegation to the Belvidere community center. Rev. Frederick W. Leavitt will be the speaker.  
Williams Goes to Chicago—Fred C. Williams, director of War Camp Community Service, is in Chicago attending a conference of workers. He will attend a similar meeting in Kansas City before his return the end of the week.  
Cided asset to the big organization. Ladies' matinee daily at 2:15.  
Cal Dean and Marie Fey make things lively in the musical comedy "Sorority Girls," at the Empress theater. They are assisted by a chorus of four pretty girls, who are competent singers and dancers. The photoplay attraction for the first half of the week is "Call of the Soul," featuring Gladys Brockwell.

## Heavy Fog Impeded Traffic; No Accidents Are Reported

A heavy fog impeded traffic during the early hours Monday morning. Although it was exceptionally heavy, no accidents were reported at noon when it commenced to raise.  
Fog of this density is unusual at this time of year and the fog bank hovered for an exceptionally long time. The warm weather is the reason given for the fog.
