AUTOMOBILES. YOU HAVE Got to have confidence in the dealer's judgment that sells you a car, and you have to know that the dealer is established and knows the value of a car. You must be satisfied in your own mind that the dealer thought he was making a good buy when he invested his own money in it. You will have to admit that the dealer that buys 500 to 600 cars a year knows the value of a used car much better than the man that just handles a few cars. That is why we can sell you a car on a three day money back guarantee.
