## To Prevent Influenza

The surest way is to keep yourself in such condition that influenza cannot fasten upon you.

If your blood is rich and red, free from the poisons which constipation creates, germs will not be able to gain a footing-your healthy blood will dispose of them.

Constipation underlies almost all illness. Foodwaste allowed to remain in the system creates dangerous poisons which tax the ability of the blood, lungs, kidneys and skin pores to throw off. Then you become an easy prey to colds. Influenza and Pneumonia often follow.

Your druggist has a new and really pleasant tasting cold-water salts called SALINOS which will completely empty the digestive system, including the lower bowels, where most poisons are formed. It is pleasant to use. Get a bottle for a Quarter (large sizes Fifty cents and a Dollar).

Be safe! Get it today. Use it tomorrow morning.

# The Horrible Handicap

of Poisoned Blood

The Innocent Suffer Even Unto the Third and Fourth Generations, But Relief Is Now in Sight.

It has long been accepted as a natter of course that the sins of the lathers must be suffered by innocent posterity, yet it is hard to become reconciled to this condition. The heritage of physical infirmity is a handicap under which thousands must face the battle of life.

Scrofula is probably the most noticeable of the transmitted blood must face the battle of life.

Scrofula is probably the most noticeable of the transmitted blood for the transmi

# PRESIDENT PAYS VISIT TO CITIES

Declares He Never Imagined Such Scenes of Desolation; Views Ruins of Rheims Cathedral.

Paris, Jan. 27.-(By Associated Press.)-President Wilson yesterday and devastated regions, visiting Chateau Thierry and Rheims, At the close of a tour that took him through veling at the change. a dozen razed villages ending in the ruins of the historic cathedral at Rheims, he made this comment.

"No one can put into words the three children. impressions I have received amongst such scenes of desolation and ruin." a good time about?" said Mrs. Light-body, approaching jealously. She

> Greeted by Mayor. On entering Chateau Thierry the nayor greeted Mr. Wilson, who reponded quite informally. He then drove on toward Rheims, passing along the old battle line between ong lanes of barbed wire entanglements now rusting away in the first winter of peace between long, mud-dy trenches reaching over the hills and down into hollows as far as the eye could see, and past the wrecks of dug-outs, ammunition dumps, hospitals, barracks and all the other litter left behind by the defeated nemy in his flight.

It seemed as if the fields had been sowed by Mars with the wastage of war in the hope that it would take root and blossom. American, as well as French graves lay along the roadside. There were German graves to be seen too. Desecrated emeteries were found in many cases. At every turn of the road was a farm, deserted and in ruins, its fields dotted with shell holes filled with water and crusted ice. There was a constant panorama of de-stroyed or charred vineyards, gar-dens and homes.

## Germans Are Preparing

to Oppose Bolshevists Berlin, Jan. 27.—(By Associated Press.)—The New Berliner Zeitung says it learns the government is actively occupied with military preparations under Von Hinden-burg for an expected bolshevik inburg for an expected bolshevik invasion early in the spring, and that it expects to receive the necessary added authority from the national assembly to mobilize two effective armies which are to be sent to east Prussia and Silesia.

and failed, you can stop burning, itching eczema quickly by applying a little zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, setter pirales with the state of the state tetter, pimples, rash, blackbeads and similar skin diseases will be removed. For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When thers fail it is the one dependable treatment for skin troubles of all kinds. The E. W. Rose Co., Cleveland, O.

### **HOW TO JUDGE A WOMAN** BY HER HAIR

There is real common sense in just noticing whether the hair is well kept to judge of a woman's neatness, or good taste. If you are one of the few who try to make the most of your hair, remember that it is not advisable to wash the hair with any cleanser made for all purposes, but always use some good shampoo. You can enjoy the very best by getting some canthrox from your druggist, dissolve a teaspoonful in a cup of hot water. This makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. Dandruff, excess oil, and dirt are dissolved and entirely disappear. Your hair will be so fluffy that it will look much heavier than Its luster and softness will also delight you, while the stimu-lated scalp gains the health which insures hair growth.-Adv.

Says We Must Keep Feet Dry. Avoid Exposure and Eat Less Meat

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poison-ous toxin, called uric acid, which is generated in the bowels and ab-sorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work. They become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually set tling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a table-spoonful in a glass of water and drink before breakfast each morn-ing for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus rid-

ding the blood of these impurities. Jad Salts is inexpensee, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithin-water drink which overcomes uric acid and is beneficial to your kidneys as well.-Adv.

## IMPORTANT LINKS
