THE BEE: OMAHA, FRIDAY, JANUARY 31, 1919.

in Detention Home Case; **Black Says Money Was** to Hire Lawyer.

Jesse Black, negro police officer charged with accepting bribes for alowing inmates of the detention lionie to escape, was bound over to

Black is charged specifically with having accepted \$50 for aiding in Gladys Thompson, former inmates of the Detention hospital. They es-caped during the latter part of No-vember, 1918. In the Sioux City investigation, like in Omaha, it has been repeatedly in his dep

The principal defense offered for Black was that the home was being operated in defiance of personal rights and liberties. Attorney Mc Farland stated that inasmuch as the hospital had no legal foundation. Black, even had he accepted money, was not criminally liable.

The court room was packed to capacity with spectators, police officers and social welfare workers. Chief of Police Eberstein and As-sistant Chief M. F. Dempsey were interested spectators.

Woman is Witness.

Mrs. Gladys Thompson, a former inmate of the home, was the chief of Nebraska, Iowa, South Dakota were made public at this time, witness for the state. their preliminary arraignment. In seating about 2,500 people. McKenna's case there has been long in the city jail, an unusual pro-

Explanation Easy.

"The explanation is easy to those who are on the inside of these af-fairs," said this private detective. "You should know, if you do not know, that the police have a staff of stool-pigeons who tip off their as-sociates in crime. To be of real service it is obvious that the stool-pigeon must be on the job himself. In the case of an automobile stoolpigeon, he must get out and steal automobiles and be in league with other automobile thieves. He is allowed to pull off jobs in return for the information he gives."

Afraid of Consequences.

"They are afraid," he continued, that if McKenna goes to the county gang operating in this city are being picked up in these places. Some of these prisoners, it is said, have conjail, outsiders will get to him and he will tell some things that the police fessed to stealing many cars on the streets of this city. They have gone would rather not have told. "My point is that in some

COUNCIL TALKS

OVER PLANS FOR

Public Utilities. An Omaha private detective, who Plans for a memorial to the men entered war service were discussed McKenna, alleged star automobile informally yesterday afternoon by thief, has been a "stool-pigeon" for the city commissioners. They all the detectives, and therein he finds agreed that the memorial should not be a mere monument of stone. These

ideas were presented: Mayor Smith-A museum of war It is customary to send prisoners from the city to county jail as soon as they have been bound over after be in connection with an auditorium Commissioner Butler-An athletic

> Commissioner Falconer-A smaller athletic amphitheater, to be built

on the park property between Har-ney and Jackson streets, between Thirtieth and Thirty-third streets. Commissioner Ure-Finishing and remodeling the Municipal auditorium and equipping it with movable walls so that it can be divided into two or three smaller auditoriums. the whole to be called the "soldiers memorial hall."

The other commissioner were not present

The commissioners agreed that a bill now in the legislature provi that the Omaha Gas company be operated by the Metropo Water District of Omaha after

h.s been acquired by the city be endorsed by the city commis

ers. They also agreed that event the other publicly owned uti fessed to stealing many cars on the streets of this city. They have gone so far as to boast that "Omaha is stances it may be all right to obtain the outgrowth of the present w

> people. R. B. Howell, general manage said the plan is a good one. "It is necessary to manage

public utilities separately from the other business of the city," he said. "If they are not managed separately

there is danger that their earnings may be diverted to other uses than those to which they belong.

"Earnings of publicly owned utilities should go to only three uses: First, to pay the running expenses of the utility; second to cut down and eventually extinguish the debt of the utility, and third to re-duce rates. In the water works we have paid our expenses, cut down our debt from year to year and re-

duced rates 55 per cent." Mayor Smith declared that he be-lieves when Omaha owns the gas plant it can supply the people with gas at "a great deal less than \$1 a thousand fact" housand feet."

Commissioner Butler favored the creation of a "loop" by the street railway company in the downtown district
