

SEMI-MILITAIRE MEMORIAL FOR COL. ROOSEVELT

Program for Memorial Services for Former President Arranged by War Community Service.

Omaha will join in the nationwide observance of the memorial service for the late Theodore Roosevelt, Sunday, February 9, at 3:30 p. m. in the Auditorium.

Semi-militaire will be the key note of the meeting, thus symbolizing in the tribute, Theodore Roosevelt the man, the statesman and the military hero.

Military assembly and taps by a quartet of buglers from the forts will open and close the service.

Invocation by the Rev. E. H. Jones will be followed by speeches from Mayor Ed P. Smith, F. H. Vance, Senator Norris Brown, Dr. J. F. Wilson, the Rev. T. J. Mackay, and W. F. Gurley, the chairman.

The Community Symphony orchestra, a combination of all the choirs and musical organizations of the city, will weave an effective

note into the meeting with its carefully prepared program.

Marrison to Direct Singing.

Mr. Harry Marrison will conduct all the singing with the exception of Mr. Roosevelt's favorite hymn—"How Firm a Foundation"—which Ben Stanley will lead.

"The Battle Hymn of the Republic," typifying his early rigorous military life, will open the memorial service and "Keep the Home Fires Burning" and "The Long, Long Trail," songs most analogous to his later life, will be the close.

Omaha has an exclusive sentiment in this selection, for Mr. Marrison, when in Wichita, Kan., heard Mr. Roosevelt say to those in the theater box with him: "The wonderful idea is that America has at last, through war, learned to express herself in song and especially songs such as these."

Immediately after taps, the orchestra will softly play choruses from "The Long, Long Trail," and "Keep the Home Fires Burning" until the entire audience has been dismissed.

Artistic Souvenir Programs. One of the special features of Omaha's memorial will be the artistic souvenir programs, including the photograph of Colonel Roosevelt and a short resume of his public life, from the time that as a young man of 23, he served as state senator for New York until his death.

Jap Peace Body Denies Statement of Okuma is Policy of the Nation

Paris, Jan. 31.—The Japanese peace delegation today issued a formal denial to publications in Paris newspapers based on an interview with Marquis Okuma, former premier, purporting to give the Japanese peace policy. The denial terms the publications as "glaring impositions," and says that the use of the Marquis Okuma's name was unwarranted. It is declared that the assertion that the present Japanese cabinet bases its policy on Marquis Okuma's statement is absurd.

League of Nations is Like Sewing Circle, Says Mayo

Washington, Jan. 31.—In urging immediate naval expansion yesterday before the house naval committee, which votes today on the administration's new building program, Admiral Mayo, commander-in-chief of the Atlantic fleet, said: "The league of nations is rapidly getting down to a sewing circle with no means of enforcement and no international police force. Now is the time to go the limit in expanding our navy."
